

**2019**  
**Oneka Ridge**  
**PRE-JUNIOR Golf Lessons**

The Pre-Junior Golf Lesson Program is designed for children (ages 7 -10) that want to learn how to play or improve their game. We will be teaching basic swing mechanics as it relates to putting, chipping, irons and woods. We also cover etiquette, rules and equipment.

**NEW THIS YEAR: Registration is open to 18 students per session. Students will be grouped by ability level and then assigned an instructor. (Saturday sessions and evening sessions are limited to 8 registrants.)**

The fee for **one** or **two** sessions of four lessons is \$75.00 each session. Sign up for any **3 sessions** for only \$70 each (\$210) or sign up for **4 or more sessions** for \$65 each (\$260). The more the student swings under our guidance the better they get! Lesson fee is per child (no multiple child discounts). If a student (parent) chooses to miss a lesson there are no make-ups or refunds. Golf clubs will be provided for children that do not have them. The last day of the session the lesson is on the course. Lessons are 60 minutes in length.
