2015 Ashland Golf Club

Membership Promotion

-Recruit for Your Club-

How it works:

The 2015 membership promotion encourages our current members to recruit new members to Ashland Golf Club. As a result of successfully recruiting a new member to the club, both the current member and the new member will receive a discounted membership rate.

<u>Membership Type Recruited</u>	<u>Reward for Recruitment</u>	<u>Tenure</u>
Family Membership	\$150 statement credit	2 years
Single Membership	\$100 statement credit	2 years
Social Membership	\$50 statement credit	1 year

For example, John Smith recruits his friend Brad Williams to become a single member at Ashland Golf Club. When Brad signs up as a member, both John and Brad will receive a \$100 credit to their membership account in 2015. Another \$100 credit will appear again in 2016, yielding a \$200 savings for each member.

Note: The specified credit/discount will not appear in 2016 if the new member or the original member leaves the club. The discount will come in form the form of a statement credit to the member account.

Please feel free to contact me with any questions you have regarding the 2015 “Recruit for Your Club” Promotion. We are looking forward to an amazing season at Ashland Golf Club.
