About Leadership Hillsborough

Leadership Hillsborough equips the leaders of tomorrow by introducing its participants to the various interests that make Hillsborough County unique. Class members attend specialized seminars and training sessions to assist them in developing their leadership skills. The ten-month program runs from September through June and covers educational seminars such as Social Services, Communication, Arts & Culture, Government, Education and Health. All of these experiences offer invaluable opportunities for members to meet community leaders and get a behind-the-scenes look at the heartbeat of Hillsborough County.

Leadership Hillsborough is a non-profit organization governed by a volunteer Board of Directors. It was founded in 1989 to promote strategic alliances and enhance communication by unifying all sectors of Hillsborough County through encouraging interaction among business, professional and community-oriented individuals.
