

# Golfer's Glance

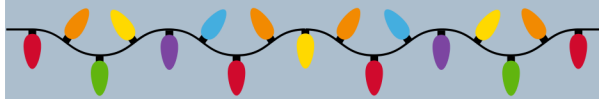

HO HO HO!!! Tis the season to be jolly says the man in the red suit! The holiday season is a wonderful time of year for friends and family. It has been great to see all of you taking advantage of the wonderful playing conditions. As we head into the end of year, we continue to make progress with our cart facility renovation. As much as we will miss our "back 9" check-in table, the staff will be moving to the new bag room golf shop which will be located in the front of the facility. We will be able to expand our mobile golf shop and have a few more items for sale. The new restroom facility will be located adjacent to the new bag room. As we head into the holiday season, more and more members are now down for extended timeframe. Stay on top of your tee time request and make adjustments as early as possible so we can fill the tee sheet. Please remind your guests of proper dress attire and etiquette prior.

Stay off Santa's naughty list by filling in your divots, repairing your ball marks and posting your scores after you play. Let's keep our course and competitions in tip top shape heading into the new year.

It's hard to believe that 2023 is rapidly coming to a close. We have certainly been very blessed this year and have enjoyed the new course renovations. The staff has heard many wonderful comments about how the greens have progressed and matured in a short amount of time, but its also our responsibility to maintain the condition. Take pride and care in our great golf course.

On behalf of the Waterlefe golf staff we wish you a great holiday season and a happy new year.

All the best,  
Mark Trotter, Director of Golf

## DECEMBER

## MAINTENANCE UPDATE

Our overseeding efforts have been successful, with the first mowing of the tee boxes taking place during the last week of November. We plan to apply additional seed to any thin or weak areas early in December. Additionally, we will needle tine greens and will be applying a second pigment application to the fairways. Our team is also working on smoothing out several of the tee boxes and greens, regularly adding sand to these areas. We wish everyone a happy holiday season!
