

Joint Communications Support Element Veterans Association

P.O. Box 6032
MacDill Air Force Base, Florida 33608-0032

February 26, 2017

The Joint Communications Support Element (JCSE), stationed at MacDill Air Force Base, is the premiere tactical communications organization in the Department of Defense. Comprised of approximately 900 service members of the four services, they provide quick response tactical communications around the world. The Joint Communications Support Element Veterans Association (JCSE-VA), a 501(C) (19) non-profit organization) is comprised of past and present members of JCSE and provides non-mission support to the element. This includes health, welfare, moral, financial assistance, and the signature program – The Dollars for Scholars Scholarship program.

To fund the scholarship program, we placed the Golf Scramble on the calendar as a charitable event with all proceeds going to support the JCSE Veterans Association Dollars for Scholars Scholarship Program. Since 2008 we have awarded \$45,000 to members and family members of the Veterans Association for continuing education.

We have teamed with the Eagles Golf Club in Odessa for the 2017 Golf Scramble to be held on May 4, 2017. We are soliciting sponsors for Team Awards, Most Accurate Drive, Closest to the Pin, Putting, Tees and Greens, lunch, and a continental breakfast. Donations in the form of Gift Cards, golf materials and equipment will be part of a raffle and/or prizes; a cash donation which will defray the cost of prizes or events associated with the tournament; and sponsoring a golf foursome that will be made up of active duty members of JCSE are welcomed. The proceeds from the Dollars for Scholars Golf Tournament will be used to support the unselfish dedication of more than 900 active duty members of the Joint Communications Support Element, the 224th Joint Communications Support Squadron, Georgia Air National Guard, the 290th Joint Communications Support Squadron, Florida Air National Guard and the Army Reserve Element – Joint Communications Support Element through the award of scholarships to members and family members.

On behalf of the Joint Communications Support Element Veterans Association Board of Directors and the active duty Joint Communications Support Element, thank you in advance for considering this request. Please know that any donation is greatly appreciated and that 100% of all donations are applied directly to the Scholarship program. I sincerely urge you to join with us as we demonstrate our support and appreciation to the men and women currently serving our country at home and abroad.

If you have questions or would like additional information, please contact me direct at (813) 920-6105 or the Association at (813) 931-1057. I look forward to you being a part of this year's event.

Sincerely,

Dave Jones
