THE MARYLAND STATE GOLF ASSOCIATION

presents its

2012 Golf Passport Program

Your Passport to the Best Courses in Maryland, Delaware & Metro D.C.

NEW! MSGA eClub Membership

Add USGA Handicap Service & Tournament Eligibility to Your Passport Service

New for the 2012 Golf Passport program is the option to add USGA Handicap service and tournament eligibility, through the MSGA eClub. If you do not already have this service through a MSGA "green grass" club, you can now add it to your Golf Passport membership for a modest fee of \$35. Couples and students receive an additional discount.

The USGA Handicap service is administered through the MSGA, and eClub members may post their scores online or at MSGA clubs. Members receive bimonthly updates of their handicap via email, and the service is officially sanctioned by the USGA.

Tournament eligibility applies to all MSGA events, including championships and the new "play days" being introduced in 2012. The "play days" will feature golf at top clubs around Maryland for a very reasonable entry fee. In addition to the Golf Passport, the "play days" are a great way to play new courses and make new friends.

To sign up for these new services, just register in the appropriate "member" category for each level (designated by the * on the entry form, or online at www.msga.org).
