It's official, the golf course renovations have begun! I guess you could say there was no turning back once we started killing the grass back in February but April 3rd marked the first day of construction work. As you can see from the pictures, the crews got off to a fast start on day one. The primary work over the next three months will be the tees and greens but our own maintenance crew will be working hard completing other projects around the golf course. Updates on the renovation will be sent bi-weekly with photos and videos showing the work completed. I know it will be very tempting to get out and about on the golf course but holes that are closed are a construction zone and only staff and hired contractors are permitted. Thank you in advance for your cooperation.

The Grille Room will remain open for their normal hours while tee times can still be booked for the front nine. Once the front nine closes on Wednesday, April 12th the Grille Room will be open Tuesday through Saturday serving breakfast and lunch for both dine-in and take-out from 8am-4pm. This will continue until the start of the building renovation, which is on schedule to begin in May.

LAST CHANCE OPEN

We ended our season with our final tournament,
The Last Chance Open on March 30th!

We had the pleasure of not only doing this once,
but twice in one day!

Check out some of the fun surprises we had
out on the course for our members!

Congratulations to our winners of the first group,
Bob Cunningham, Mike Fiorini, and Joel and Robin Ambrose
and to the winners of the second group,
Brett and Tina Steffey and Ron and Bonnie Tyler!!

The kids finished their latest set of lessons on March 26 and as you can see in the pictures, they have their shirts. Ryan Kohn, Sports Editor for the East County Observer, came out to take notes, pictures and do interviews on our program. His article appeared in the Saturday, April 1, edition of the paper. He will also be at the LECOM Suncoast Classic and will cover our kid's involvement at that event.

The next set of lessons begin on Sunday April 16th at 3pm.

Our "*Share the Green*" fundraising efforts have included many personal donations, the silent auction, mulligan sales at the "Last Chance Open", Steve Slocum's 15th hole drives and the "Lost not Found" items in the annual garage sale at Waterlefe. These efforts have raised just over \$10,000 for our kids' program.

We still have the LECOM Suncoast Classic coming up April 20th thru 23rd at Lakewood National where we will be the featured charity thanks to Steve Slocum of the Coldwell Banker 941-Team. We will have a tent at the entrance to highlight our program. We will receive \$50 for each birdie on the 18th hole over the entire 4-day tournament. Thanks again to Steve.

Thank you for your support, Board of Directors: Bob Buchanan, Janis Bumgarner, Diane DeGennaro, Steve Dietz, Vickie Josphe, Gerald Jones, and Tony Tierno
