Matt Primrose (941) 744-9771

### **GATE ATTENDANT**

(941) 708-6866

Welcome to one hot summer! It certainly has been a warm one so far and we hope you have enjoyed your time traveling or heading back north. Even though the golf course has been shut down, the staff has been very busy with off season projects. Thanks for all your support and "site" visits.

The summer reciprocal program has been in full swing and I would like to thank our area golf courses for their hospitality. Please remember that when you are requesting a facility to include the members and guests in your party so we can properly book your tee time. Make sure to have your membership cards ready at the time of check-in. The golf staff at the other courses appreciates your cooperation in this process. It is important to update the number of players in your party so their tee sheets can be properly filled.

Matt and I have thoroughly enjoyed taking the ladies and men on local "road trips" this summer. It has been great to shake the rust off our clubs and get to play with our members. We have shared many laughs, a cold beverage, and look forward to more rounds this summer.

The renovation program is progressing at a nice pace. All of the greens and tees have new grass and are starting to take shape. The maintenance crew is watering extensively throughout the day which makes it very saturated. I can't stress enough to please stay off the golf course to allow the grow in period to move along without interruption.

Matt Primrose's Jr. golf program has started this month. Its great to see our youth get a jump start on a game that will last a lifetime. Growing the game of golf will keep our course healthy for years to come!

Enjoy your Summer!

Mark Trotter & Staff

## FRIENDLY BILLING REMINDER

On your August statement you will see your trail fees or cart leases back on the bill. This is because Waterlefe bills 60 days in advance so the dues & fees on your August statement are for October. If you have any questions don't hesitate to reach out to Mary Paige Huisman.

## WELCOME BACK SASHA JARQUIN!

Sasha recently welcomed her son MJ into the world in April and has been out on maternity leave but she is now back.

*Congratulations again Sasha!*

The golf course renovations are going well thanks to our golf maintenance crew!

Grass is growing in nicely on our tees and greens surfaces.

Renovations started with demolition of the Lefe Room... A step closer to our new clubhouse

The practice area has started to take shape.
