Murder on the Grill

Kansas City, Missouri, 1959

Hey Guys & Dolls

You are invited to a backyard cookout and rock 'n' roll party. We'll be jiving to the Top 40 Hits of 1959 while the chicken is grillin' on the barbecue. This is a reunion of a group from the 50's and was the birth of backyard cookouts.

Honest Tom, master of the charcoal grill, has invited his friends and neighbors over for a barbecue and rock 'n' roll party. A sudden thunderstorm sends his guests rushing into the house while Tom stays behind to finish cooking the chicken. When the squall ends a short time later, Tom's guests return outdoors to find his lifeless body lying beside the barbecue and the chicken burning to a crisp. It is a case of cold-blooded murder over a hot grill and you may be a suspect.
