

Welcome to the 2019 Golf Season!

Oneka Ridge Junior programs have had a complete overhaul! I am writing to inform you of our exciting upcoming Junior Golf Programs at Oneka Ridge Golf Course. The purpose of sending this letter and attached registration forms is to give your child a low cost summer activity option.

The Concept & Function of our Program

The primary goal of the Oneka Ridge Junior Golf Program is to develop lifelong golfers. A well-rounded program will be accomplished by offering instruction, golf activities, details on the history of golf, and observance of rules and etiquette. This program ensures that all participants are taught golf in a manner that promotes enjoyment, while at the same time hitting home the essential link between golf and interpersonal skills. Helping junior golfers play golf to the best of their ability, and to contribute to the personal growth of each junior by positive social and character values is our top junior golf priority.
