**Golfer's Day  
April 10th**

Some avid golfers might suggest any and every day is Golfer's Day. But on this day, it's official. The only question is, does this day honor the golfer, the sport, or the weather? Well, it's a little of each. Golfer's Day is an opportunity to be thankful that someone invented this addicting, yet relaxing hobby.

Also referred to as "Golf Day", there is only one proper way to enjoy this day and that's out on the golf course.

When Golfer's Day falls on a week day, it is even more special.

That means you now have an excuse to take a day off of work and go play a round ...or two. Regardless of your score today, know that even a bad day on the greens, is better than a good day at work.

Our extensive research on this day came up with very little substantial information around the history or origin of this day.

Golfer's Day was likely established by an avid golf lover or a golf-related group, who was eager to find an excuse to get out and play golf on this day (or any day for that matter).

## LATERAL WATER HAZARDS

A "lateral water hazard" is a water hazard or part of a water hazard so situated that it is not possible or is impracticable to drop a ball behind the water hazard.

### YOU HAVE 5 OPTIONS

1. Play the ball where it lies without penalty. **1**
2. Drop a ball behind the hazard along a line formed by the hole and the point where the ball last entered the hazard (A), penalty one stroke. **2**
3. Use the stroke and distance option by playing your next stroke from the spot where the original ball was struck, penalty one stroke. **3**
4. Drop within 2 club-lengths of point A, no nearer the hole, one stroke penalty (yellow area left side of river). **4**
5. Drop within 2 club-lengths of point B, no nearer the hole, one stroke penalty (yellow area right side of river). **5**

**LATERAL WATER HAZARDS ARE DEFINED BY RED STAKES OR LINES.**

## Golf Course Update

As we transition into warmer weather, we also transition into growing season for the turfgrass. We are very pleased with the course condition coming out of winter. However, it is very important that golfers remember to fill their divots and repair their ball marks. It is asked that all golfers use the plus one model, which means to fill one more divot or repair one more ball mark in addition to your own.

The Golf Club will also provide buckets of sand for those who wish to fill divots when it does not impose on regular play. Buckets can be picked up at the cart barn.

## Golf Club Introduces A New Set of Tees

We recently introduced a new set of tees called the "Family Tees". This new set of tees provides a course that can be enjoyed by children, seniors, and novice golfers alike. The yardage of this tee box is roughly 60% of the total distance from the back tees and is marked with black stones. The Family Tees are only a recreation set of tees at this time. This means that they have not been rated for handicap purposes and therefore will not be used in any events. Family Tee scorecards can be picked up in the Golf Shop.

We would like to thank you for another amazing season at Waterlefe Golf Club! Each year we have enjoyed a wonderful golf season and this year is no exception. Member participation has been outstanding. Please continue to provide us with feedback so that we may achieve our goal of exceeding your expectations every day.

Be sure to check back here in the coming months for a list of the golf events and major member tournaments for the 2015-2016 season.

Those of you who will be leaving us for the summer, we look forward to your return. As for our year round residence, we appreciate your continued support.

\*\*\*\*\*

In an effort to be more eco-friendly, we are PAPERLESS and your statements will be **emailed** to you at the beginning of each month. Check your SPAM account if you do not receive it in your "Inbox" because it might be there. Please let us know if you do not receive your statement by email. Your statement will **NO** longer be available for viewing on our website.

If you are currently paying your monthly account balance through our "Automatic Credit Card" payment plan and have been using an American Express card, please be advised that we are currently not accepting American Express. Please call the Golf Shop to update your card information.
