## FROM THE SUPERINTENDENT TJ WEST

The Grand Haven Golf Course Maintenance team would like to wish everyone a Happy New Year! We would also like to thank everyone for the holiday wishes, crew lunches, cards, baked goods, and Joy Fund contributions! The members at Grand Haven are second to none!

I would like to take this opportunity to review 2017 and discuss what we have in the works for 2018. 2017 proved to be one of the wettest years, not only in recent memory, but historically! 78.25 inches of rain was recorded during 2017...compared to 43 inches during 2016. The county average is 50 inches and the record is 79 inches recorded in the 1953.

One of the biggest contributing factors to the rainfall total was Hurricane Irma on September 10<sup>th</sup>/11<sup>th</sup>. Irma gave us 12 inches of rain in a short period of time! Maximum winds were measured at 83 mph. Hurricane Matthew in 2016 had taught us a lot and we prepared the course for the worst! Immediately following Irma we found the irrigation operating system to be devastated by the storm. Even with all the preparations, many control boxes were under water, electrical boards were not operating, and the main irrigation pumps had failed.

However, the large debris was less than Matthew...but the small debris, flooding, and bunker damage was significantly more substantial! An extremely wet October kept flooding a concern heading into the Fall and kept bunkers unplayable. There are still many areas of the property holding water.

With all this said...we are heading in to 2018 strong! Through all the inclement weather, the turf has remained healthy! The greens, by all accounts, are putting well and the tees have held up longer than in past years (we will look to level a few tee tops during the Spring/Summer). I am currently working with the Escalante Corporate team on scheduling the removal of Irma damaged trees and work should begin in the near future. More importantly, we are developing a scope of work for a bunker renovation in 2018! I do not have all the specifics at this time...stay tuned for more details! We are also heading in to 2018 strong from an equipment aspect! In my 3 ½ years at Grand Haven, nearly every piece of equipment has been replaced! Key 2017 additions to our fleet include a new John Deere tractor, a TriMax rough mower, a Dakota computerized topdresser, and an AgriMetal fairway aerifier have been fantastic! The new equipment has made our job a little easier and the end result is showing on the golf course! This is just a small snapshot of 2018 projects and we are looking forward to a very successful year!

For questions, comments, concerns, or suggestions, I can be reached by e-mail...[twest@grandhavengc.com](mailto:twest@grandhavengc.com)

During our MGA play day just before Christmas one of our members was driving his cart a little too close to the pond on hole #11 and got the cart stuff in the "mush" on the edge of the lake. The member is a truly great natured person and we all teased him some and he took it all very well saying we didn't mow the grass well enough. We pulled the cart out, everything was fine and everyone went on with Christmas. After reflecting on what could have happened had the cart tipped over (the cart was leaning towards the driver side of the lake) I decided to look up how much an electric golf cart weighs, 500 Pounds. A gasoline cart weighs 700 pounds. Had the cart tipped over on him in the lake I doubt if anyone could have turned it back over to free him. After talking with Andrea about the incident, she remembered a situation at a club near her some years ago. I looked online and sure enough found the club and the incident she talked about. One of the club members wasn't paying attention and drove a cart on a steep bank of a lake and the cart rolled over on them pinning the player under the cart in the lake taking their life. The other players in the group didn't even know where the player went until it was too late. So as a reminder don't think these carts are four wheel drive Jeeps! They can tip over very easily. Please careful where you are driving the carts!

AMANDA HOLDEN**

The holidays have hit their crescendo. As they exit, we are being left with time to reflect on what has transpired over the past year and looking forward to changes and challenges of the new.

Though this time of the year can be crazy hectic, it is so important to take time for yourself and those around you. What would you like to change for 2018? Perhaps, you want to set a personal goal of getting out and enjoying the golf course more. You may prefer relaxing in the club, enjoying the atmosphere, and having good conversation over a wonderful meal provided by the clubhouse restaurant. Whether your goal is of a social or physical nature, Grand Haven is here for you.

The 2018 Annual Membership renewal season was received by the members with a wonderful turnout of support. Thank you to all who took the time to bring in their renewal forms; it was wonderful to put faces to names.

As always, if you should have any questions or about your membership, food minimums, or charges, let us know; we would be happy to help.

Have a wonderful holiday and nothing but positive thoughts for 2018!

Happy New Year and good bye 2017. We had an absolutely packed holiday season with 33 events. Most events were Member Booked Holiday parties with some private outside events sprinkled throughout. The rockstars of the F&B team out did themselves with service and dedication. We're looking to keep the momentum going with a busy first quarter of 2018. Lots of milestones to celebrate including Birthdays, Anniversaries and other celebrations. Be sure to check out our calendar to get penciled in for your next celebration!

Over the next month, I'll be revisiting real estate offices and making contact with new residents inside the community. A personal goal would be to have every new Grand Haven neighbor join as a member at the club. To do that, I'll need your help!! By either introducing us to the new neighbor or hosting a new neighbor, I'll supply the golf and dinner, you just get them to the club. We'll do the rest! New members are a must to maintain a healthy club. To set up a visit, contact me anytime!

**FROM THE CHEF  
JASON STASA**

## FROM THE MGA MIKE TEBBANO

### Holiday Classic Tournament A Huge Success

The MGA held its Holiday Classic Tournament on December 6 and 13 and what a huge success. We had great weather, large numbers of league members involved, and an outstanding luncheon provided by Chef Jason. As had been previously explained, the Holiday Classic Tournament is based on a Ryder-Cup format where teams were organized and specific games were played matching teams against each other. The teams were the defending champs from last year "The Rudolph's" coached by Jack Hinsch and Tom Sweeney and the challengers were "The Bah Humbugs" coached by Ted Kolva and Bob Aiken. Week one of competition had a dead-even tie between both squads but week 2 proved the victor in the competition with "The Bah Humbugs" winning over the defending champs. Congratulations to all the members of the "Humbugs".

### The Shootout

January 11, 2018 is the Shootout featuring the top ten points leaders in a version of the battle scene in "Gladiator." More detail on this to come very soon.

### Membership

The MGA is always looking for new members. All Grand Haven men's golfers are welcome to join the fun of the league. If you are interested, see the club pros.

### New Champions: "The Bah Humbugs"

### "The Rudolphs"

### Team Captains

L-R: Rudolphs Captains: Tom Sweeney & Jack Hinsch, Club Pro Billy Van Ardsdale, Humbugs Captain: Ted Kolva & Bob Aiken

## FROM THE WGA SHEILA TEBBANO

The WGA played their 2<sup>nd</sup> Stableford tournament on November 14<sup>th</sup>. With all of our members back, we took team pictures for 2017-18. Here are the members of the Green, Pink and Purple teams. We continue to play the Stableford matches once a month until April. At the end our season, the team with the most points claims the prize for the year (and bragging rights).

We also had a special treat on our recent Stableford Day. Linda Stitzinger had a Hole-in-1 on hole #8. We got to celebrate with Linda during our luncheon. Congratulations to Linda on her Hole-in-1.

By the time you are reading this article, the WGA will be in the middle of our annual Angel Tree project at the club house. This is one of our favorite service projects. We partner with the Flagler County

School District to provide Christmas gifts for needy children. You pick an angel or angels, purchase the item listed on the angel and bring the unwrapped item to the tree, with the angel attached. This project is open to all members of the club and guests.

Warm wishes for a happy, healthy holiday season. Happy Hanukkah, Merry Christmas and Happy New Year.

Sheila Tebbano, President. WGA

## FROM THE LGL SALLY NORD

December is a wonderful time of year and the LGLGH gals had lots of fun celebrating the season. On December 4<sup>th</sup> we had our third Coastal Niners tournament of the year at Plantation Bay, Club de Bonmont. Reindeer greeted us for a perfect day of golf and camaraderie. The weather was terrific and the food was delicious. Once again, Grand Haven had some participants in the winner's circle. Joan Chirgwin was on the first place team on the North Course and Barbara McCarthy was on the second place team on the North Course. Sandy Malone was on the first place team on the West course.

On December 14<sup>th</sup>, we had our Christmas tournament and luncheon. Sandy Haines and her committee did an awesome job of making it a special day for our members. We actually had some surprise guests. Mrs. Claus was there in the morning passing out hot chocolate and cookies and Santa actually made an appearance after lunch. The food was delicious, the decorations were beautiful and the time spent with friends, priceless!!

Congratulations to our December "Game Day" winners Kathy Webster, Sally Nord, Cathy Whitby and Sandra Malone.

We look forward to continued good times golfing in 2018. Please feel free to contact me if you would like more information about our league.
