About the Boys & Girls Clubs of Tampa Bay

Since 1926, the Boys & Girls Clubs of Tampa Bay has been in the forefront of youth development in the Tampa Bay area. We have worked to enrich the lives of young people and provide a safe haven in which they can learn and grow. We are dedicated to ensuring that our community's disadvantaged and underserved youth have a tangible measure of hope and greater access to quality programs and services that will enhance their lives and shape their futures.

The Boys & Girls Clubs of Tampa Bay offers youth surrounded by negative influences positive alternatives and access to dedicated, trained, professionals who can guide them toward healthy lifestyles and positive life-changing goals. Our Clubs are dedicated to youth and are open daily, both after-school and during the summer.

The Boys & Girls Clubs of Tampa Bay provides support that is significant and distinguishable from what youth receive elsewhere. The following attributes make the Boys & Girls Clubs of Tampa Bay unique:

- ✓ More than 15,000 youth served in Hillsborough and Pasco County
- ✓ One facility dedicated solely to teens and multiple sites with teen centers
- ✓ School-based sites with Boys & Girls Clubs programming managed by trained staff
- ✓ YES (Youth Employment Services) Academy that focuses on career exploration and hands-on training.

Your Swing Has Never Been More Important

This event seeks your involvement so that funds generated can provide:

1. Equipment and instruction in Technology Centers for our young people to perform research and gain assistance with school projects and homework
2. Scholarships to cover the cost involved in having additional young people enrolled in our Clubs.
3. Sports, Health and Fitness activities that encourage teamwork, responsibility and healthy attitudes. National Statistics support the fact that youth involved in sports are far less likely to get involved with drugs, drop out of school, become pregnant or get into trouble with the law.
4. Focused, age-appropriate programs in the areas of:

**Academic Success
Healthy Lifestyles
Character and Leadership**
