General Managers Message

Happy New Year 2015! I wish all of you a happy, healthy and prosperous New Year!

As we reflect on an amazing year, I would be remiss not to first thank all the members, your families, committee members, the Board of Directors and my team! Wow, 2014, what a year! We have seen our 50th year come and go with celebrations throughout the year. We have members that have been part of the history and future of HMG&CC. They represent years 1 through 50 and we now have the pleasure of 2nd and 3rd generation members that love this place as much as their parents and grandparents...what a compliment to all of those folks who envisioned what High Meadows could become! We have strengthened our relationship with our surrounding community by giving with our hearts to folks all around the area in so many ways! I would need pages to thank each of you, but you know who you are, so give yourself a hug for being an amazing person who cares about us and our community! Your club is more involved in the area through our relationships with the Chambers of Commerce in both Allegheny and Yadkin counties. We have donated \$24,000 in less than 2 years to Allegheny County alone through work done by the Pro Am Golf Tournament and those committees. Because of these efforts your club is being regarded more than ever as a leader in our region, with more to come! This year has also seen many improvements in all of our departments and the reaction has been overwhelmingly positive. As I stated in one of my first newsletters, HMG&CC has so much potential and the members make it the club that it is today! For all of you that have been such an integral part of all of this success, saying "THANK YOU" will never be enough! I am so proud of all we did in 2014 and can't tell you how excited we are for 2015!

On the business side, we are NOT raising dues in 2015 for our Full Active Golf Members or Social Members! In 2014, we have, for the first time in 10 years, stopped the negative cycle of member reduction exceeding member growth! The sun has set on our 50th Anniversary deal and we have returned to our previous \$10,000 initiation fee; a price that reflects our true value. We are an amazing private Country Club located in the beautiful western part of the Blue Ridge Mountains. We offer everything that folks looking to relax and enjoy a mountain retreat would want, nestled in a community that is wonderful for

A Word From The President

Happy New Year!

As we begin the new year in 2015, we all have just been through the holiday season. Like most people, I find this time of the year to be a time of reflection and gratitude. We should all be very grateful for our club, our fellow members, friends and families who enjoy some wonderful times together at our great club! We now have some families with 2nd and even 3rd generation memberships that are creating a legacy of memories at High Meadows.

Our Board of Directors and General Manager periodically review and benchmark how and what other clubs are doing. We believe our value is very strong. We will continue to evaluate and develop our long term plans in 2015 to evolve as an attractive private mountain club for our existing and potential new members. Please reach out to me, our Board or Mark Updike if you have thoughts, ideas or suggestions for our long term plan.

I look forward to seeing you on the mountain!

making a year-round home. I know each of you share the pride in what and who we are and more importantly what our next 50 years will bring! It truly is you, our members, who make High Meadows Golf & CC special! Look around and see all you have accomplished and then close your eyes and imagine what's next and how you can help make the next 50 years as wonderful as the last.

Please check out upcoming e-mails for events and happenings around the club over the next few months. We encourage you to have your dinner parties here or just come out to the club for an evening meal; we need your help during the winter. Stop by the office and say hi or ask any questions you may have to me or our team. Take this time to share some hopes, needs or desires with me so I can better serve all of you!

Happy New Year to you all,
See you around the club,
Mark
