Matt Hill (941) 744-9771

### GATE ATTENDANT

(941) 708-6866

# HAPPY INDEPENDENCE — DAY —

# spotlight

**Rich Pulomena**

**Golf Course Mechanic/Maintenance**

This month's spotlight focuses on one of the Golf Club's most beloved employees - Richie Pulomena. Richie quietly works behind the scenes ensuring the golf course equipment runs in top notch condition and he fills in where needed maintaining the golf course. He is always there to lend a hand.

Richie will be moving back to New Hampshire at the end of July to be closer to his children and grandchildren. We will miss him and wish him all the best.

How long have you worked at Waterlefe? 2 1/2 years

Early Bird or Night Owl? Early bird

Favorite Event or Program: NFL Football Go JETS!

Most Used Phone App: Pandora

Favorite Manatee County Spot: Waterlefe Golf Club

Dream Vacation Destination: Italy

What Tugs at Your Heart? My family and friends; especially the grandchildren

What Do You Like Most About Waterlefe?

All the special people I work with and have met over the years

It's been a hot summer but a lot is getting done around the course. Our first aerification went very well and we are very pleased with the recovery of the greens. The bridge work has also begun and is moving along nicely. The work began at the large bridge on #15 and this bridge is expected to be completed soon. Upon completion the crew will move to Hole 14. During the work on Hole 14 there will be a temporary green towards the end of the fairway. Golfers will then proceed to the forward tee box of Hole 16 to continue their round. Below are some facts/information about the bridge work...

- The three bridges on Hole 15 amounts to almost 60% of the work being completed this summer with 696 linear feet. Hole 14 is next at 290 LF, and Hole 18 is 200 LF.
- All holes are expected to be open for play on the weekends. Some exceptions may apply due to weather, etc., and the Golf Shop will send out a notice if there are any changes for a given weekend.
- We encourage anyone who wants to play a full 18 holes during the week to stop in the Golf Shop following Hole 18 so that the staff can arrange for you to continue your round by going back to the first tee.

In addition to the bridge work our Maintenance Staff has completely refurbished the forward tee box on Hole 15 and the drop area. This included removing the existing turf, re-grading the dirt, and installing new sod. Other areas around the course have also been refreshed with new sod.

I hope everyone is enjoying their summer wherever they may be and all of us at the Golf Club wish you a safe and fun 4th of July!

Respectfully,  
Steve Dietz, PGA  
General Manager  
Waterlefe Golf Club  
& CDD
