# Dear Residents and Friends,

As human as I am, I do need to apologize to Luis & Astrid owners of The Signature Look, LLC - I did not give them proper credit for the beautiful photo of Codi Noll our December Resident Spotlight. Thank you both for your beautiful photos!

2018 has arrived! And so has the first issue of Fairways and Waterways, our Yearbook Edition: Looking Back at 2017! I have a collage of fun in photos throughout the publication and this is definitely not our typical production. With all the looking forward to the future the New Year brings, I thought it might be fun to do just the opposite. I am the champion of "don't look back - always move forward," but this has been such an amazing year for Fairways & Waterways that I wanted to take a look back to review all of the wonderful, diverse, talented and very special people in Waterlefe.

Hopefully, you'll recognize your neighbor's yard, furry friend, a few of the families that have been featured on the cover or inside the magazine. You might even see yourself in pictures at one of our awesome events last year! This would be a small and boring publication without your involvement -- for that, I thank you!

I hope that I've help you learn some new things about your neighbors because that's what we're all about! We are looking forward to getting to know more of you in the upcoming year. Getting involved

is fun, free and super easy. After all, it's the residents of Waterlefe who are the authors and contributors of this publication.

As we reflect back on this past year of publishing this newsletter, I am thankful for the opportunity to be a part of this amazing community! Thank you for allowing me into your lives, for sharing your stories and photos and for giving us the privilege to enhance the experiences that make your neighborhood truly a "community." Please remember that this is Your community publication and if you have any ideas, articles or photos that you would like to share with me, I'm just an email or phone call away.

Thank you again to each one of you for your continued support. We have an incredible 2018 ahead of us. I wish each and every one of you a very Happy New Year full of blessings, family, friends and good health!

Stay safe, be well, enjoy!

Tomorrow is based on what you do today.

No matter what happens in your future, you need to be ready for it. You need to set goals for it, save for it and invest carefully. You need to make fiscal responsibility a personal value. Most of all, you need a strategy.

As your Financial Advisor, I'll work with you to create a strategy—one based on the realities of both your life and the financial world. Meet with me, and let's get your future started.
