

**2019 Oneka Ridge  
Advanced Winter Junior Golf Academy**

The Advanced Junior Golf Academy is designed for the junior (ages 7 -17) that have golf experience and would like to experience a more in-depth lesson. In these sessions the students will spend a lot of time focusing on their golf swing, short game and playing on our brand new full swing golf simulators. We have 4 practice settings available to us (Driving Range, Practice Session, Scoring Zone and Short game) plus Showdown Golf which has 20 arcade style games (Examples include breaking glass, kicking field goals, target practice, straight drives etc...). These games are all scored by the most points which will be fun for kids of all ages. We will use extensive video analysis as well as the use of data points on our software for a comprehensive analysis. We will be working with each of our student's swing with drills assigned to improve their individual swing. All groups will be limited to no more than three children per instructor per booth. Lesson fee is \$250.00 for the five days. Oneka Ridge will provide golf clubs for children that do not have them. If you have questions, please contact the Pro Shop at 651-429-2390.

Here is a breakdown on what will happen during the lessons. For the first 30 minutes we will work on the kids swings, grip and stance. The last hour we will play on a simulated golf course or on Showdown Golf.
