

High Meadows "Hummer"

Roaring Gap, NC

March 2014

General Managers Message

It's finally my turn to say spring is around the corner and we have started the plans to spruce up the clubhouse area and get ready to add a fresh new look to club grounds with our planting plans along with some trimming of the overgrowth. While we're ready to get started, we are trying to be patient due to the still pending Hwy 21 project in order to determine what impact the project will have on our landscaping from the entrance all the way through to the 14th hole. Our main goal is not to waste any money while still maintaining the pride of HMG&CC. I know you feel the same! In the meantime, our fences need some repair and signs need to be replaced, updated or set back up and we're hoping that we will soon be able to get the first flowers in the ground. After all of the cold and snow, we are looking forward to some great weather this spring and summer!

Our first 50th anniversary membership plan is in place. After speaking with some of you, I realize that the mailing has been successful and we are ready for all of you to help with the next generation of new members. We encourage all of you to take advantage of this special offer and share with your family and friends all that HMG&CC has to offer. This season, let's get the kids and grandchildren up on the mountain more often. The plans for Kids' week are coming together and it'll be a great start to your summer family plans. To supplement these activities and to continue to add value to our members, we are reaching out to more "Friends of High Meadows" to get discounts on some river fun and more. Make sure you check our website frequently to see newly added Friends!

A Word From The President

I won't be discussing the weather this month. Last month I mentioned something about an early spring and look what that got us, a near record snowfall of 15 inches!

I do want to clear up a couple of recent inquiries:

First, there has been some talk that the Board of Directors has in the past used some of the Roads Fund for items that should be paid out of the Operating Fund. Make no mistake, this has not happened and will not happen. There is no co-mingling of the Funds. The Roads Fund has a current balance of \$116,000 and this will be used on Road issues only, such as future road paving, with the approval of the Roads Committee and the Board of Directors.

Second, the Financial Reports of the Club are discussed at the Annual Membership Meeting and the Spring Membership Meeting and copies are made available to those in attendance. They are also posted on the Bulletin Board for 30 days following the meetings.

Mark Stephens and the Membership Committee has been hard at work this winter. Each of you have received information on the Golf and Dinner Package to be used with a prospective member during our 50th Anniversary year. I hope this program has your full support as growing our membership is vital to our continued success. Also, we have planned an Open House at the Club on Saturday, May 3rd for prospective members from the surrounding area. This will give us an opportunity to showcase our golf course and facilities to many of our neighbors not familiar with our outstanding venue.

Your Board of Directors will be meeting on Saturday, March 15th, to finalize and approve the 2014 Budget. Feel free to contact any of us if you have items you want discussed.

Pete Morrow,
HMCC President

**HMLGA UPDATE
 COMMUNITY CHARITY SUPPORT**

The 2014 season will be an exciting time of fellowship and golf on the mountain. Additional focus for the LGA this season will be a program to support the community charities of Allegheny County. The LGA will continue to support charities with monies budgeted for the President's Cup event (designated for 2014: D.A.N.A Services and The Children's Weekend Program through the Solid Rock Food Closet/Allegheny County Ministerium).

In addition to this monetary support, you will have the opportunity to donate specific items to several other charities. We hope you will make it part of your weekly routine to bring donated items for D.A.N.A. Services, Allegheny County Schools and The Solid Rock Food Closet. Bins for donated items will be in the Ladies Locker Room closet; specific suggestions for each of these charities will be outlined in our LGA booklet and are also listed on the bins. (The LGA booklet will be available in late April.)

Thank you in advance for your generosity.
 See you in the spring!

House Committee Update

Although our committee has only had one real meeting so far, we want you to know we have exciting plans in the works. You'll be hearing more about that later, but for now I thought it a good idea to share the dining numbers each month. This will keep everyone aware of the ongoing dining usage as well as encourage you to use your club more in order to support the changes we'd like to make.

Coupon Books - Don't wait too long!

The 2014 Family and Guest Coupon Booklets will be available for purchase through March 31, 2014 and will expire 1-year from the date of purchase.

All Coupon Booklets will be handled through the Golf Shop. Please contact Todd or Tim for additional information!

Attention Guys & Gals

As the weather gets better, don't forget, until the last of April we will have a mixed Points Chase on Saturdays at 11:00 a.m.

This is open to all and will be a lot of fun. After play we will meet upstairs in the Bar to draw teams and award prizes.

GM Message (Continued from page 1)

Be sure to make some plans to join us Sunday, March 16, 2014 from 2 till 6 for our St. Patrick's party with corned beef and cabbage and other Irish favorites along with **FREE GREEN BEER**—we may have to breakout the Kiss Me I'm Irish buttons! Also, check out Tony's new menu coming in March. The Side Door lounge opens for the season on Sundays starting March 9 with a new menu and weekly Sunday specials from 2 till 6. The Grille opens for the season 3 weeks earlier on weekends starting March 14, 2014. Make sure to save the date for our Easter Feast Sunday April 20, 2014. We are looking to serve you even more throughout 2014

See you around the Club, Mark

50th Anniversary,

Do you know?

Where was the first house built? What hole was it built upon and who was it built for?

Answer:

The first house was an A-frame on hole #12 at 33 Rock Chimney Lane and it belonged to Gordon and Judy Rhodes of North Wilkesboro.
