CapRock Ranch 2027 Internship

CapRock Ranch Golf Club is a private, 18-hole destination golf course located in the heart of the Nebraska Sandhills, approximately 15 miles south of Valentine, Nebraska. Designed by renowned golf course architect Gil Hanse, CapRock Ranch offers a unique golf experience in one of the most beautiful landscapes in the country. Construction of the final holes was completed in the summer of 2020.

The Intern position will play an important role in our management team. We are looking for someone who is passionate about the golf course maintenance industry. The ideal candidate will be highly motivated, reliable, eager to learn, and excited to lead and motivate staff while helping create a fun and positive work environment.

CapRock Ranch provides housing, uniforms, and golf privileges, as well as networking and scholarship opportunities. Interns will gain hands-on experience in all phases of our maintenance operations and could be part of the continued growth and development of a nationally recognized golf course!

Experience Requirements: Experience is not required. We will teach you everything that you need to know.

Educational Requirements: Pursuing degree in Turfgrass Science or related major.

Special Requirements: All we ask is that you show up with a good attitude, strong work ethic and a willingness to learn!

Salary: $20.00 - $22.00

Additional Benefits: On-Site Housing, Overtime, Uniforms, Golf Privileges Networking, and Scholarship Opportunities
