Roaring Gap, NC

January 2014

## General Managers Message

Happy New Year! I wish all of you a happy, healthy and prosperous new year! We have been planning 2014 from the day I was hired. We have celebrations, parties, events and stuff going on all year long to celebrate our 50<sup>th</sup> Anniversary. We have a rich history of fellowship and inclusion and I see 2014 as the "Year of the Member"! It doesn't matter whether you are new to the area, have been part of us before, or have been a member for over 40 years. **You** are the reason my team comes to work. **You** are the driving force of what your club was, is and will be. The properties in High Meadows Estates have a vested interest in the success of HMG&CC. Your club is the focal point of our neighborhood and we all want the same things...happiness, success, friends, a sense of belonging and a place to play. I invite all of you to come see all your club has to offer!

Our 50<sup>th</sup> Anniversary year is here and we are asking all of you to find ways to help us put our best foot forward. How can you contribute? You can contact any of our committee chairpersons and volunteer to help with an event or add your special touch to a project. I know we have things we need to do around the club—sprucing up our front entrance and taming the overgrowth of landscaping around the club just to mention a couple. We have started to invite folks to come look at your club; if they want to join they will need a house. Is yours the one for our next member? Also, we will be asking **ALL** of you to get involved as we help each other grow and have the best possible year ever! All members will be receiving membership packages being mailed in late January for you to invite the next possible member to the club. As for

## A Word From The President

Happy New Year!!!!

I know you join me as I look ahead to 2014. I'm looking forward to our 50<sup>th</sup> Anniversary and all the events that are being planned by Helen Williams and her committee. Our club has solid leadership under the direction of Mark Updike and the department heads. We know Nathan will have the golf course in great condition and Todd and Tim have the Pro Shop stocked with special anniversary clothing and merchandise. We can't wait to see what Nicole, Tony, Becky and Angela have in-store for us on the food and beverage arena. And as always, Andy and his staff will maintain the facility and roads in his usual outstanding fashion.

As you make your New Years Resolutions, don't forget to add:

1. Play more golf at HMCC.
2. Be more active in the Club functions,.
3. Invite more guests and visitors to HMCC.
4. Enjoy the good things we have going on at the Club.
5. Recruit a new Member!!!

We hate that we were forced to cancel the Employee Appreciation Dinner in December due to the poor weather. Our Social Committee has moved the 2014 event to August 17 so our seasonal members will still be on the mountain and can share in this tribute to our outstanding staff and employees.

In the February Hummer I am looking forward to giving you a complete financial update of 2013 and a State of the Club moving thru 2014.

Happy New Year!  
Pete Morrow, HMCC President
