

Golfer's Glance

As the great New York Yankee catcher Yogi Berra famously said, "If you come to a fork in the road...take it." The summer time of Florida leads us to many different paths. We wish our northern members heading home safe travels and thank you for your support over the season. Our members who are here year around, thank you for checking in and keeping smiles on our faces each time you arrive to play. A few reminders that will be approaching. Our first aerification will take place at the end of month and we were able to expand our reciprocal list of courses. Pick up your membership card for proper identification. Each course has specific check-in policies and this will make it a smooth process. Congratulations to Lisa Phillips and Darren Gillette for their victories in their respective club championships. Our championship weekend boasted a great turn out for the competition. By expanding our divisions and flights the club has seen a significant up tick in players. This is great to see as we prepare for our 2024-2025 club calendar.

Speaking of a couple of "aces", congrats to Rudi Floyd and Ken Goodman for their hole in ones'. Rudi on nine and Ken on eleven. This certainly proves the more you play, your chances increase!!

We would also like to welcome our Summer Members! We hope you enjoy your golf experiences here and thank you for choosing Waterlefe. I would like to recognize Chris Noll has his staff for providing great playing conditions. We need to do our part by filling in divots and repairing ball marks on the greens. Just a little effort keeps our course in great shape as we head into the summer season. The new practice chipping green has been great. After your practice, please round up the balls and return them to basket for the next player.

Have a great summer!!

Thanks for all your support.
Mark Trotter

WATERLEFE YOUTH GOLF PROGRAM

Your donation of unwanted clubs and bags netted our program over \$800! In addition, several of you brought in those "lost golf balls" and those netted over \$200. Thanks for your support!

We will be out at the Boys and Girls Club of Manatee County to conduct our "Taste of Golf" over the 2-3 weeks before school ends for the season. This is our way of introducing golf to as many kids as we can.

Lessons continue 4 out 5 weeks over the summer, watch for us at the club!
