Did you know that the term “dog days of summer” originated from the Greeks and Romans referring to the dog star, Sirius, and it’s position in the sky in late July. Nevertheless, the current use of the term has certainly been heard frequently over the last month. Please remember to stay hydrated and keep an eye on your playing partners for possible signs of heat exhaustion. Let’s not let desire to “finish the round” overwhelm common sense. 9 holes is always a great option!

Speaking of playing less holes in this heat, how about giving our “Short Course” tees a try. We are testing out yardages to establish a new forward set of tees to give players another option. Once the yardages and positions are established, we will install markers and have the tees rated. We anticipate having the whole process complete before the end of this year. Check out the flyer from the USGA “Fore the Golfer” on page 8 for a great overview of the Forward Tee program and give it try yourself. Stop in the golf shop for a Short Course scorecard and quick review of tee location.

Our newly formed “Advisory Committee” will be having it’s first meeting August 14th. We will begin with a course ride and discussion

guided by TJ then move inside to review and discuss events and Food and Beverage. The function of this committee will be to assist both management and members with the flow of information and feedback. The committee is comprised of Larry Geiser (MGA), Sheila Tebanno (WGA), Sally Nord (LGL), Paul Gillis, Jackie Poole, Gino Digiore, Glenn Mueller and John Koyak. After our monthly meetings, we will comprise an email to the membership to share the items discussed. Our first meeting will provide an update on the list of action items I outlined in my letter to the golf members on July 14th. I am very much looking forward to this being a positive and energizing process.

Another hard working committee at the club is our Handicap Committee. Big shout out to all the new term and returning members: Roland Robichaud—Chairman
Bob Aiken
Bill Boyer
Joe Dresnok
Bernie Hollenbeck
Melody Kimmel
Jim McCutcheon
Mike Rowlands
Tom Smith

This diligent group will be performing the required “peer review” of our Handicap System which ensures that we are in compliance with the

USGA and providing a fair playing field for your regular games and club competitions.

We have added a couple of events for August; Key West Night with a buffet and Wacky Beach Wear contest and a “Beat the Pros” tournament. Be sure to pick up a club event calendar and to have all the dates.

Lot’s of great golf on television this month. Be sure to catch The Solheim Cup Matches August 18-20. The US currently holds the cup after their 1 point lead to win the 2015 matches in Germany. Tune in and help cheer our girls on to retain The Cup! Details can be found at www.solheimcupusa.com.

Now go play,

Andrea

“On July 14th, I celebrated my three year anniversary at Grand Haven...it has gone fast!”

Turf Talk By: TJ West, Superintendant

During the month of July we received the second highest rain total for 2017. Nearly 4 inches fell...that is not much compared to the 11.4 in June, but we will happily take it! As I write this newsletter, there is a high percentage chance of rain for the last few days of the month.

The last greens aerification of the year will take place on August 13th and 14th. The previous two went extremely well and we expect the same from this one. We will also be applying 13 tons of fertilizer to the golf course as we begin preparations for the Fall. This will take place at the end of August or early September, depending on weather. On August 16th I will be flying to Portland, Oregon for the Web.com Tour Portland Open at Pumpkin Ridge. I am excited for the opportunity to work the event, as well as the ability to see a new part of the country. I will return

from Portland on August 28th. I will be sure to take a lot of pictures!

On July 14th, I celebrated my three year anniversary at Grand Haven...it has gone fast! During those three years I have begun to notice reoccurring themes or patterns that happen on the golf course. One of those patterns is that when the grass starts growing, we struggle to keep up with non-turf areas such as bunkers. Beginning in July and continuing into August, much focus will be put on getting the bunkers back into shape. Temporary workers were brought in on July 31st to give us a push in the right direction. The other reoccurring theme or pattern is that when the grass starts growing, our equipment starts failing! Many of you have noticed the sub-par quality of cut in the rough. The rough unit and tractor are currently the oldest pieces of

equipment on property. Much time, effort, and money has been put into the rough mower along with the tractor that pulls it. However, we have found ourselves in a place that it cannot be fixed anymore! To combat this, Escalante Golf has approved the purchase of a new, top of the line, rough unit! We will also be getting a new tractor to tow it! I have attached pictures for you all to see. Along with the tractor and rough unit, we will also see delivery of a new topdresser and tow behind aerifier. With these four pieces of equipment coming, we will have replaced every piece of equipment in my three years at Grand Haven, along with adding a few pieces! We are beyond excited to see what the new equipment is capable of! I can be reached for question or comment by e-mail... twest@grandhavengc.com.

From the Golf Shop By: Billy VanArsdale

Watching "The Open" reminds us all about the importance of knowing the rules of our game. When Jordan Speith sliced his tee shot on the 13th hole I thought he was done. Boy was I wrong. By using the rule that allows a player to take an unplayable lie with a one stroke penalty he came away making a spectacular bogey, keeping himself in the hunt. The rest is history. The U.S.G.A. rule book seems difficult to interpret but if you really just try to visualize

the penalty situations it refers to they are really not difficult. If you really would like to learn the rules I will be glad to help. First if you don't have a rule book let me know. We have books here plus it only takes a few days to order if you want your own personal copy. Next let me pick 2 situations a month out for you. You may see something similar on TV during a tournament or you may have situations that happened to you during a round and you were unsure of the rule and

the procedure. Then we will go over the rule(s) thoroughly and during the rounds you play that month look for the rules situation each time you play the course. Once you put the rule you are trying to learn into practical use they will become easy to understand and learn. Some of you already do this, I commend you for wanting to learn the rules and play the game the way we are all supposed to, BY THE BOOK!

Golf Shop Hours of Operation

Monday ~ Sunday
7:00 am ~ 5:00 pm

Tee Time reservations can be made by calling the Golf Shop 7 days a week.

Score posting after Golf Shop hours can be done from home using My GAF Golf Life.

Great Shots & Great Rounds

- Dennis Amone scored a hole in one on the 124 yard 8th hole July 5th using a pitching wedge. His ace was witnessed by Tony Sciuto and John Delvac.
- Al Chirgwin bettered his age (again!) by scoring an 80 in the weekly MGA game July 5th. Al was paired with John Quackenbush and Art Canino.
- Jose Moctezuma scored a hole in one on the 77 yard 8th hole Friday July 7th using a 9 iron. Jose's ace was witnessed by Bill Bryce and John McNamara.
- Rick Lafond Eagled the first hole Wednesday July 12th using a sand wedge from the fairway. Rick's deuce was witnessed by Dennis Amone, Gino Digiore, and Joe Annese.
- Patricia Smith scored 4 birdies in a row on holes 6,7,8,9 from the short course tees on Thursday, July 27th!

Driving Range Hours of Operation

Friday thru Wednesday
Front of Range 7am to 6pm
Back of Range 7am to 4pm

Thursdays
Front of Range 7am to 4pm
Back of Range 7am to 3pm
An early close is needed to accommodate a clean pick for mowing the following morning.

Handicap Committee

The "Handicap Committee" is the Committee of a golf club that ensures compliance with the USGA Handicap System, including peer review. The Handicap Committee must verify that all acceptable scores are reported for handicap purposes, and that recorded scores are available for peer review. An essential element of the USGA Handicap System is the Handicap Committee. Each golf club or authorized golf association utilizing the USGA Handicap System must appoint a Handicap Committee to ensure the integrity of each Handicap Index it issues. This Committee must make certain that the members comply with the USGA Handicap System.

Membership, Parties, & More By Jeri Harper, Director of Sales

What a wonderful July we had here at the club for parties and events. We started the month with a fabulous 50th Wedding Anniversary celebration for Kathy and John Rybacki that “wowed” even our own eyes. Dinner and dancing for family and friends went well into the night. We were not only honored to host the event but privileged to have met such wonderful people. Be sure to congratulate the Rybacki’s on 50 beautiful years of marriage!! A week later we were the hosts of a 90th Birthday Party for Maggie Bunker. Family from all over the country flew in for this special occasion. It was a small private event featuring Chef JP’s signature dishes. Lots of laughter and stories of growing up in a loving household!

When arriving at great milestones like these, we invite you to hold your

celebration at the club! Anniversary parties, Birthday Parties, Family Reunions, Neighborhood get-to-gathers. The club is happy to host your next event. Customized menus created by Chef JP and an entire team dedicated to making every detail exceed your expectations! Whether it’s 20 guests or 120, we invite you to plan with us. The best part of holding events at the club . . . no clean up! You get to spend this special time with the people that matter while we execute every last detail. To book your next event, contact me or stop by the office anytime. Don’t forget, Holiday Parties are just around the corner too and dates are filling up fast!

We finished the month with a great tournament benefiting the Flagler County Education Foundation’s S.T.U.F.F. Bus. The Bus could barely close the doors

because of the generosity of our members. The S.T.U.F.F. Bus is an actual school bus converted into shelving and bins full of “Stuff That U Find Fundamental”. These small events make a large impact on our community. I was shocked to hear that 70% of Flagler County students are on some sort of free or reduce lunch program. To find out how you can support your counties school programs, contact Joe Rizzo with the Education Foundation. Our own Grand Haven Women’s Club is also a great outlet to volunteer at making a difference in our community.

From the Kitchen By Chef JP Roberts

Thank you all for the great support of our monthly events like Birthday Bash and Turkey Buffet. We love seeing everyone enjoying their friends and making new ones at the club. We hope you’ll join us for another fun buffet August 23rd “Key West Night”. To help celebrate summer, we’re having a Wacky Beachwear contest that night. Be sure to dig out that crazy tropical shirt you keep hidden in the

back of your closet. Grass skirt, board shorts, or your favorite sundress and neon floppy hat; just come and have some fun.

As a reminder, to help us provide you the best dining experience possible please make your reservations as early as possible! Planning on our end begins two weeks out to ensure proper staffing levels and the appropriate product quantities are ordered and received. The earlier we

know how many people to anticipate, the better enabled we are to execute a great dining experience for you.

The Hub of the Club By Sarah Wells

Well August is here and so is the heat! I wanted to take this time to mention food minimums as we are now in the middle of the third quarter of the year. If you are on a quarterly food minimum you have until the end of the September to meet your requirement.

Food minimums are a important part of what helps support Grand Haven's restaurant. There are several options available on how your food minimum is billed.

For members who are here year round the monthly billing is your best option. Social members have a \$40.00/month commitment and single golfing members have a \$30.00/month commitment and family golfing members have a \$50.00/month commitment.

For members who travel frequently you may opt to have your minimum set at a quarterly rate. This option allows you additional time to use your minimum, however it does increase the minimum by \$15.00 per quarter. The final option is for members who are gone at least 6 months out of the year. If you qualify for this option, your food minimum

can be spread out over a period of twelve months. The amount is \$480 for a social member, \$360 for a single golfing member, and \$600 for a family golfing member.

The key to food minimums is communication. You can locate your food minimum on the <http://grandhaven.szenconnect.com> site under your account tab. You will find what you have spent, what your food minimum commitment is, and how much you have remaining. If you will be gone or have a question please call me prior to the end of the month. It is possible to change your food minimum commitment level during a calendar year. My office is always open and I can be reached via phone or email.

So, come have lunch, dinner or grab a bite at the Turn house, anything food related and non-alcoholic beverages count toward your minimum. Also note that if you play in certain tournaments, a portion of your entry fee may count as well. As a reminder: tax, tip and service charges are not counted toward your food minimum.

Happy Dining!

JUST ONE
MORE THING

Sarah will be recovering at home from surgery August 2nd - 13th and will not be in her office at the club. However she will be accessible remotely via email at swells@grandhavengc.com and cell phone at 785-313-1282. Please don't hesitate to contact her with any questions about your monthly statements, reservations, or other questions as you would normally. She expects to return to the office on August 14th.

Grand Haven Men's Golf Association

By: Mike Tebbano

The MGA will be holding the annual "Boys of Summer" Tournament for league members on August 2nd and 9th. The "Boys of Summer" Tournament divides the playing field into two teams created through a Captain's draft. It is like a Ryder Cup format in which the winning team is the team that collects the largest number of points during the two-week tournament. A "Boys of Summer" Luncheon will be held immediately following the final round on August 9th. The team captains will determine team names and the color of shirts the team will wear for the tournament.

The team captains for this year's event are Pete Bianchi and Joe Palermo (three time defending captains) and Bill Boyer and Mike Rowlands. They will attend a draft with the Tournament Director after sign-ups are completed, (players must sign up by 2 pm Wednesday, July 26, 2016). A draft will be held following the sign-up at a time to be coordinated with the team captains. There will be a coin toss to determine which captains will make the first draft pick. After the first pick is selected, the other team's captains will make the next two draft picks. The process will continue, back and forth with two draft selections each, until the entire field has been

selected, with the final pick going to the second drafting team.

Wednesday, August 2nd:

FRONT NINE - 2 Man Team Scramble (Match Play format)

BACK NINE - Alternate Shot - Chapman (Match Play format)

Wednesday, August 9th:

2 Man Team 4 Ball Net (Best Ball Event)
Nassau (Match Play Format)

Points are awarded each week to the winning team and after the two-week tournament, the team with the most points wins the event. This competition is open to MGA members only, and these games will be the only MGA events played those weeks.

Men interested in joining the MGA should go to our website at ghmga.com and complete a membership application and submit it and a check for \$40 to the Pro Shop. We encourage any guys interested in being a part of a fun group that enjoys the game of golf, and the camaraderie that is associated with it to be part of our league. For more information see any of the MGA Board Members.

Don't forget to make your reservations!

Grand Haven Women's Golf Association By: Sheila Tebbano

So far, the WGA members are having a great summer of tournaments. Even though it has been hot, we've dodged the storms. I want to remind everyone how important it is to stay hydrated during summer activity. The Center for Disease Control, CDC, recommends that adults drink 1 cup of water every 15 – 20 minutes when performing outdoor activities in the heat. Keep drinking water or electrolyte beverages and enjoy summer golf at Grand Haven GC.

We are already preparing for the start of our next season which will begin on Tuesday, September 19th. Presently, the GHWGA has 88 members. Anyone wishing to join the WGA or play a round with us in the summer, please contact me for information.

Happy August Everyone!

Sheila Tebbano, President GHWGA
tebbanos@gmail.com

We need your help! Due to the prolonged drought conditions we are experiencing this year, it is more important than ever to observe our golf cart usage guidelines. With your help, we can reduce the amount of stress we add from cart traffic and maintain the best turf conditions. Green 4x4 posts have been installed indicating where you should exit the fairway to the cart path along with traffic control ropes and stakes where needed.

- Observe the 90 degree rule
- Obey the Green Post and exit the fairway to the cart path
- Keep carts on the cart path around all tees and greens
- Handicap flag carts should keep the cart at least 30 feet from the green, avoid slopes and limit the travel to the shortest route possible
- Scatter cart traffic when entering and exiting the fairway
- Always buddy up in carts when possible

Thank you for your cooperation!

Ladies Golf League of Grand Haven By: Sally Nord

August is here, which means summer will soon be behind us. In spite of the heat, many of us continue to play our nine hole shot-gun on Thursday mornings. As we approach September, I look forward to resuming official League play. Our opening tournament and lunch will be on Thursday, September 21st. I hope many of you will be here to kick off our new season. We always welcome new

members and applications can be found at the pro-shop desk. If you have any questions, please feel free to contact me at wmslnord@cfl.rr.com.

USGA[®]

FOR THE GOLFER

Forward Tees, Please

Forward tees are becoming increasingly popular, providing golfers with quick, fun rounds and potentially lower scores. Here are some important facts every golfer should know about forward tees.

Forward tees can provide a challenge commensurate to your abilities.

Forward tees are not intended to make a golf course easy; rather, they are intended to enhance the golf experience by allowing golfers to adjust the length and difficulty of a golf course so that it is compatible with their abilities. Although a few golfers can hit a golf ball extraordinarily far, most golfers hit the ball much shorter distances than the professionals on TV. Often, golfers with slower swing speeds are unable to reach putting greens in regulation not because they lack skill, but simply because they do not hit the ball very far. Properly positioned forward tees can solve this problem by appropriately matching course length with golfer ability.

Playing from forward tees can be fast and fun.

You can play faster and achieve better scores when playing a golf course that is aligned with your abilities. Playing from forward tees can leave you with fewer hybrid or long iron approach shots into greens, improving your accuracy, score and enjoyment while possibly reducing the potential of losing balls.

You can post scores from forward tees to the USGA Handicap System[™].

Provided they offer a course that plays at least 3,000 yards for 18 holes, forward tees can be evaluated by your state or regional golf association to receive a Course Rating[™] and Slope Rating[®]. Once rated, you can post scores from forward tees to receive or maintain a Handicap Index[®]. Since the Ratings for forward tees are based on a shorter total yardage, your Handicap Index will remain transferrable from one set of tees to another and from course to course.

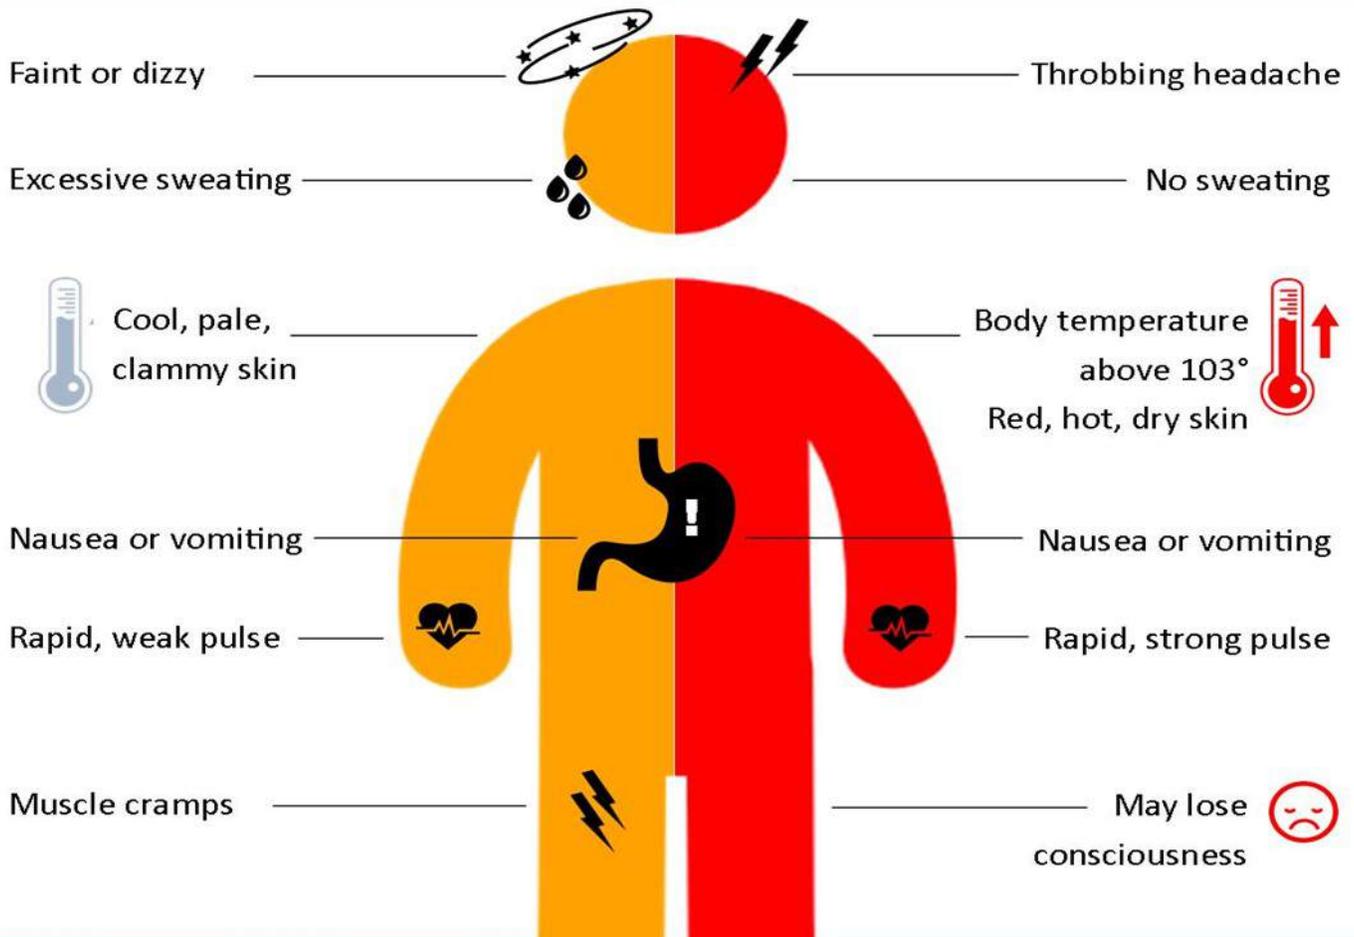

Creating forward tees is easier than you think.

Whether new tees are constructed or tee markers simply are placed in a level area of a fairway, creating forward tees at your course does not need to be expensive or time-consuming. Often, forward tees can be established in fairways without requiring additional maintenance operations or construction costs. Even with a limited budget, forward tees are not out of reach at your course.

PINK SENIORITAS

INGREDIENTS

- 2 c. ice
- 2 c. Pink lemonade
- 1/4 c. fresh lemon juice
- 1/4 c. triple sec
- 1 c. tequila

DIRECTIONS

1. Rub a lemon wedge around the rim of four glasses, then dip rims into salt.
2. To each glass, add ice, pink lemonade, lemon juice, triple sec, and tequila. Stir to combine. (if you prefer a lot of ice, stir together mixture first, then pour over ice.)
3. Garnish each glass with a lemon slice and serve immediately.

Please use the grandhavengc@grandhavengc.com email address for all time sensitive requests like tournament sign ups, tee times , league sign ups etc.

LABOR DAY GOLF SCRAMBLE WITH A TWIST

Monday, September 4th, 2017

8:30am Shotgun Start

Join us on the patio immediately after golf
for prizes and a good old fashion cook out!

Low Gross and Low Net Prizes will be Awarded

Entry Fee \$25 per person

Includes lunch and prizes
Appropriate golf fees Additional

To Register:
Sign up in the golf shop

What's the TWIST?

Once during each golf hole, your team can
select one shot to "THROW" the ball for free!
That's right "free" as in no stroke counted!

Here's the rules:

One free throw on every hole

Each team member must throw the same shot
You cannot hit the ball before you elect to throw.
The ball must hit the ground before it goes in the hole

You may make your own team
or we can pair you up.

Normal Tee assignments will be played.

Team handicap will be determined as follows:

20% Player A 15% Player B
10% Player C 5% Player D
