## Oneka Ridge Golf Course

### Advanced Tiny Tot Golf Academy

The advanced Tiny Tot golf program has been designed for children ages 4-6 years that have experienced golf and would like a more personal small group setting. In these sessions the student will spend all of their time on the course with the instructor covering all aspects of the game in a more comprehensive manner. All classes will be limited to no more than three children per instructor. The lead instructor Tim Wilhelmson is a PGA Professional, and has extensive experience with children. Each session will end with a treat. Lesson fee is \$130.00 for the five days. Oneka Ridge will provide golf clubs for children that do not have them. If you have questions, please contact the Pro Shop at 651-429-2390 or Tim at 651-324-2161. ATTN: We are offering sessions in every month!
