FROM THE GENERAL MANAGER AND DIRECTOR OF GOLF ANDREA KNOX

With the summer heat upon us; we have a fun and fast golf event planned to kick off your Fourth of July celebration. The Scramble String Tournament format allocates each team a length of string for their handicap. The string is used to advance your golf ball for free but each time you use it, that piece of string gets cut off and discarded. There is no advantage to returning with string left so decide on a strategy and don't forget to bring a pair of scissors. A good old fashion cook out follows golf and you will still have time for a nap and dip in the pool before heading out to watch the fireworks!

I have to laugh every time someone refers to the summer months as our "slow season". While it's true the number of golf rounds go down slightly, we still maintain a full calendar of club activities, the golf course requires the most attention with everything growing like crazy, and we endeavor to catch up on maintenance items, general housekeeping, paperwork and planning that there just aren't enough hours in a day to accomplish during season. Some big projects on our list for the summer include replacing the ice machine at the turn house (which should happen in the next couples of weeks), replacing an air conditioning system in the clubhouse, and fixing the broken concrete cart path by the practice putting green. This past week we completed painting the patio floors around the clubhouse, a nice "freshen up" item to get checked off the list. Of course there are lots of other items on our list and we'll keep you updated as they get moved to a completion schedule.

While I am on the subject of general housekeeping, your help on the following is truly appreciated. Please let us know if you do not complete your round due to rain. Our tee sheet system automatically defaults to 18 hole rounds. So, unless we physically change your round to 9, you will be charged for 18. This can be fixed of course, but it is a whole lot easier to adjust it up front than a month later when you see the charge on your statement. Also, if for some reason there is not someone at bag drop to check you in, please stop in the golf shop before heading out. We need to know who is on the course at all times for our consideration and your safety. This request includes unlimited cart plan holders as well.

If you are an insomniac like so many of us; there is a special treat you should check out this month. The 145th playing of the British Open will begin airing on the Golf Channel at 1:30am (yes- that's 1:30 in the morning) Thursday July 14th and Friday July 15th with continuous coverage until 4pm. Saturday and Sunday coverage begins a little later on NBC so you'll have to find something else to do until 4am. Check out all the history and latest news on The Open at www.theopen.com.

Be sure to tack the July club calendar on your refrigerator so you'll have our full schedule at a glance. From a 9 & Dine benefiting the Family Life Center, Birthday Bash, this month's Pub Night featuring dancing and music by Kevin Quinn, Turkey Buffet and our 2nd Annual Stuff Bus Tournament; we have a little bit of something for everyone.

Please remember to drink enough water and keep an eye on each other in the summer heat. Now get out and play!

"July will be a great month to catch up on the edging of bunkers, irrigation heads, and cart paths. There will also be a big push to clean weeds in perimeter beds and eradicate sedge on the course."

TURF TALK

BY: TJ WEST

In June we saw our first Tropical Storm of the season. During Colin we received 4 inches of much needed rain! However, only 2.5 inches fell during the rest of June. In our part of Florida it seems that we stay dry until July 4th and then the wet weather begins...fingers crossed!

Our second aerification of tees and greens went well. The hole size on greens mirrored that of the first aerification, but we were much more aggressive on the spacing. The difference is that the spacing of the holes were a ½ inch tighter, both forward and lateral, during the June date. This made the cleanup a more lengthy process and it stretched into the two days following aerification. More sand will be applied to the greens on July 11th. We do not have a scheduled aerification date for July. Our next date is August 7th and 8th.

With the time spent with aerification combined with rapid turf growth, we are behind on the frequency of our detail work. July will be a great month to catch up on the edging of bunkers, irrigation heads, and cart paths. There will also be a big push to clean weeds in perimeter beds and eradicate sedge on the course. Much time is being dedicated to the general cleanup and

improvement of bunkers. The sustained moisture in many bunkers is leading to weed germination in the sand. Even without consistent rain, many bunkers are remaining wet and compacted. You will see us start to investigate the infrastructure of many bunkers. We will be looking for clogged/ crushed drain pipe, as well as other reasons that bunkers are not performing. I have been asked by Escalante to take pictures of our findings to aid in a future renovation project.

You may notice that we removed all the green 4x4 post by the greens. This will be for the summer as traffic control is not as crucial. The purpose of the post is to show where to exit a fairway with the golf cart. As we head into the Winter the post may systematically be put back up.

I would like to thank the membership here at Grand Haven for all the well wishes as I have struggled through a recent health issue. In my opinion, our membership is the best around! I can be contacted by email, twest@grandhavengc.com, for questions, comments, or concerns.

Did you know that with the exception of tournaments, events or necessary course maintenance; we are now open for golf all day on Mondays! Special rates for Monday guests of members will be available, so grab your friends and neighbors and come out and play!

We now carry SanSoleil UPF 50 Apparel for Men and Women!

FROM THE GOLF SHOP BY: BILLY VANARSDALE

If you have played two to three times a week over the last year please let me look over the condition of your grips. Not only do the new materials wear out quicker they also hold dirt and oil from our sandy ground conditions and our hands. Over the next three months we will be playing in extreme heat and all the sweat from your hands end up getting trapped in the grips. This leads to slick grips and your hands have to tighten up to prevent the club from slipping during your swing. Any time your hands hold to tight you are costing yourself swing speed and the ability to release the club properly. Loss of distance and pushed shots just because of your equipment. If you play more than twice a week your clubs need to be re-

gripped every year. Cleaning the grips is necessary every 3-4 months. With the exception of manufacturer styles our vendor offers one day delivery and in most cases I will have the clubs re-gripped overnight and ready for use the next day! The next time you play, bring your clubs in for evaluation or call if you have club storage and I will be glad to take a look at them. If your clubs only need to be cleaned we will clean them for a charge of \$15.00. New grips range from \$7.00 to \$15.00 per club. Some specialty putter grips are slightly higher. Don't cost yourself strokes when it can be avoided!

SO HOW ARE WE DOING ANYWAY? BY: BILLY WOOD & ROGER CONSOLLA

One of the reasons the Club has a Handicap Committee is so that a golfing peer group helps keep our handicaps relevant and accurate. So we do a sampling of recorded scores and cards. We keep a few stats, just for a sense of the results of the work, and we thought we would share what things look like for the month of June.

We audited almost 1,000 scores (down from the first five months of the year), and found almost 10% not recorded in the required 72 hours post-play. That's much higher than previous and there are a lot of reasons for it, weather issues, pro shop closed, etc.; however, the point is that most

people are posting and we'd ask that you remind each other after a round to post as soon as possible.

We received cards for about 75% of the rounds audited but that number is skewed high due to the required WGA and MGA card submissions. It really helps us to have cards turned in to validate the recorded scores so we hope everyone will make an effort to leave the cards in the pro shop, even though this is voluntary, not a USGA requirement.

Thanks for the support.

"This is a great time to evaluate your spending for the year and make sure you are on track.."

THE HUB OF THE CLUB

BY: SARAH WELLS

July is a great month for fun in the sun and just catching up on things. Here at Grand Haven I begin to purge files, start updating forms for next year and just making sure my office is back together. I also begin to receive a number of phone calls regarding food minimums. This is a great time to evaluate your spending for the year and make sure you are on track. June 30th marked the end of our second quarter. Our third quarter runs July–September. If you are on an annual food minimum, by now you should have spent at least 1/2 of your minimum in order to not have a remaining balance in December. Making it a point to have a lunch and a dinner at the club goes a long way. Who knows, you might find that during these hot months it is a lot

more appealing to let our staff cook for you, your family and your friends.

There are three different ways you can check your food minimum. The first is to give me a call or send me an email. I do my very best to respond within 24 hours. The second way is to ask a server in the restaurant. If you are having a drink or dining in the club the server can look up your food spending. Keep in mind this total does not include your ticket from that day. The third and most reliable option is to login to your Grand Haven statement account. You will find that once you click on your account information your food minimum, plus your spending and the remaining balance pops up toward the middle of the page. See the picture below.

GHMGA (GRAND HAVEN MEN'S GOLF ASSOCIATION)

Summer has begun, and a new year of MGA activities begins with new officers, games and activities for the league. But, before we get the new year underway, it always helps to review the past year to learn from what has occurred. Larry Geiser, the outgoing Tournament Director and incoming Vice-President of the MGA, kept excellent records of our weekly participation. Some interesting data was culled from the information and we learned that when we compare the first five months of 2015 with the first five months of 2016 our participation there were 127 more participants this year from the MGA membership in weekly games. In fact, we had a record number of golfers for June 1, 2016 of 52 golfers in our Game-of-the-Week. The weekly participation rate was well over last year's games, and we are looking forward to another record setting year of MGA games and tournaments. Currently, we are in the middle of our membership drive, and we welcome new members all the time. So, if you want to be part of an exciting, inspirational, and fun-filled group, the MGA is your opportunity. Our membership fee is \$40.00 for the year. So, fill out a membership application in the Pro Shop and get ready to golf with a great group of guys who love a good time.

DID YOU KNOW?

- Insurance actuaries have calculated the chance of an average golfer making a hole in one at approximately 12,500 to 1, and the odds of a tour professional at 2,500 to 1.
- The chance of two holes in one in a single round are approx 67 million to 1.
- Tiger Woods was only 8 when he got his first hole in one.
- Balls travel significantly further on hot days.
- The four major events in professional golf are the British Open, the Masters, the U.S. Open, and the PGA Championship. The four events together are called the Grand Slam of golf.

GHWGA (GRAND HAVEN WOMEN'S GOLF ASSOCIATION)

Welcome summer!

During the months of July and August, the Women's Golf Association is going to offer members the option of playing our regular 18-hole game or just playing 9 holes. Although we are and will remain Grand Haven's 18-hole golf association for women, members requested this option during the heat of summer and Andrea and Billy amiably agreed to support this request. Members will sign up for the golf option of their choosing on the GAGOLF website. The 9-hole option will begin on July 5th and end on August 30th. We hope more ladies will continue to join us for the 8:30 shotgun start on Tuesdays, throughout the summer.

Sara Lockhart, Sharon Downes, and Kaye Boyer Ryan know that we have fun on Tuesdays, throughout the year. Come out and play and if you are new to Grand Haven, join us!

Anyone interested in information about joining the Women's Golf Association, contact Sheila Tebbano at: tebbanos@gmail.com

LGLGH (LADIES GOLF LEAGUE OF GRAND HAVEN)

We ended our season on May 12th with a scramble tournament and delicious closing luncheon. At that time, the Board under the leadership of Karen Oorlog, President, ended their two year term. We thank Karen, Pat Johnson, Treasurer and Linda Stitzinger, Secretary for all of their hard work during the past two years. During our business meeting we elected our new officers who will serve for the next two years. They are: Sally Nord, President; Camille Hinsch, Vice President; Jean Armstrong, Treasurer; Sandi Walker, Secretary; Ann Lema, Statistician. We will continue to play an 8:30 shot-gun through the summer. We welcome new members. Applications for membership can be found at the Pro-shop. If you are not yet a member and would like to come out and play this summer to learn more about the league, please contact one of the officers and we will be happy to help you sign up.

On behalf of the students at APEX Christian Academy I would like to thank those that made donations to our scholarship fund for the 2016-2017 school year.

The golf portion of the APEX 9'Dine has been postponed to September 10th. However, with the Grill raffle and donations received we were able to raise close to \$1,100 to start the year. Thank you again for your generosity.

GREAT GOLF SHOTS

- **Mike Prior** scored a Hole in One, Sunday, June 5th on hole #8 with his pitching wedge from the white tee. His wife Beth Prior witnessed this great shot!
- **Karen Gillis** aced the 110 yard par three 14th hole Sunday June 12th using a 7 wood. Karen also scored her best round ever with an 81!!
- Talk about Great Rounds and Great Shots! How about a great foursome! June 3rd the foursome of **Beth Branick, Cindy Hartwell, Laurie Chatey, and Marcia Hayton** witnessed two eagles in one round and 4 great scores. Marcia eagled number 11 with a sand wedge shot from 63 yards followed by Beth holing out on number 12 with a sand wedge from 53 yards. Cindy had her best round in a couple of years with a 79. Laurie had 81, Beth had 82, and Marcia was the medalist with a 77 which included three birdies and the eagle! Great Day Ladies!

Chef JP and I wanted to extend a heartfelt THANK YOU to our members for the great support of our A la Carte dining nights! We are thrilled to see our full dining room and the energy created as friends and family break bread together. Prime Rib Friday's has been a huge success! We are adding Thursday "Appy Hour" where you will find a selection of \$5 appetizers on our a la carte menu and Pub menu. They are great for one and also shareable.

As we get busier I wanted to mention the importance of making a reservation. This helps us tremendously with planning and execu-

tion. Please give us a call as soon as you have your date and we will be happy to make your reservation! Also, if you need to cancel please let us know as soon as possible.

Have you had a chance to stop by the Turnhouse and visit our wonderful Megan? You can fill a brown bag with a sandwich, snack and drink at a discounted rate. Megan also has a cold towel waiting for you!

Stay tuned for upcoming specials and news!

FROM THE CHEF

BY: JEAN-PIERRE ROBERTS

Hello! It's getting hot out there here's a cool recipe to beat the heat.

Watermelon Berry Gazpacho

Serving size: 10 people 8oz servings

Ingredients:

Watermelon.....1/4 of a 10lb melon or 2.5lbs of seedless melon meat cut off the skin.

Strawberry.....1 pint of fresh strawberries cleaned and cut

Simple Syrup.....1/2 cup cooled

Crushed ice.....1/2 cup

Fresh Mint Leaf..1 sprig

Procedures:

Cut and clean all fruit, cut all fruit into a med dice for easy blending. In a med sauce pan 2 cups of water bring to a boil and pour 1 cup of sugar and reduce to 1/2. (when making simple syrup the sweetness can vary by the amount of sugar you add to the water). Cool simple syrup to 55 degrees. Place the cut fruit in large blender and pulse chop until all fruit is blended, add ice and simple syrup and blend well. Chill and serve in your favorite chilled soup bowl. Garnish with a mint leaf in the center of the gazpacho. There you have a fun chilled start to any great meal. Pair with a healthy spinach, cran-raisin, red onion, candied pecan, and Shrimp, chicken, salmon, or Ahi tuna salad. Remember to taste your food all the way through your cooking procedures.

Of course the best way to beat the heat is come dine at Grand Haven and let me and my staff do the cooking for you!

DIRECTOR OF SALES

Welcome our newest Trial Member Sharon Hogue. Our ladies league is making her feel right at home on Thursdays and also invited her to playing in the June 9 & Dine. Be sure to introduce yourself next time you see a new face around the club.

When we started 2016, I set a personal goal of gaining 40 new memberships by the end of the year.

Here is my "Halfway Update":

- 10 New Full Golf Memberships
- 6 New Associate Golf Memberships
- 2 Reinstated Memberships

Putting us at a total of 18 Additional Memberships so far this Year! We still have a ways to go by adding 22 new memberships over the next 6 months.

We are gaining new members through your referrals and new residents moving into the Grand Haven community. New neighbors or friends are the best referrals to join the club! A smart man

once said, "If every member referred just one new member, the club will always thrive." We rely on your feedback, your input and your invitations to potential members to grow.

With that being said, it is my pleasure to introduce to you "Operation: Newbie!" We are encouraging all members to invite a "newbie" as a guest FREE OF CHARGE for the month of July!! A "Newbie" is considered a guest who has never played Grand Haven before. To receive your Free Newbie Guest Round Voucher, you must reserve your tee time through myself or Andrea. We will be asking for your "Newbies" information to follow up after their round. Members are not limited to only one "Newbie," bring as many as you can. Now is the time to invite that new neighbor, friend who has just moved into the area, or even that relative that just arrived on your doorstep.

Operation: Newbie

This July we're offering a free round of golf to any Member's accompanied guest that has never had the opportunity to play Grand Haven!

What is Operation: Bring a Newbie?: An opportunity to introduce newbies to the club FOR FREE!

What is a Newbie?: A newbie is considered a guest that has never played our course before.

How do I Participate?: Book a tee time through Jeri Harper or Andrea Knox with your newbies information Including email address and telephone number. Bring as many as you can!
