

The Baseline Newsletter

January 2017

Hard to believe, but I'm halfway through my year as Club President. With the New Year comes the club survey and the opportunity to hear about what you all think we're doing well and areas that we need to improve. I appreciate the time that the members who responded took to provide feedback and I thought I'd take some time this month to write about the issues raised most frequently in the survey responses.

Governance

Clubhouse. Of people who responded, over 98% supported the Board's initiative to develop a long term clubhouse plan. I'd say that's fairly conclusive and we will continue to work on the plan. My goal is to have a proposal to put in front of the membership by this year's annual meeting. By proposal, I mean a concept for a direction to go with the clubhouse plan that will include a rough design concept, budget, and schedule. As I've said and written often, this will only be the first step in what will certainly be a long process.

Equity Membership Structure. This is a difficult issue because it involves dues and court availability, which are perhaps the two most important issues to everyone in the Club. An Equity Single member may have three dependent children who all play tennis, and so that membership has four people who can reserve courts per week. An Equity Family membership may only consist of two adults, and so that membership can only reserve two courts per week. So, it's not as simple as reducing the dues for or increasing the reserved courts available to Equity Single members as the issue centers on the number of people who can reserve courts for each Equity membership. I plan to have a proposal to address this matter for review by the general membership at this year's annual meeting.

PRESIDENT'S MESSAGE CONT.

Tennis

Junior Program. This is a very good example of something that creates strong feelings on both sides. Some members feel underserved by the resources allocated to the junior program while other club members believe too many resources, court time in particular, are allocated to the junior program. Although three or four comments were very critical of the new direction the junior program has taken, other comments were positive and the overall enrollment and member participation in the program have increased since we made the change. None of the information I've reviewed or comments I've read have convinced me that we need to change the current structure. This is not to say I'm closed to future changes or that I'm not willing to take in any new input. I'd strongly encourage anyone who'd like to see changes in the program to e-mail me. I've taken the time to respond to everyone who's contacted me about Club matters in the past and I will continue to do so going forward.

Court cleanliness. A number of members are clearly not satisfied with the court cleanliness. Based on this feedback, Julie has scheduled additional court cleaning days starting in January.

Pros teaching non-members. A few people raised concerns about the pros teaching non-members. Although this is a concern, we have seen an increased number of those who receive lessons becoming equity members. I will review this matter with Julie and determine the extent of this and whether or not it requires any corrective action.

Services

Food Service, Pro Shop, and Fitness. These have all been issues for years. All three really boil down to the size of the membership and what we can realistically support without having to resort to subsidizing these programs in one way or another. We have tried a number of different solutions in all three areas (increased food service hours, larger Pro Shop inventory, increased variety of fitness classes, etc.) but none of these initiatives seem to generate enough member support to remain sustainable. We will continue to try new ideas to increase the quality of these services.

Front Desk Staff: A 2016 national survey of similarly sized clubs listed the high turnover rate of entry level (including front desk) staff as a persistent issue, and it appears to be true for us as well. We will continue to do everything we can to bring new staff members up to speed on Club policies and procedures. If you have ongoing issues with a particular staff member, please let Julie know.

President
Matt Osborne

As always, people are welcome to contact me via e-mail (matt_osborne@hotmail.com) with any Club related issues. See you at the Club, Matt

MANAGER'S MISCELLANY

2017 – it is really here!

December was busy for us so I imagine you were busy too. Hard to believe we are jumping into a new year already and I have to admit, there are no signs of slowing down.

We start the month off with our Cup Tennis charity kickoff on January 4, followed by a Karaoke Mix Up on Friday, January 13. We host our 40th annual Senior Northwest Washington Invitational January 19-22. If you want to catch some great tennis – and watch a few of our own members play – come out and watch! After that, you will be itching to sign up for the Bellevue Club/Central Park Tournament that will take place February 9-19.

We have a ton of USTA teams this year, 15 - 40+ teams with matches starting up January 6. We are in the process of accepting team rosters for the weekend and weekday 18+ teams, as well as the Adult 65+ teams. These are all due within the first week or two of February with match play starting in March. For those that want to play, playing or captaining, please read the simple reminders below and help make this a smooth year for all!

USTA Team reminders:

- If you are interested in playing, there is a signup sheet at the front desk that we can help notify captains you are interested. Captains, if you need help finding players of a certain level and/or age, contact membership@centralparktennisclub.com. On our website is contact information for captains. Right now we only have 40+ posted as we are collecting interest for the other upcoming sessions.
- Teams must submit rosters for team practices and matches. You can email these to the frontdesk@centralparktennisclub.com
- Any changes or requests to change court times or dates must go through me rather than the front desk. Please contact me at juliew@centralparktennisclub.com. Adult 40+, your deadline for changes is Friday, January 13. If you are looking to make a change, please give me some open dates for your team, as well as the opposing team. It makes it easier to narrow down options.
- If your match is running over, please talk to the team following you or the person that has the court after you. It is not up to the front desk to ask them if they can wait or move courts – this is part of being a captain.
- Socializing following a home match is encouraged, but please communicate with the front desk if your matches have run late, clean up after yourself and do not leave any food or drink in the available refrigerators.
- We love hearing about the teams and exciting news. Please share on our Facebook page or email marketing@centralparktennisclub.com so we can share with everybody.

Here is to a successful and tennis filled 2017!

Julie Wheadon ~ Club Manager

GAMETIME REMINDERS & NEW ONLINE SIGN-UPS

Part 1 - Waitlist

Reminder on how the Waitlist works:

1. You can only go on the waitlist for a time that all the courts are booked.
2. This can be done by a front desk employee or you can do it yourself by logging into your GameTime account.
3. When adding yourself (or having the front desk add you) make sure that you select a time expiration – example: 1 hour before court time or 24 hours if you need to know; this is helpful if there is a certain time you need to know by since you wouldn't be able to make it last minute.
4. Once a court opens up, first person on the list gets the court and will receive an email notification – we do not call.
5. Once you receive a waitlist court, your name is removed from all other waitlist times.

Waitlist courts are subject to the 4 hour cancellation policy and the No Show policy, same as reserved courts.

Please make sure you have an updated email listed in GameTime as that is where your court notification email will be sent.

Part 2 – New online sign-ups for programs

Starting January 2017, we will start implementing online sign-ups for our weekly tennis programs. This January, we will start with Saturday Call In. You will still be able to call the front desk to sign up or you can log into GameTime and sign yourself up. Below is a step-by-step on how to sign yourself up and how to cancel yourself from an event:

To sign up

Click on “Classes/Events” in the upper left section of your Dashboard

Click on “Upcoming” on event

Spot is held for 5 minutes

1 spot is allowed for each member – then click “Upcoming”

Select # of guest(s) if relevant and add name(s)

Select correct billing option – “to be paid by” if paying cash day of or “bill each participant” in order to bill account

To cancel

Click on “Classes/Events” in the upper left section of your Dashboard

Find correct class date and then click on “Spots”

Under “Action,” select the red “X” to cancel

Can add reason for cancellation if needed – great for any late cancels

First Saturday Call In for online sign-ups will be Saturday, January 7 – sign-ups will open at 7:00am on Wednesday, January 4.

Feel free to call the front desk with any questions; they are ready to help walk you through it! Questions can also be emailed to billing@centralparktennisclub.com.

Important Note: GameTime has a mobile online option to better fit your phone screen:

CUPS | CHAIR CHRISTINE GARNETT - SUBMITTED BY MARILYN PEDERSEN

Central Park Tennis Club CUPS teams continue to dominate the top tier among the local area competitors. Feedback gathered through the first half of the season indicates that our teams are having a lot of fun along the way!

Excitement is building for our luncheon fundraiser on **January 4, 2017**. Each CUPS team is contributing themed gift baskets (see below for photos of a few of the baskets) for raffle at the luncheon. Members who donate \$25.00 will receive a raffle ticket for each \$25.00 donation. Signups for the event are almost at capacity and a waitlist has been started to ensure full attendance. **Listen and Talk** will be the beneficiary of our fundraising efforts. **Listen and Talk** teaches children with hearing loss how to communicate effectively in the hearing world with an emphasis on early intervention and support. Our goal is to raise **\$2,500**. All CPT Club members are encouraged to donate and raise our “thermometer” to burst!

Our next meeting is Monday, January 9, 2017. @ 1:00pm.

COMMITTEE REPORTS

FINANCE | CHAIR MARTY MCCURRY

November's financial results were excellent. Net Ordinary Income (before Depreciation, and Interest) for the month was \$57,423 and year-to-date \$504,778; budget for the month was \$46,236 and year-to-date budget \$331,850, yielding a surplus for the month of \$11,188 and large year to date surplus of \$172,928. The strong surplus enabled the club to pay down long term debt by \$203,000 over the year.

The Club's financial position remains sound with Total Cash of \$396,908, and an excellent current ratio of over 4.7 to 1. The Board approved the budget as presented by management for next year.

Central Park Tennis Club continues to be fully subscribed with 500 members, and with a wait list to join of 23. Again, due to the strong demand, the Equity Member Initiation Fee remains at \$6,000.

The finance committee met via phone and email in December, and the next committee meeting is scheduled for Wednesday January 18th at 5:45pm.

TENNIS | NANCY GOLDBERG

Happy New Year!

The Tennis Committee met in early December and addressed a couple of requests to add non-members to Central Park USTA 40+ teams whose season begins very soon. We approved the addition of up to four non-members to a Women's 4.5 team (provided at least one was rated 5.0). We also approved the addition of up to 4 non-members to a Men's 3.0 team; however that team subsequently wasn't able to recruit enough CPTC players to make a viable team this season.

Also – a reminder about our NO SHOW policy – the Board approved a stricter monetary penalty for members who have a court time (either reserved or walk-on) and then fail to show up for their court. The penalty will be assessed in \$25 increments with each subsequent violation. Remember to call or go online to cancel your court within the four-hour window so you aren't a NO SHOW.

PRO'S COURT

Happy New Year everyone! It's that time of year when you should reflect on the previous year, appreciate your accomplishments and make New Year resolutions. It's when families come together to celebrate everything they love.

I love tennis... It's everything I live for and it has become my life! I am shocked when I hear there are some people who don't like it as much as I do. My Stepdad at Christmas dinner says, "playing tennis is a big waste of time! You should be doing something productive like chopping wood, or fixing the roof!" I slammed my fork down, raised my voice and said "What?!? Tennis is the ultimate sport. It has everything! It's physical, mental, emotional! It takes hard work, dedication, determination! To be good at it, is very satisfying! You not only have to be a good athlete, but a good person. Good character, good morals. Everything! You can make millions of dollars playing it, or you can pass your knowledge on to help others.. The tennis community is full of great people that become your friends for life! There's no better sport in the world! You need to get out and just try it! How can you say that when you haven't even tried it?" My voice getting louder and louder.. My face turning red. I felt he had offended my own child. And he says, "Ah, this is what Christmas is all about... arguing with family." He was just pushing my buttons to spark conversation, and it was great! He made me realize how much I love tennis, and how lucky I am to be able to play it almost everyday. And to have family to laugh and argue with.

I hope in this New Year you're able to get out there and play lots of tennis. Keep pushing yourself to improve each time.. It's good for the soul! It makes you feel human, and there's no better way to enjoy time with friends and family.

See you on the courts,

Phil Ansdell

FITNESS COURT

ON YOUR MARK, GET SET, GOAL!

Whether it's losing weight, making healthier choices, moving more, spending less...a goal has to start with specifics.

What is the goal? Be specific, saying "I want to lose weight", "I need to eat better", "I want to improve my on-court performance"...these are not goals, they are just statements. "

"I am going to lose 5 lbs by March 1, 2017" Is a specific goal. Now, how do we make that happen? We set a plan in motion. On T/TH at 9 am "I am going to take a spin class", "MWS at 3 pm, I am going to go for a 3 mile walk, rain or shine".

We have written down action steps as part of our plan, we are not going to leave our success to chance. We should make a backup for when life happens. For example, what to we do when we can't make our spin class or take our walk?

For a weight loss goal we need to add in the nutrition component because exercise alone won't get us there. What are we going to eat, take along for snacks...Add in those back up plans for this too,

We can weigh ourselves and take measurements so we have a starting point.

OK, we know what our goal is and our timeframe. We know what we are going to do, the foods we are going to eat and the ones we want to limit.

Now comes the work, and making adjustments along the way, if needed.

Cups Charity Social

The Cups Committee decided to enhance their January social gathering by selecting a charitable agency to assist after the holiday season. Members were each invited to present an organization for fundraising consideration at the November meeting. Amy Cooley suggested an organization close to her heart. As some of you may know, eleven years ago, Amy & Aaron Cooley's daughter, Caroline, was born with severe hearing loss. You can imagine the gambit of emotions and thoughts that spun in their heads and gripped their hearts as that reality sunk in. Fortunately, the Cooley's found Listen and Talk. Today, thanks to the help and guidance of Listen and Talk, Caroline is unstoppable! She is thriving in public school, is top in her class and loves playing select basketball!

Listen and Talk is an incredible organization dedicated to improving the lives of children with severe hearing loss. They seek to teach and empower children with hearing loss to fully participate in a hearing world. They also support the families of their students as they navigate this journey together.

Our goal is to raise as much money as possible and have set \$2,500 as our initial amount we hope to raise. So, please tell others (your USTA team members, social tennis partners, friends, even family) about the fundraiser and encourage them to donate \$25 (or more!) and be entered to win a raffle prize. For every \$25 donated, you will receive a raffle ticket towards 11 incredible gift baskets! Some of the gift basket themes include: SEAHAWKS, Spa, Wine, and Martinis. Drawing for raffle prizes will be held on January 4 and winners will be notified.

Senior Northwest Washington Tournament

Senior Northwest Washington Tournament is a Level 1 adult event for those over 35 years old. This will be our 40th year hosting the senior tournament. There are 3 age groups – 35, 45 and 55 for Men's and Women's Singles and Doubles. Most of these players are 4.5 level and above. We usually have some members that participate in this – come out and catch the fun January 19-22. Draws will be available on line after January 10 at <http://tennislink.usta.com/tournaments> ID: 600410117. Lisa Moldrem will be the tournament director for this event - courts will be limited throughout the weekend.

HOLIDAY TRADITIONS

It started in about the mid 1970's (either 1975 or 1976). The original four members were Max Johnson, Cliff Eckman, Bruce Alsip and Bob Taylor. They evidently could not agree on a good weekday time and so decided to go for 7:00 am on Saturday. Court times were available and they would not embarrass themselves too much with minimal people around. As time went on, substitutes were asked to join permanently. Don Kaastrup became number 5 and Bob Norman became number 6. They used to celebrate their friendship with a Christmas dinner every year. It started at people's homes and soon spread to the Broadmoor Country Club, thanks to Max and Maggie Johnson.

As time went on, the "Saturday Morning Group" became a popular item. Substitutes were asking if they could get on permanently. In time, several more foursomes joined. We actually used four courts on many Saturday mornings in Building One. Some of the early players in the "new" foursomes were Jim Mock, Jack Nichols, Orley Solomon, Chuck Webb, Jon Nordby, Rick Ostrander, Jerry Mathews, John Davis, Wes Williams, Dan Brzusek, Dick Tschetter, Skip Beckman, Doug Cameron and myself, Bruce Winter. Others (in no particular order) included Ken Greenbaum, Gary Lange, Tad Rolfe, Ed Ries, Gary Severson, Jack Grady, Brad Thompson, Roger Perrin, Bruce Koppe and Tom Sehrer, Steve Camp, Curt Ghan and Chuck Vona. I apologize for anyone I missed.

Today, Bob Norman and Jim Mock are the oldest "surviving members" of the original group. We usually have four members in the Fall and Winter. The Spring and Summer will usually see six to eight players. Regardless, we always follow up Saturday tennis with doughnuts and coffee. And, once each year at Christmas, we have an alumni party with doughnuts and beverages. It's been fun.

Bruce Winter

GIVING TREE

Thank you, Central Park members for your incredible generosity with our Friends of Youth Giving Tree. This year we adopted Friends of Youth as the beneficiary of our annual Giving Tree. Friends of Youth is an excellent non-profit that provides services to at-risk youth and homeless young people, primarily in east King County. They provide shelter, outreach, drop-in, case management, housing, education, employment and behavioral health support to youth in our community.

GIVING TREE CONT.

Days before Christmas, Laurie and a team of wonderful CPTC members and staff volunteered to drop off, sort, and properly tag items for Friends of Youth. They hand delivered the gifts and stayed behind to make sure the Friends of Youth service center was cleaned up, organized and ready to close for the 2016 Christmas Season. Volunteers included: Laurie Uhrich and her daughter Kaitlyn, Julie Wheadon, Laura Lund, Chairuna Antono, Paul Mathew, Preston Ballou, Lisa Moldrem, Connie Ballou, Elizabeth Owen and Eloise Graves.

HOPELINK FOOD DRIVE RESULTS

At the beginning of December, we dropped off over 380 pounds of food and \$160 in cash donations to HopeLink. HopeLink is an incredible nonprofit that serves more than 64,000 homeless and low income families, children, seniors and people with disabilities in North & East King County. Their theory of change is that without the stresses of homelessness and hunger, family members are more able to focus on the next phase of their journey out of poverty.

Thank you Central Park Tennis Club members for your continued support to change the lives of those less fortunate within our community. This year's food drive was a success and we look forward to exceeding these numbers next year!

LEVEL 4 GIRLS TOURNAMENT

This last month, Central Park Tennis Club hosted the 2016 Level 4 Winter Girls Tournament. For 3 days roughly 100 girls from all across the Pacific Northwest between the ages of 12-18, competed for the win and advancement of their sectional and national rankings. The tournament featured both doubles and singles events.

This Level 4 Tournament was one of 4 that takes place annually for each age group and gender in the Pacific Northwest. Usually, but not always, Level 4 Tournaments are reserved for the top 32 ranked players in each age division and gender. In addition to ranking, players must also be a USTA PNW member and have residency within the PNW section.

Below are the results from December's Level 4 Girls Tournament.

Names in orange are CPTC members! Way to go Juniors we are so proud of your endless hard work and dedication to the sport. You all should be very proud of yourselves!
