The 2023 season is off to a fast start and our golf calendar is flying off the wall!

Congratulations to our club championship winners, Lisa Phillips and Jake Scott. Well played and well deserved! Our club match play events are about half way through. Remember to get your game scheduled as soon as possible to complete the schedule as tee times are a premium this time of year. Please update your group total and make adjustments as soon as possible so we can accommodate as many members/guests as possible. Pace of play is always critical especially in the morning. Do your part to keep up with the group in front of you and respect the player assistance when you fall out of position. This will also allow us to keep our cart fleet in a proper rotation. The course is holding up well, but please pair up to reduce cart traffic; The grass will thank you for it!!

Speaking of playing conditions, we want to thank Chris Threatt for his years of service and dedication to Waterlefe Golf Club. The course would not be where it is today without his constant watchful eye and attention. Chris was recently recognized for the Superintendent of the Year Award by the Southwest PGA of America. Congratulations to Chris and his staff for this wonderful achievement.

Thank you for your support

Membership Appreciation Reception

We had such a blast dancing the night away and celebrating our wonderful members at our Membership Appreciation Reception this past weekend! Thank you to everyone who spent the evening with us. Check out some of our groovy members who got into the 70s spirit!

We were on the range for the first practice in January, learning to hit those long drives or at least make the water. We are in the process of purchasing a set of US Kids golf clubs for each kid. You can see Riley's set (blue bag), second kid with Matt watching. Riley is in his second year.

Then we move to the practice green in our second session. How do you practice your chipping? Well, if you are in the WYGP you get to play Tic, Tac, Toe. Here, you see Matt coaching the kids (with the parents watching) as they get ready for their team match of Tic, Tac, Toe. It can take awhile but one team usually wins.

Denny Meskill, Matt Primrose and I, went to the Boys and Girls Club of Palmetto on January 20th to do our "introduction of golf" to the kids in their program. We had over 60 kids that got to try golf with chipping irons and drivers (using wiffle balls). John Agnelli, Palmetto Club Director, complemented our professional approach and handling of the kids. He is sending our enrollment information to all of the parents. Matt is teaching and demonstrating the correct grip for the kids. By the way, it's called "Hot dog in a bun". How's your grip? -Bob Buchanan
