How do we give back?

Sydney Has a Sister is a 501(c)(3) non-profit organization that supports families impacted by autism. Over the last 4 years, our organization has provided over \$60,000 in scholarship money to college bound students who have a sibling diagnosed with autism. Our applicants and honorees are attending prestigious universities such as Duke, Baylor, UCLA, Southern California, University of Florida, Virginia Tech, Manhattan College, University of Central Florida, University of Miami and Rutgers. We are grateful to our donors for their generosity and participation in our events; your participation and involvement is what makes our plight possible. 100% of proceeds are donated to families and organizations supporting those impacted by autism.

Welcome to the Eagles

The Eagles Golf Club boasts a long, proud tradition as the standard of excellence for public access golf in the Tampa market. Located in the prestigious Eagles community, the club offers two distinctly different 18 hole challenges on the Lakes and Forest courses. Our partnership with Down to Earth, Inc. for golf course maintenance, assures that the golf courses are maintained in picture perfect condition. This partnership is "Passionately Driven" to provide a memorable experience every time you play.
