

February 5, 2019

To Oneka Ridge Men's Club Members:

The Men's Club Committee consists of Harley Ogata (chair), Craig Wahlstrand, Jeff St. Cyr, Ken Stemig, Kevin Peterson and Tim Wilhelmson. The Committee met over the winter and reviewed the surveys and made a few changes for the upcoming year. First, the surveys were very positive, so drastic changes were not made to the structure of the league. We did make some changes to the schedule which we think are very positive! We made a couple of other minor changes that we will discuss at the spring meeting.

Spring Meeting? We will hold our annual spring meeting on March 23rd at 10 am at Oneka. We will have food, contests on the simulators and sign ups for match play, hole in one etc. We have a lot of things to go over, including the new schedule, new rules, new ways to address slow play, etc. This year, we want to seriously deal with the slow play issue, so we will discuss these initiatives at the meeting.

Finally, we still have room to grow as a club. Last year, we had a slight drop in membership and we could use a boost in membership this year. So, we are going to continue the big prize for those who recruit new members (including old members who have dropped out). For each new member you recruit, your name will be added to a drawing to be held on the opening day event (April 13th). Just be sure to have the member state on his membership form that he was recruited by you. Enter as many times as you can recruit a new member. Big prize will be a \$500 Callaway gift card, redeemable at the club!

Hope to see you at the meeting on March 23rd.

Harley Ogata, Chair

Craig Wahlstrand
