

High Meadows "Hummer"

Roaring Gap, NC

May 2014

General Managers Message

I'm ready to get out and play! It is time for all of us to dust off our golf clubs, wash off our sport shoes, find that old tennis racquet and even fix the holes in that favorite around the house shirt...you know the one you wear to mow the yard. I'm out with Andy's team as they spruce up the clubhouse and the surrounding area. It is amazing what some paint, a few nails and a bunch of mulch can do to your place! Wait till you see what we have done to the tennis area and the direction the pool and playground have taken...it's going to be a great spring/summer! Join me in welcoming Johnathan's new baby boy along with Andy's new grandson! Way to build the team from the inside!

As I write this note we are in full swing in preparing for the open house on May 3rd, for all area golfers and High Meadows Estates Non-Members. We sent 300 invitations and we are looking for a big turnout so we can show all of our neighbors what a great club we have and what they are missing. If anyone has been thinking about joining our club now is the time with an initiation fee of **ONLY** \$500.00 and the best part of the year is still ahead! We can't wait to have the club full of all of our members having fun and sharing laughter with all of our new friends! It is true, you make our club the special place it is!

Make your reservations today for HMG&CC Mother's Day Buffet Sunday, May 11, 2014 from 11:00 till 3:00pm. See the insert in this newsletter for details on our Mother's Day celebration!

Remember, The Side Door lounge is open Sundays from 1:00 till 6:00 food service is available from 2:00 until 6:00 with a new menu and weekly specials. The Grille is now open 7 day a week....Welcome back Becky and all of our Team! Save the date for the Pool Opening Party on Friday, May 23rd with fun, food and music for all. The 50th Anniversary Member/Member Golf Tournament and Gala on June 7th celebrating your club and members that have stood the test of time; make your reservations today to get in on all the Festivities! Please remember that the Past Presidents Dinner has been moved to Saturday, June 21st.

Wow--what a great start to a fantastic summer right in your own backyard!

Come join me in playing at your club,
Mark

A Word From The President

Have you looked at our website lately? I am ashamed to say I haven't for several months, until yesterday! The site is loaded with our 50th Anniversary Logo and information. The pictures of our club are outstanding. The history and "Our Story" are sure to make you feel proud to be a member. I think we often forget how fortunate we are to be blessed with our venue.

As the site states, "Over the years it has been our neighbors, friends, and members that have moved this club forward." I heard it stated a little differently by our General Manager recently as he was talking with a prospective member, "We represent the social hub for everything that home owners and members could want from a country club. Most importantly are the friendships that have been built and the fellowship that you will be a part of."

While on the site we would like to ask all of our members every time you log on your computer to please do a new search for High Meadows Golf & Country Club. This will do two things update our site on your computer and help make us a number 1 search for anything High Meadows. When doing your search you can do one day "Golf Courses" High Meadows Golf & Country Club and another day "NC Country Clubs" High Meadows Golf & Country Club. It would be great by the end of the summer if we had the #1 slot for both Golf & Country Club.

(See **President** continued on page 5)

50th Anniversary,

Do you know?

When was a charter, which is registered with the state of NC and the Register of Deeds in Alleghany Count, obtained for a High Meadows Chapel? And who were the ones that encouraged the development of the Chapel?

Answer:

Tips from the Golf Shop

TIP OF THE MONTH: Putting Consistency Drill

When you reach the green and stand over that putt inside ten feet, below is a drill to help you be more consistent and hopefully make more putts.

Start from about five feet and putt with your left hand only! This will help to control your clubface from being to closed or open. Then switch to your right hand and repeat putting balls. Using your right hand will help with speed and your palm moving down your target line toward the hole! By using your hands individually this drill will help your hands to work together and make more putts! You probably have seen this drill used a lot by Tiger Woods.

New Merchandise Arrivals!

Please stop by the Golf Shop and check out all the new merchandise arrivals! We have received new clubs from Adams and Titleist as well as 50th Anniversary Goodies! Ladies & Men's shirts, shorts, outerwear, Tervis Tumblers and phone covers with the special Edition Logo.

If you can't find what you are looking for, please check with the staff, as we can special order for all your golfing needs.

Just A Reminder

Attention Lady Golfers -- The Ladies 9 Hole Golf group was started for ladies who love to play the game of golf, but no longer want to play 18 holes and for the ladies who are just starting to play the game. We have a great time playing together. Our group tees off at 11:00 a.m. on Thursdays in May and then drops to 10:00 a.m. for the remainder of the season. We also play on Saturdays at 1:00 p.m. So, come on out on Thursdays or Saturdays (or both) this golf season. Look for news regarding the LGA opening event.

President (Continued from page 1)

After you log on be sure to update all of your personal stuff under member login. This will make our site even better for members to reach out to each other! If you need any help just call Donna at the club.

I'm feeling a lot of positive vibes about our present situation.

Our membership is growing. Did you know that we are fast approaching the maximum Dining memberships? We are continuing our emphasis on the local area and community with our "Open House" on May 3rd. Our "Realtor luncheon" was a big success. The Membership Committee is pushing forward.

The golf course is green once again and Nathan and the Greens Committee are committed to giving us even better playing surfaces than last year. The 50th Anniversary Flags look great all around the course including the practice green. We had 14 men from the Golf Channel Amateur Tour here on Sunday and they commented about how impressed they were with our course!

Todd, Tim, and Sam have the Pro Shop stocked with quality apparel. The 50th Anniversary shirts are selling quickly, but they have placed a re-order.

Nicole, Tony and Angela are seeing nice crowds in both the Dining Room and Grille.

Lastly, Mark Updike has been a tremendous addition to the Club. His positive attitude and energy level is unmatched. Not to mention his experience is bringing us solutions and advantages we never dreamed of.

Karen and I are looking forward to returning to the mountain for the summer to share these positive vibes with you!

Pete Morrow,
HMCC President

Keeping Our Roads Safe & Clean!

As we are getting revved up for the season help us be safe by obeying the 24 mph speed limit. We have a lot more joggers and dog walkers out and about!

Speaking of dog walkers.....**PLEASE** use your pooper scoopers and clean up after your dogs!

Thank you for your help!
