March has flown by and April already has a head start on us! There has been so much going on at the club, our newsletter is a little behind schedule. So, we'll just stick to the most pertinent information here to keep everyone up to date and in the know!

I could not go forward without first recognizing all the time and effort that was put into some terrific club events this past month. From the 9 and Dine, Endless Summer Dinner Dance and Club Championship through the North/South and Women's Member Guest; a whole lot of members and staff worked very hard to create these truly fantastic events. Thank you everyone for your care, attention and participation! It takes a club!

Moving into April we are very excited about the WGA Charity Tournament on Tuesday April 18th and the Men's Member-Member April 20th thru the 22nd. Participation is up and the weather should be perfect. If you have a regularly scheduled tee time any of these days, be sure to double check with the golf shop for alternate playing opportunities. Again, thank you for your patience

and participation.

Our Golf School that launched in March was a great success and we are already into our second month of class. Our objective is to create new potential members by providing an opportunity to learn, improve and have some fun. If you have a friend or neighbor that has been talking about a golf membership but doesn't feel like their game is ready for the commitment, please tell them about the school or have them contact the golf shop.

Callaway Golf will be here on Monday April 24th for you to get fit with their latest technology or just test drive the new lineup of equipment. Callaway has been topping the charts with their 2017 innovations-come check it out for yourself. If you would like to be professionally fit, please call the golf shop and schedule an appointment. The Callaway representatives will be available from 1pm to 3pm.

Join us Monday May 1st for a Scramble Fund Raiser for the First Tee. The First Tee is a youth development organization introducing the

game of golf and it's inherent values to young people through after school and in-school programs. The goal of this event is to raise funds needed to support the program here in Flagler County. Sponsorship opportunities and Tournament registration is available in our golf shop.

The Black Diamond Bus Trip still has seats available. Scheduled for Monday May 22nd (Grand Haven will be closed for aeration) this day trip is a great chance to play the spectacular Quarry Course. Make your own foursome or we will help pair you up - details can be found in the golf shop.

While the welcome rain we just received helped bring the water level up a little bit in all of our lakes and ponds - we just want to remind everyone to stay alert. Water snakes and moccasins love to make their homes among the rocks. At hole #8 in particular, please do not climb around or down the rocks! That old golf ball you lost just can't be as valuable as your safety!

WE NOW CARRY TIFOSI SUN GLASSES

“I had scheduled the verticut for mid-March, but the late cold snap caused us to postpone. We will also continue to be aggressive with the aerification and fertilizing of the heavily used tee tops. We have started to utilize a wider spacing of tee markers to see if it aids in recovery of those tee tops.”

Congratulations 2017 Club Champions

Joan Callahan
Don Dagnoli

Turf Talk By: TJ West, Superintendant

Many of you know that Brent Courtney, the Assistant Superintendent, had a medical episode on March 14th resulting in an accident on number 7. As I write this newsletter, Brent is at home continuing to recover from his injuries and is being evaluated by his doctors to find the cause of the issue. Thank you to all that have stopped maintenance staff members to ask about Brent and wish him well! With the injury to Brent, talking it over with both Andrea and Escalante corporate staff, and much thought, I decided that making the trip to the Shell Houston Open was not in my best interest or the best interest of Grand Haven. My decision was surprisingly easy given my love of the golf course and my profession! I appreciate the opportunity given to me by Escalante and I hope to possibly make a future trip!

March gave us our coldest temperatures of the Winter. The 16th and 17th both saw lows around 36 degrees. Those two days accounted for 2/3rds of our frost days this winter. Not too bad! The cold temperatures turned some turf off color (mostly the rough), however a quick recovery is expected! The

dry/windy weather pattern has continued and according to some forecasts...we will be dry for a while! In March we only received 1.3 inches of rainfall. Hopefully the Meteorologists are wrong and we start seeing some precipitation! With the wind and lack of rain, keeping the turf moist has been and will continue to be an issue. We are working hard to combat this and so far...we are ahead of the curve!

In April we will start becoming more aggressive with our cultural practices. On April 3rd we will perform a solid tine aerification the greens. No material will be pulled! The purpose is to relieve compaction and let air into the root zone. The common name for this practice is “venting” greens. The hole will be smaller than a pencil and will be rolled immediately after. There should be no disruption of play. On April 17th the first heavy verticut, for thatch and grain control, will be done to the greens followed by a light sand application. This will then be done on a biweekly basis until the fall. I had scheduled the verticut for mid-March, but the late cold snap caused us to postpone. We will also continue to be aggressive with the

aerification and fertilizing of the heavily used tee tops. We have started to utilize a wider spacing of tee markers to see if it aids in recovery of those tee tops.

Spring is here and we will be wrapping up our winter clearing. I am on the fence about how much we accomplished during the winter months. We were able to work on many areas that were not touched in the past. However, with some focus still being on Matthew cleanup and the surprisingly warm winter (causing more mowing), I do not believe we accomplished as much as we could have. Work will continue in these areas until sustained warm temperatures turn our focus to mowing, edging, and cultural/agronomic practices.

I would like to end by thanking Mr. Stansfield for donating a beautiful Norfolk Pine tree. We planted the tree in front of the restroom on number 3. With the loss of the Magnolias in that area, it was the perfect spot! I look forward to watching it grow for years to come!

I can be reached for questions or comments by e-mail...
twest@grandhavengc.com

From the Golf Shop By: Billy VanArsdale

If you have played two to three times a week over the last year please let me look over the condition of your grips. Not only do the new materials wear out quicker they also hold dirt and oil from our sandy ground conditions and our hands. Summer temps are right around the corner and all the sweat from your hands end up getting trapped in the grips. This leads to slick grips and your hands have to tighten up to pre-vent the club from slip-

ping during your swing. Any time your hands hold to tight you are costing your-self swing speed and the ability to release the club properly. Loss of distance and pushed shots just because of your equipment. If you play more than twice a week your clubs need to be re-gripped every year. Cleaning the grips is necessary every 3 -4 months. With the excep-tion of manufacturer styles our vendor offers one day delivery and in most cases I

will have the clubs re-gripped over-night and ready for use the next day! The next time you play, bring your clubs in for evaluation or call if you have club storage and I will be glad to take a look at them. If your clubs only need to be cleaned we will clean them for a charge of \$15.00. New grips range from \$7.00 to \$15.00 per club. Some specialty putter grips are slightly higher. Don't cost yourself strokes when it can be avoided!

Golf Shop Hours of Operation

Monday ~ Sunday
7:00 am ~ 5:00 pm

Tee Time reservations can be made by calling the Golf Shop 7 days a week.

Score posting after Golf Shop hours can be done from home using My GAF Golf Life.

Congratulations to the WPC Ladies for retaining the Cup!

Missing: Marion Hessert, Cindy Brogan and Beth Branick

Driving Range Hours of Operation

Monday and Wednesday
Front of Range 7am to 5pm
Back of Range 7am to 4pm

Thursdays
Front of Range 7am to 4pm
Back of Range 7am to 3pm
An early close is needed to accommodate a clean pick for mowing the following morning.

Fridays and Saturdays
Front of Range 7am to 5pm
Back of Range 7am to 4pm

Great Shots & Great Rounds

- If you played golf Friday March 10th when you got to the 14th hole the hole had a huge ball mark tear in the front of the cup. Rick Lafond flew the ball in to the cup on the Fly! Rick used an Attack Wedge for his 120 yard shot. His ace was witnessed by Richard Morse, Dennis Amone, and Len Graziano.
- Joan Callahan Eagled the par five 7th hole Friday March 10th. Joan's Eagle was witnessed by Sandy Pearson, Melody Kimmel, and Zita Corum.
- Dennis Emerick Eagled the par four 6th hole Sunday March 26th. Dennis' Eagle was witnessed by Dom Leveille, Jim Badour, and Larry Harbaugh.
- Bob Borer, 83 years old, bettered his age twice in the last month. Bob shot 79 in the first round of the Mens Club Championship and 80 in the MGA play last month.
- Linda Similo Eagled the 12th hole Wednesday April 5th holing out her second shot from the fairway. Linda's Eagle was witnessed by Jeanne Wronski, and Linda Kantakevicius.

Trial Member

Membership, Parties, & More By Jeri Harper, Director of Sales

Welcome to the club our newest Trial Member - Mr. Brandon Hussing! Trial Memberships are a great opportunity to experience the club without making a full commitment. For only \$1200, households can join the club with full golf benefits including unlimited green fees, unlimited range plan, 14 days advance booking of tee times, 20% off soft goods and 10% off hard good, guest privileges and so much more! The best benefit of the Trial Membership is being able to apply the \$1200 as a credit towards any initiation fees!! It's a great program to "Try it before you buy it!"

Our current conversion rate of Trial Members to a Golf Membership is 96% since 2014. We encourage anyone inquiring about membership, considering moving to the community, or just picking up the game to begin the Trial Membership in order to get acclimated to the club. These trial members have the opportunity to join 3 great leagues; WGA, MGA, and LGL, as well as fun golf groups with the greatest members!!

We also have 2 new Full Golf Members joining our roster, Mr. Alex Bollman and Dr. Tom Devers. Thank you to our great members for making them feel welcomed and at home at our club.

The second month of our Golf School beings in April. From that program alone we're anticipating 3 new members joining the club, if not more. The Golf School is an excellent way for beginners to be introduced to the game while becoming comfortable at the golf club. As a fairly new golfer myself, I understand the intimidation factor the moment you step onto a course. The program gets all those first time gitters out of the way. They are introduced to the game of golf through clinics and lessons, put on the actual course while being taught golf etiquette, and having fun with new friends on the same playing level. If you have someone in mind who would like to learn the game, have them contact the golf shop. They may just be our next Golf Member at the club!

The Hub of the Club By Sarah Wells

Communication is a key point at Grand Haven. We do our best to send out pertinent information in a timely fashion so that you can make your reservations ahead of time. If you want to stay informed we must have current phone numbers, email addresses, and mailing addresses. It has come to my attention that many email addresses ending in cfl.rr.com have been changed. That means

that most of our current members have new email addresses. I have heard from some of you but definitely not all of you. Please stop by my office or send me an email with your new account so I can update your information. This is very important since your email address is used to gain access to our Web site, your monthly statement and all the Eblasts that are sent out about upcoming events, etc.

From the Kitchen By Chef JP Roberts

Hello Grand Haven! We have had some truly great events this past month. Thank you to everyone for your support and patronage! And if you haven't been in lately, we have some new staff members that we are excited to have you meet. Kimberley is taking charge at the turn house Monday thru Friday, Axel is behind the bar serving up your favorite cocktails, David is our new server assistant, and Anthony has just joined us to provide

you excellent table side service. These new additions to our already incredible team has me excited every day not just to cook for you, but also to work alongside these wonderful ladies and gentlemen. Please introduce yourselves to our new team members when you stop by; it will help them learn your names and preferences. Behind the scene; the team in the kitchen has been knocking it out of the park as well. Kudos to everyone for your hard work

and dedication to creating great member experiences. As you should all know by now, if you ever have a suggestion, concern or disappointment; please be sure to speak with me personally. Your feedback is vital to our operation.

A little reminder for Chef - "A well rounded dish will always have something sweet, something acidic, and season well".

Grand Haven Men's Golf Association By: Mike Tebbano

April is a busy time for the MGA, as can be attested to our 3rd Annual President's Cup Tournament being played on April 5 and 12. Our membership will be divided into teams and play in a competitive team event, similar to a Ryder Cup match. Following the match on April 12, the MGA Spring Luncheon will occur and the election of new officers for the 2017-18 golf season.

Each week of the month, the MGA will be offering games for the membership. In fact, all year long, our weekly games provide competition with friendship and camaraderie for all to share. Our annual membership drive will begin in May and all male golfers of the Grand Haven community are encouraged to join our league. For more details, visit our website at ghmga.com.

We have been quite fortunate to welcome new

members in recent weeks. Alex Bollman, Don Warfield and Brandon Hussing are the newest golfers to take the plunge and become part of the excitement of the MGA. We welcome them and wish them an exciting experience with our league.

A special MGA shout-out to TJ and the grounds crew for the excellent care and condition of the course. We thank you for your dedication and commitment to our community.

On behalf of the MGA, "may the 'pars' be with you"

Mike Tebbano

Handicap Committee By: Billy Wood & Roger Consolla

We have been leading the Handicap system for Grand Haven for the past two years and have really enjoyed (mostly) the experience. It's time for us to move on down the road so there is a need for a person or two to step up and take over the Handicap Committee for your Club.

We set up a process, a procedure and have forms to use. But this is a wide-open deal; when someone gets into it, she/he can create her/his own procedure, process and criteria.

We are completely out of the fun process effective **June 1**, so the Club needs to have some of our compadres step up way before then. And we are happy to work with the new Handicap managers as they put their own stamp on this Club required process.

Anyone who is interested can contact Billy V or Andrea.

Thanks for the support – we love being part of our favorite community.

Billy & Roger

Grand Haven Women's Golf Association By: Sheila Tebbano

The Women's Golf Association continues with a busy spring golf season. Recent GHWGA happenings include:

- Our WPC Team (Women's Players Club) finished their season in 1st place for the second year in a row.
- On March 13th, Grand Haven Seagals team hosted teams from Plantation Bay: Prestwick and CDB, LPGA and Sugar Mill at our course.
- Joan Callahan regained her title as GH Women's Club Champion after a 2-day tournament on March 18-19th.
- A significant number of

our members and their guests will participate in the GH Member Guest Tournament on March 30th – April 1st. The theme for this year's tournament is a **Florida Par-Tee**. We will celebrate everything Florida during this annual tournament.

- We are busy preparing for our Charity Tournament on Tuesday, April 18th. We expect more than 100 ladies to participate in our Scramble tournament that is open to all Grand Haven golfers and their guests. Our charity is **Samaritan Ministries, Inc.**, Bunnell, FL. Their

mission is to provide a safe and nurturing environment to women and teens who are overcome by life's problems and assist these women to make positive choices in their lives. We are looking forward to a great day of golf and helping this local charity. If you are interested in participating or contributing, please contact Suzette Sweeny at: cssweeny@bellsouth.net

It's a great time for golf in Grand Haven!

Ladies Golf League of Grand Haven By: Sally Nord

Spring is here and March has been a busy month for the LGLGH. Along with our regular Thursday morning play, we have had two Coastal Niner events. The first was on March 13th at Palm Harbor. In spite of a little bit of rain for the first couple of holes, a fun time was had by all. And once again, Grand Haven had some winners. On the front nine Linda Stitzinger was on the first-place team and Loretta Consolla on the third- place team. Cathy Whitby came in third place on the back nine.

On March 29th the Coastal Niner Tournament was hosted by Hammock Dunes. Merri Tulli placed third on the back nine. Anne Karlberg placed second on the back nine and Kathy Lynn placed second on the front nine. Karen Oorlog was closest to the line on the front nine

and Nobli Koop was closest to the pin on the back nine. Congratulations to all of our winners.

Our "game day" winners for the month of March are Elaine Ganeles, Sandi Walker, Camille Hinsch and Brenda Perry. Way to go, ladies!!!

It's hard to believe that we will be winding down our season in a couple of months. However, we still welcome new members. Information about our league can be obtained at the Pro-shop or by contacting me.

The stunning Quarry Course, the first at Black Diamond, is consistently recognized as one of America's greatest. While the list of awards and accolades is impressive, it could never compare to the experience of playing it. Beginning with the elevated tee shot on the 424-yard first hole, the front nine redefines golf in Florida. You'll experience dramatic elevation changes, classic bunkering, and fairways framed with thousands of beautiful live oaks, dogwoods, myrtles, and magnolias. While it's difficult to choose the most outstanding hole on the front nine, perhaps the two par 5's, the fifth and ninth best exemplify the beautiful but challenging experience that awaits you.
