***NEW* COOKING
WITH THE CHEF**

FROM THE GENERAL MANAGER ANDREA KNOX

What a beautiful sight to see when four giant Club Car vehicle carriers rolled into the parking lot earlier this month to deliver our new golf cart fleet! Some of the great new features include cushy upholstered seats, a comfort grip steering wheel, tinted windshields, magnetic grip rain hood clasp, sleek new front cowl design and the addition of a USB port on the dash to power and charge your portable devices. The new features are fantastic but even better than all that is the smooth and quite ride! The fleet has also been increased to 75 carts in an effort to help combat excess battery hours and improve availability at peak demand times during season. All in all, a great upgrade that we will all enjoy.

GOLF CART GUIDELINES

1. Observe the 90 degree rule
2. Obey the green post and exit the fairway to the cart path
3. Keep carts on the cart path around all tees and greens and on all par 3's.
4. Handicap flag carts should keep the cart at least 30 feet from the green as much as possible. avoid slopes and limit travel to the shortest route possible.
5. Scatter cart traffic when entering and exiting the fairway
6. Always buddy up in carts. No single riders unless in a threesome.

ALL DAY!

FROM THE GENERAL MANAGER ANDREA KNOX

We have some other upgrades scheduled to happen at the club this month as well. During the second week of July, we will be converting our internet service to Spectrum. After an extensive review of our options, we feel Spectrum was the best fit for internet speed, cost and television service that would go out every time it rains! The transition is expected to be seamless, but let's keep our fingers crossed just in case.

Later this month we will be converting our golf handicap service from Golf Net to GHIN. This conversion is part of efforts made by the USGA and R&A to bring about a universal world handicap system by the year 2020. There will be some new processes and procedures that we will all need to employ, but the end result will be a more portable handicap whether you are playing in the US, the UK, or anywhere else in the world. Watch your email for information and instructions as the new system is deployed.

Speaking of the R&A - The British Open returns this year to Carnoustie Golf Club in Scotland, site of the notorious Barry Burn (a narrow stretch of water that snakes it's way through the course) which was the undoing of Jean Van de Velde in 1999 and forced Padraig Harrington into a playoff which he ultimately won in 2007; the last two times The Open was held at Carnoustie. You'll find tons of fascinating information about the playing of the 147th Open Championship and Carnoustie Golf Club on the internet at www.theopen.com or www.carnoustiegolflinks.co.uk. But the best thing about the Open for all golf junkies is the television schedule! If you can't sleep, you can watch the Golf Channel Thursday 7/19 and Friday 7/20 with coverage starting at 1:30AM until 4pm! Pure golf heaven for all insomniacs!

Quick thank you goes out to Shaw Tree Service for their assistance recently with installing a new halyard on our flag pole. At thirty feet in height and it's location in a landscape bed, the reach proved too great for the CDD bucket truck who also graciously offered their services.

Now get out and play!

Andrea

The club may be entering the "Dog Days of Summer" but the membership sales are not!!! Please welcome to the club new Trial Member Steven Felahis and Scott Glazier as well as Full Golf Members, Kami & Dave Neely. We also had six Social Members join! Keep sending in your referrals. I have also reached out to members in search of new residents who may be interested in joining the club. New neighbors or just a couple you met at the tennis courts are always a great referral to the club. I'll contact them personally, extend an invite to play the course or dine in the restaurant.

Do you have a milestone anniversary or birthday coming up? Let the club host your next event. Specializing in small to medium sized events, we can create customized menus to fit any budget! The best part; the Grand Haven Team will be with you every step of the way. Give me a call to set up your next event!

FROM THE HEAD GOLF PROFESSIONAL BILLY VAN ARSDALE

Callaway Demo Product is here! If you missed the Callaway Demo Day and want to try the new equipment, stop by the golf shop. Callaway also offers trade in for any top line clubs; they do not have to be Callaway. All Callaway requires is the year model of the club(s), lofts of metal woods, and the type of shaft. We will have an estimate for the trade value in minutes.

The U.S.G.A. has made sweeping changes to the rules that will go into effect January 1, 2019. Some of the high profile clubs in America have already adopted the changes and put them into effect at their clubs. We have decided to follow this pattern and go forward and adopt the new rules as "local rules" so the changes will go into effect at Grand Haven September 1st. The changes are very easy to understand and I will highlight a few of the changes in the newsletter as we go along.

So first we will look at the "penalty areas" these are what we used to call "hazards". They will still be defined by yellow or red lines but they have changed the name to "penalty areas". You will now be able to remove loose impediments (sticks, leaves, stones, etc) from penalty areas and bunkers. Along the same lines when you are dropping your ball in a penalty situation you will no longer have to drop from shoulder height you may drop from your knee height.

To access all the changes simply go to the USGA.ORG website and type in 2019 rule changes. We will be hosting a cocktail party for a thorough review of these rules on August 7th at 4pm. Please RSVP in the golf shop to attend.

FROM THE OFFICE ADMINISTRATOR AMANDA HOLDEN

Hope all you dads had a great Father's Day and enjoyed time spent with family and friends!

June did just as predicted; hot and wet. In some places it wasn't inches of rain which fell but feet. Now that we have all the moisture around, humidity and heat indices are on the rise. You can't stress it enough – listen to your body! Know your physical limits and try not to push it. Keep hydrated and stay cool.

I do want to thank everyone for keeping an eye on their monthly member charges and statements. We are having fewer and fewer instances of items being charged to the wrong member account but when it does happen and is brought to our attention, the issue is resolved quickly. The best way to keep on top of your statement, along with your food & beverage minimum, is to log in to your member account. If you are unsure of the process or have misplaced your user ID and password, let me know! I can help you get logged in and be up and running in no time. You can contact me directly via my email address – aholden@grandhavengc.com or call the club at 386-445-2327, option 7. You can also stop by the office Monday through Friday from 8:30 a.m. till 4:30 p.m.

Enjoy your summer and here's to a safe and fun 4th of July!

FROM THE MGA MIKE TEBBANO

The MGA season began anew as July 1, 2018 with a new slate of Board officers and activities planned for the coming year. Our organization has benefitted from the talent and efforts of many significant volunteers. Their contributions keep the MGA a strong viable organization that contributes to golf here in Grand Haven as well as the camaraderie of the members and support we give each other throughout the year. Our 2018-19 Board officers are as follows:

President:	Jim Golomb
Vice President:	Mike Tebbano
Treasurer:	Rich Kawa
Tournament Director:	Mike Rowlands
Rules and Grounds:	Hawley Rogers
Handicap & Sunshine:	Roland Robichaud
Membership:	Jan Marsh
Website:	Steve Samuel
Newsletter:	Mike Tebbano

Membership in the MGA is open to all men in the Grand Haven community. Our membership fee is \$ 40.00 for the year. For more information, visit our website at ghmga.com.

Upcoming events, the MGA is preparing for the "Boys of Summer" Team Tournament for all members on August 1st and 8th here at Grand Haven. The "Boys of Summer" Tournament divides the playing field into two teams created through a Captains draft. The event covers Wednesdays, August 1 and 8, 2018 and is like a Ryder Cup format in which the winning team is the team that collects the largest number of points during the two-week tournament. A "Boys of Summer" Luncheon will be held immediately following the final round on August 9th.

All players (MGA Members) will sign up for this tournament (as individuals) in the SIGN UP BOOK located in the Pro Shop starting July 11th and ending at 2:00 pm on July 25th. If you're not sure where this book is, simply inquire at the Pro Shop Desk.

So, come join the fun and be a part of the MGA.

**Thank you again to our
MGA for donating the new
yardage sign at the range!**

FROM THE WGA SUZETTE SWEENEY

Hope everyone is having a safe and happy summer. The course is in beautiful condition. We have experienced a lot of rain these past few weeks but Tuesday golf is continuing. If you have any comments or questions please contact me or Sara Lockhart.

When You Hear Thunder, Lightning is Near!

Immediately head indoors!

Seek

- >> Large, permanent building
- >> Fully-enclosed metal vehicle (cars, vans or pickup trucks)
- >> Lowest elevation area

Avoid

- >> Tall Objects (trees/poles)
- >> Small rain and sun shelters
- >> Large, open areas
- >> Wet areas
- >> Elevated areas
- >> All metal objects including, golf clubs, golf carts, fences, electrical and maintenance machinery and power lines.

If sudden, close-in lightning does not permit immediate evacuation to a safer place, spread out from your group, squat down, tuck your head and cover your ears. Head for the safest place as soon as immediate threat passes.

Discontinuing Play in Competitions

The USGA emphasizes that players in a competition have the right to stop play if they think lightning threatens them, even though the committee may not have authorized it specifically by signal, (Rules 6-8 and 33-2d).
