PROJECT WORLD HEALTH

University of South Florida's Project World Health would like to invite you and your family & friends to join us at our Annual Golf Tournament Saturday, December 2nd, 2017 at the Eagles Golf Club Lakes Course in Odessa, FL.

Project World Health is a student-run organization at USF College of Medicine that conducts a medical mission trip to the Dominican Republic every year, providing medical services to the underserved population in the region of Jarabacoa. We rely on contributions from the community for medications and supplies to use during clinics and for funds to send volunteers --including physicians, nurses, pharmacists, dentists, and medical students -- on the trip.

Participation as a golfer or sponsor will provide an opportunity to interact with healthcare professionals in the area, USF Health students, and current members of the Project World Health organization.

If you are not able to play, we encourage you to attend the lunch and 'Drawing of Chance' that afternoon at the Eagles Golf Club and support Project World Health!

We look forward to seeing you!
