FROM THE GENERAL MANAGER AND DIRECTOR OF GOLF ANDREA KNOX

Here I go again; amazed that another month has flown past! All in all, July was a pretty productive month here at Grand Haven. Very little rain provided more time to play golf if you could stand the heat and our Food and Beverage team turned in a successful month as well. Big projects completed in July included replacing the Ice & Water machine at the Turn House and installing a new machine at the restroom at hole #3 on the front nine. Now that we have ice and water available at #3, we removed the insulated cooler at #5 so be sure to stop and top off as you go past. We also installed three new AC units this month. One in the Turn House (you should notice the rest rooms are cool again), one system that services the Bar in the main clubhouse and one system that services the Nicklaus dining room. Repairs were also made to the AC in the maintenance barn break room to ensure the grounds crew has a spot to cool off. After fresh paint on the clubhouse patio floors last month, a complete pressure wash of all the steps, columns and eaves brightened things up nicely. New annuals are planned for later this month as well to give the clubhouse that added pop of color and the broken concrete at the putting green will get repaired. Bridge repairs, additional concrete work and fresh interior paint for the course restrooms are also on our "to do" list plans. We'll keep you updated as we go along.

In addition to mechanical repairs and maintenance, we also have some staffing updates. Carrie Dibble, our Food and Beverage Manager has moved on after accepting her dream job as a pastry chef at "The Cellar" in Daytona Beach. Closer to home and her true passion, we wish Carrie all the best and thank her for her contributions and hard work. As a result, Chef JP Roberts will be taking full reign of the F&B operation with help from Maria Lehnertz who has been promoted to Front of House Manager. Two new cooks have also been added in the kitchen and the entire team is looking strong. Thank you everyone for your support and enthusiasm; we are here to serve you.

Have you heard about our special promotions this month? "Operation Newbie" which began as a promotion inviting Golf Members to bring new prospective members for a round, has been extended into August and expanded. For the month of August, we are also inviting non-members to join us for lunch or dinner. How do you know what you are missing if you never experience it in the first place? If you know someone that has never been to the club for a meal or hasn't been here for a long time; send them in or better yet bring them in yourself!

Labor Day is right around the corner and we are planning a fun golf day. Join us on Monday September 5th for an 8:30am shot gun start "Free Throw Scramble" followed by a lunch cook out. This format has been very popular because it is fun and a challenge! Make your own mixed foursome or we can help pair you up. Sign up in the golf shop.

I just couldn't close this article for August 2016 without a mention of Golf's historic return to the Olympics! A brand new venue has been built, players selected and spirits are sure to be running high. Opening ceremonies will air on The Golf Chanel 6:30am to 3pm ET for the first three rounds and 6:00am to 3pm ET for the final rounds. Men tee it up Thursday August 11th and the women begin Wednesday August 17th. 72 holes of stroke play competition . . . GO TEAM USA!

Play fast so you get a breeze,

“The maintenance team is working extremely hard through the heat.

Hearing words of encouragement from the membership has gone a long way in helping the staff push forward and is enjoyed by all!”

TURF TALK

BY: TJ WEST

The month of July seemed to be hotter and dryer than normal. We experienced many days where the heat index reached over 100 degrees. Rainfall has been sporadic at best. A little over three inches of rain has fallen thus far... most of that was in the first few days of the month. A change in temperature is not expected in August, but hopefully the course will see some rain!

Our next/last aerification dates are August 7th and 8th. The goal each summer is to disrupt 30% of the greens profile. With our first two aerifications we are at roughly 22%. With the hot/dry weather pattern, combined with what was removed in the previous two, we have decided to punch smaller holes with an inch more depth. We held off on verticutting greens, as well as most invasive practices in July to avoid weakening greens that are already stressed from the heat. Verticutting will resume during aerification on August 7th. This has led to greens that are healthy, but slower than normal. Our goal has been to protect what is there...the weather will break eventually.

Many of you have stopped and thanked the staff for the job that they are doing. If you have not,

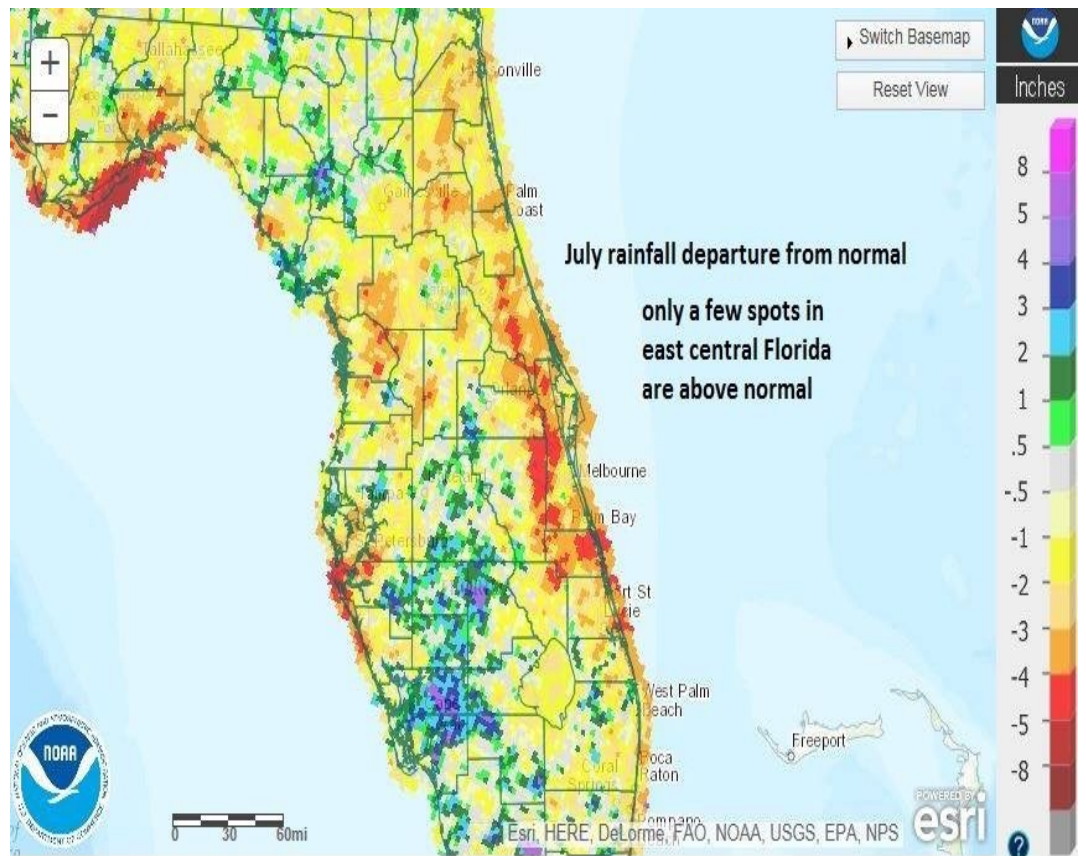

please take a moment and do so. The maintenance team is working extremely hard through the heat. Hearing words of encouragement from the membership has gone a long way in helping the staff push forward and is enjoyed by all! We are slowly catching up from a busy start to the summer. As mentioned in previous newsletters, bunkers are a work in progress. Much effort has and will continue to go into the playability of our bunkers. Turf conditions are good and bunkers need to be brought up to that standard. Thank you for your patience!

July marked the two year anniversary of me coming to Grand Haven. I would like to thank the membership and my coworkers for the continued support. I love being a part of the team and I look forward to the future at Grand Haven!

I can be reached for questions, comments, or concerns at twest@grandhavengc.com.

Did you know that with the exception of tournaments, events or necessary course maintenance; we are now open for golf all day on Mondays! Special rates for Monday guests of members will be available, so grab your friends and neighbors and come out and play!

FROM THE GOLF SHOP BY: BILLY VANARSDALE

I want to take this opportunity to thank you all for the support you have given me in the tournament sponsorship at the North Florida P.G.A. Seniors Championship. I am stunned, amazed, and thankful for the consideration you have shown me. I am usually not at a loss for words but I am now! I have worked at Golf Courses for 46 years and it's not even close, you are the best members I have ever worked for. I am proud to be your Golf Professional.

Bunker Tip,

Yes we have some issues with bunkers becoming compacted by watering but its not as impossible to get the ball out as it seems. A lot of poor shots are a result of indecision on the players part which results in poor technique by the player. When your ball is in a compacted dry area (whether in a bunker or not) the key to a quality results is a longer slower swing and hitting CLOSER to the ball than a normal bunker shot. The reason anyone skulls a bunker shot is because the clubhead has gone into the sand to far behind the ball. If the clubhead "bottoms out"

behind the ball to far it has nowhere else to go but UP! When it begins going up its meets the ball and watch out its gone. The next time you are warming up before your round go into the practice bunker and draw a line 1 inch behind the ball. Make the line about 6 inches long because after you swing the club will clean out this area with a divot. After the stroke look at the line and determine where your clubhead entered the sand. I think it will surprise you how far back your clubhead is entering. You want to enter the sand no more than an inch behind the ball. The length of the shot you have then is determined by the length of your swing. If you are having trouble figuring out where you are entering the sand let me know, I will be glad to ride to bunker with you and show you. 2 minutes, easy.

It's hot, my goodness it's hot! So far we have had no issues with heat stroke so great job on staying hydrated!

GREAT GOLF SHOTS

- Peg Pettingell scored a hole in one on the 107 yard par 3 fifth hole during the WGA league play Tuesday July 19th using a 6 hybrid. Peg's ace was witnessed by Kathy Korbich and Linda Stitzinger.
- Delos Anderson shot 73 playing with Bill Holland and John Yozzo the 12th of July. Great Round Delos!!
- Ed May shot his age on July 26 playing with Bob Olsen and James Porter. Ed scored an 80 on his round.
- Dave Jaworski shot a 71 on July 20. Dave was playing with John Quackenbush, Dick Boulds, and Jerry Chiddister.
- Sara Lockhart Eagled the 1st hole Thursday July 28th from 150 yards out using a 5 wood. Sara's Eagle was witnessed by Linda Steggerda and Anne Stillman.

“If you like to use cash in the restaurant rather than your account or a credit card I would ask that you please write CASH on the signature line of your receipt.”

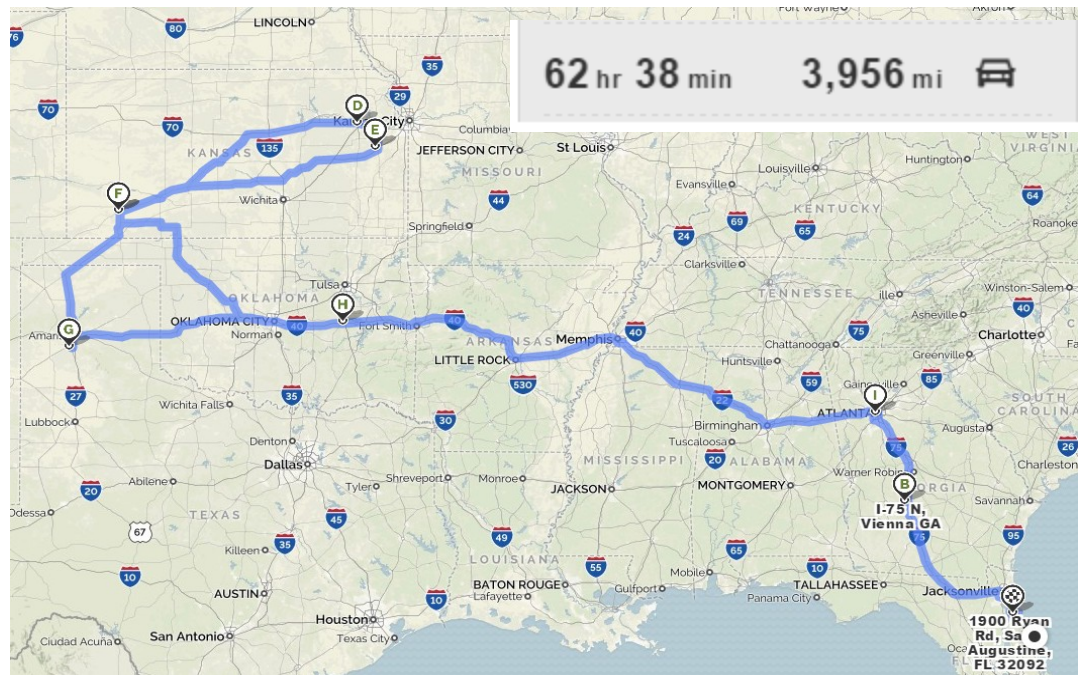

THE HUB OF THE CLUB BY: SARAH WELLS

Well you have heard of “Oliver’s Travels”, for “Sarah’s Travels” I did a lot of driving but enjoyed being able to see family and friends. My grandmother was 1 of 10 girls and her side of the family had a reunion. Some of the cousins and family members I was able to see I had not been in contact with for over 15 years. Learning about past events and the tales of my grandmother and her sister was very interesting and I was glad I got to attend. Below you can see the different states I traveled through. I have to say it didn’t take long at all for me to be counting the days before I would return home. I missed Grand Haven and seeing the members on a daily basis. Many of you emailed me during and before my journey and it made my feel so good knowing that you too were anxiously waiting my return.

As always I try to give you a tip to help ensure that your experiences here at Grand Haven are always pleasant. For August I would like to remind everyone that we have some new employees that will need some time on learning all your names as well as the way you like to do business. I know some members like to pay cash as they go, others charge to their statements and review with me monthly. If you like to use cash in the restaurant rather than your account or a credit card I would ask that you please write CASH on the signature line of your receipt. This helps ensure these items are not charged to your member account. This procedure should also be used when ordering at the Turnhouse as well.

As always stop in and see me any time you have a question or concern. I am happy to help.

We post events, daily specials, and pictures on a regular basis. Follow our page to receive these updates.

GHMGA
(GRAND HAVEN MEN'S GOLF ASSOCIATION)

The MGA will be holding our annual "Boys of Summer" Tournament for league members on August 10 and 17. The "Boys of Summer" Tournament divides the playing field into two teams created through a Captain's draft. It is similar to a Ryder Cup format in which the winning team is the team that collects the largest number of points during the two-week tournament. A "Boys of Summer" Luncheon will be held immediately following the final round on August 17th. The team captains will determine team names and the color of shirts the team will wear for the tournament.

The team captains will attend a draft with the Tournament Director after sign-ups are completed, (players must sign up by 2 pm Wednesday, August 3rd, 2016). The draft will be on Thursday, the 4th, at a time to be coordinated with the team captains. There will be a coin toss to determine which captains will make the first draft pick. After the first pick is selected, the other team's captains will make the next two draft picks. The process will continue, back and forth with two draft selections each, until the entire field has been selected, with the final pick going to the second drafting team.

Wednesday, August 10th:

FRONT NINE - 2 Man Team Scramble (Match Play format)

BACK NINE – Alternate Shot – Chapman (Match Play format)

Wednesday, August 17th:

2 Man Team 4 Ball Net (Best Ball Event) Nassau (Match Play Format)

Points are awarded each week to the winning team and at the conclusion of the two-week tournament, the team with the most points wins the event. This competition is open to MGA members only, and these games will be the only MGA events played those weeks.

Men interested in joining the MGA should go to our website at ghmga.com and complete a membership application and submit it and a check for \$40 to the Pro Shop. We encourage any guys interested in being a part of a fun group that enjoys the game of golf, and the camaraderie that is associated with it to be part of our league. For more information see any of the MGA Board Members.

HANDICAP COMMITTEE
BY: ROGER CONSOLLA & BILLY WOOD

DID YOU POST?

The purpose of your Grand Haven Handicap Committee is to create a peer review team that validates the Handicap that you use, whether in tournaments, a friendly Nassau or just a head-to-head for beers.

The only way the system can work is that everyone posts ALL his/her scores ALL the time, whether at Grand Haven or when playing away. Exceptions have previously been defined clearly as "Practice Rounds", when playing alone, or fun events like Scrambles, etc.

Unfortunately, there has been a marked increase over the past three months in the number of no-posts, and therefore an increase in "P's", that is Penalty scores (your lowest round in the last 20). That's NOT the purpose of the Handicap Committee, to try and catch someone like a cop with a radar gun on 95. The purpose is to ensure equity in our game with a random sampling of scores and posts by our members.

Please post within 72 hours whether you're playing at Grand Haven, Enchilada Hills, Halifax, or the Ocala Horse Pasture Muni. Use the Club computer, your smartphone, your home computer, whatever – it doesn't take but a minute.

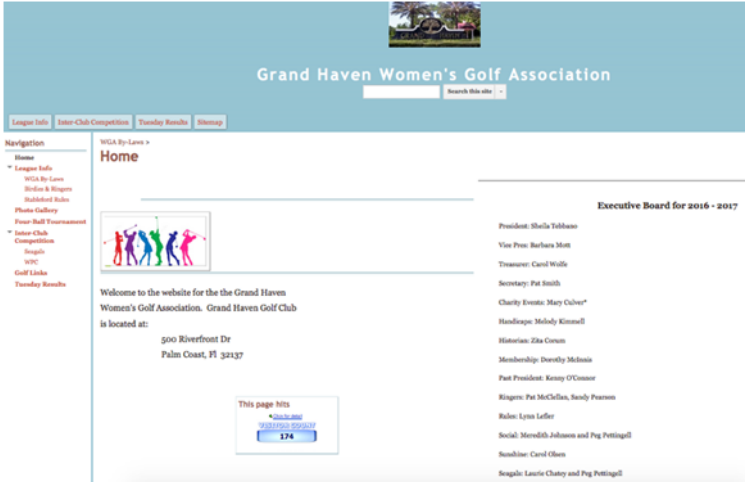

Please help us to help you keep it real.

Thanks,

Roger & Billy

FROM THE CHEF BY: JEAN-PIERRE ROBERTS

Hello Grand Haven! Let talk seafood today. Here is a great easy recipe for the summer. This is a great starter or even main course if poured over white rice or grits. Today it's all about the fresh Atlantic white shrimp. When you go the local fresh seafood market you want to ask for 21/25 Atlantic white shrimp. This will be the perfect size for this recipe.

- 1lb of shrimp
- 1can of coke
- 1tsp red pepper flake
- 2ea lemon
- 2ea orange
- 1/2lb butter
- Salt and black pepper to taste

Heat up a medium sauce pan to med high add butter as the butter clarifies cut 1 lemon and squeeze into pan do the same with the orange this will infuse the flavors in the butter. Add shrimp, red pepper flake, salt and pepper, when the shrimp start turning pink add 3oz of coke to the pan and reduce till sauce becomes like a syrup, plate and serve. Citrus Coke Peel and Eat shrimp. Bon Appetit for now and keep cooking and creating.

FUN GOLF FACTS

- Golf balls are like eggs . they're white. They're sold by the dozen and a week later you have to buy more.
- A good drive on the 18th hole has stopped many a golfer from giving up the game.
- No matter how bad you are playing, it is always possible to play worse.
- A golf match is a test of your skill against your opponent's luck.
- Golf! You hit down to make the ball go up. You swing left and the ball goes right. The lowest score wins. And on top of that, the winner buys the drinks.

Thank you for all who came out and supported the Flagler County Education Foundation at our Annual S.T.U.F.F. Bus Charity Golf Tournament July 25th
