The Mayberry Founders Day Party is coming up fast. That's right all of your friends from "The Andy Griffith Show" will be on hand to celebrate "Founders Day." Aunt Bee, Otis Campbell, Thelma Lou, Gomer Pyle and that mean old Mr. Ben Weaver will be there. Andy is going to be over in Mt. Pilot so Barney Fife will be on patrol. Feel free to dress as any character or from that time period during "The Andy Griffith Show". There will be a prize for the best costume and you might get to audition for the "Founders Day Parade" and you never know there might even be a "murder!" Yes Murder! So be prepared you might have to solve a "MURDER!" If you aren't sure about things we might suggest watching a few of the old episodes of "The Andy Griffith Show." They are always on TV somewhere and you can also catch some on youtube or hulu.
