

Golfer's Glance

YESSS SIRRR!!!! Verne Lundquist made his famous call at the 1986 Masters when Jack Nicklaus drained his putt on the 17th hole. April is always an exciting time of year when the temperatures are slowly rising, the golf course is green and the Masters tournament kicks off the summer season.

April is also full of great events especially the Ladies' Member Guest and Club Championship! The tournament fields have been complete, full and well supported. The staff would like to thank you for your participation and contributions. A new Masters two-person event will also be played in April. This new format will feature a two player better-ball format along with the Masters tournament player round on Sunday. Waterlefe will also be hosting the Sarasota interclub featuring fourteen neighboring golf clubs. The Waterlefe gals have been battling all season long and the home course advantage will help add to our team point total. Go ladies!!!!

The Southwest Chapter PGA recognized our outstanding Waterlefe Golf Club award recipients. Luke McFarland won the Distinguished Service Award which recognizes the community service and promotion of golf in our area. Luke's work with breast cancer awareness, Folds of Honor, and the Bayside Church group made him an excellent choice. Head Professional Matt Primrose was also presented for Junior Golf Leadership award. Matt's continued passion for growing the game of golf through youth programs is an inspiration for all those love this great game. Congrats gentlemen!!

As the summer months approach, the maintenance crew will be aerifying the greens at the end May. The course will be closed for a few days to perform the first of the maintenance procedures. This will also be a great time to visit our reciprocal courses in the area. We will have our official list posted toward the end of April.

Thanks for all your support.
