

Golfer's Glance

The 2024 summer Olympics are in full glory in Paris. Sixteen days of great competition from athletes all around the world fulfilling dreams and the dreaded heartache of coming up just short. The summer at Waterlefe Golf Club has very similar qualities. We concluded our Junior Golf Camp in July which hosted over twenty energetic boys and girls. Along with learning the basics of golf, they were also taught manners and courtesy. We would like to thank the parents and volunteers who supported this great club function. Matt Primrose continues to grow the Waterlefe Jr. golf brand. Three of his students have advanced to the 2nd stage of the Drive, Chip, & Putt competition in Orlando including his daughter Savannah! Another hurdle that the staff was able to navigate this summer was the cart barn & first tee renovation. As the clubhouse nears completion we thank you for your patience. We will continue to make finishing touches as the fall season approaches. Just a reminder the course will be completing its third and final aeration September 3rd through the 5th. That means you will be treated to great course conditions through August.

Enjoy the "dog days" of summer with us at Waterlefe Golf Club!

Best wishes and stay cool
Mark Trotter and staff

Summer Kids Camp

The Waterlefe Jr Golf camp was another great success! The program had over 20 participants who learned basic fundamentals on the practice tee, putting green and on course action. The kids enjoyed great fun, great food and a water balloon finale. Thanks to all those who participated and volunteered!
