Looks like we have made it all the way to March this year with barely a frost delay and lots of perfect golf weather. Luck of the Irish maybe?

We are kicking off March with a 9 and Dine on Saturday the 4th! This popular format is a great way to meet some new people and have some fun. The format will be a four person scramble. You can sign up as a foursome or we will be happy to pair you up! Details and sign up is available in the golf shop.

Have you been thinking about giving golf a try but just don't know how to get started? We have created a program to introduce you to the game, provide you golf instruction, and get you out on the golf course playing! The program will begin Monday March 6th. Look for Rick's Golf School flyer in this newsletter for details or call the golf shop. Come learn the game of a lifetime!

For our non-golfers we have a fun evening planned the following weekend to get you out dancing! Endless Summer, a Beach Boys tribute band, will be here Saturday March 11th to entertain us. Dinner, music and dancing on Saturday March 11th. Dancing shoes and reservations required.

We'll go from dancing to beach music to avoiding the beach (also know as a bunker or sand trap on the golf course) at all cost the following week end with the annual contest for Club Champion". 36 holes of head to head competition is scheduled for Saturday March 18th and Sunday March 19th to determine the best players at our club. But don't let

the competition scare you! All Golf Members are encouraged to participate; it's a great experience and we need to give the eventual winners some competition! Laurie Chatey is 2016's reigning Women's Club Champion and Richard Frank is the 2016 Men's Champion. Who will challenge these two for the 2017 title? Play to give the champs some competition or play to support the efforts, but come out and play!

The Women's Member Guest will be hosted here at the end of March. Ice Breaker Cocktail Party On Thursday March 30th followed by a 36 Hole Ringer Tournament played on Friday afternoon and Saturday morning all wrapped up in a Florida Par-Tee theme with great food, fun, prizes and friendship! Golf members are encouraged to invite up to three guests or you can pair up with another member and her guest. If you need help putting together a pairing; just let us know and we'll be happy to help.

Getting a little ahead of myself on the calendar here but be sure to check out the Bus Trip to Black Diamond on May 22nd. There is a flyer with the details on page 13 of this newsletter and we are starting to take reservations. Space is limited to 48 so don't miss out on a great trip to play The Quarry course . . . it is awesome!

A couple of reminders please as we are in the peak of our busy season. #1. Please, please, please . . . If there is no personnel at the bag drop when you arrive for golf, please stop in the golf shop to let us know you are here. It is crucial that we know who is on the

course not only for obvious reasons of round counts, fee collection and score posting- but also for your safety. #2. One cart per twosome and 2 carts per three some or foursome please! Not only do we need every cart we have available at this time of year, but this also helps to reduce the wear and tear on the golf course! Cart traffic is the number one reason for thinning turf in high volume areas. The constant traffic compacts the soil and makes it more difficult for water, air and nutrients to penetrate to the roots resulting in weak turf. This is especially important during these winter months as turf is already stressed and recovery is slow. This also plays into #3 Please be conscious of where you are driving. We ask golfers to keep carts on the path at all tee boxes and greens plus the entire length of par three's. Unless you truly have a handicap that does not allow you to follow these guidelines, please be considerate of the turf and playing conditions by being aware of where you drive. A side benefit of course is something we can all use . . . a little exercise!

A shout out of Congratulations to our WPC Women Golfers for retaining the Cup from this year's interclub matches! Nice going ladies!

*May the wind always be at your back,*

*"My goal at Grand Haven has been and will always be, to have a golf course that we can all be proud of. It is a team effort that takes all members of the Grand Haven family! I work every day in order to achieve that goal! With your cooperation...we can continue to do so... together!"*

## Turf Talk

### By: TJ West, Superintendent

I would like to start off by wishing Mr. Cousino a speedy recovery after a recent medical procedure! Mr. Cousino has always given me both positive and negative feedback about course conditions and has made me a better Superintendent because of it! I have a tremendous amount of respect for him and cannot wait to see him back on the course very soon!

It is hard to believe that I am writing the March Newsletter! It seems that the months are flying by! February brought more precipitation, 2.25", than we had received since October. However, looking at the lakes, we can all tell that it isn't enough! Traditionally in our part of Florida, February is one of the coldest months. In February of 2016 we had three frost days, two of which were below freezing. This year our coldest day was 39 degrees on February 17th and we did not have a single frost day. Winter is winding down and we may see a cold day or two in March, but the likelihood is small.

After the February newsletter went out, a member made me aware of the fact that no one pays attention to what was said about golf course etiquette. That's fine...I would be doing the membership at Grand Haven a huge disservice by not talking about it! The team at Golf Course Maintenance works hard every morning to prepare the course for the play that day. Ultimately it is up to you as members to keep it that way throughout the day! PLEASE fill divots, PLEASE rake your footprints in bunkers, PLEASE enter/exit from the low side of a bunker, PLEASE fix ball marks, PLEASE do not "scuff" your feet when walking across a green, PLEASE keep carts off of

tee and green slopes, PLEASE do not ride directly over tee tops in order to avoid ropes/stakes (didn't think I would ever have to mention this!), PLEASE adhere to the 90 degree rule when leaving the cart path. Following these request will make everyone's experience at Grand Haven more enjoyable and would help us out tremendously. My goal at Grand Haven has been and will always be to have a golf course that we can all be proud of. It is a team effort that takes all members of the Grand Haven family! I work every day in order to achieve that goal! With your cooperation...we can continue to do so...together!

Last month we started our Spring cultural practices. This is due in large part to the warm weather. On February 20th we did a light verticut and topdress on the greens. This is the earliest that I personally have ever verticut! Many of the tee boxes show how busy the course has been. As I write this newsletter, we are aerifying blue, white, and green tee boxes. This will be done on a monthly basis as we work to heal the damaged areas. Besides some of the tee boxes, the course has "wintered" very well. If the March forecast holds true, we will be mowing grass non-stop sooner than in the past. This month we will continue to do more of the same cultural practices as we gear up for a great summer!

Shaw Tree Service completed Hurricane Matthew cleanup on February 7th. We are in the process of addressing many of the areas that Shaw worked in. They were contracted to only trim/remove large trees and grind the stumps. The removal of the underbrush and stumps that they did not grind will be up

to the Golf Maintenance team. Even with the above average temperatures, we are working hard on clearing many non-turf areas. This year the team is doing a phenomenal job with the clearing and I could not be happier! My fear is that Mother Nature will force us to mow at a greater frequency sooner and we may run out of time before we complete all these areas! That scenario can be seen as both a good and a bad thing.

On March 30th, Escalante Golf will host the first round of the Shell Houston Open at The Golf Club of Houston. This year, I was asked by Escalante to be a part of the volunteer staff for tournament week. I am not sure yet what I will be tasked with (raking bunkers, cutting cups, etc.), but I am excited for the opportunity! If all goes according to plan, I will fly out on Saturday March 25th and return home after course preparations are completed for the final round on Sunday April 2nd. Obviously, my responsibilities at Grand Haven come first...things can change between now and then! If I am able to attend, I will be sure to share photos of the experience, in an upcoming newsletter.

Many of you have stopped me to talk or sent an email with questions, comments, or concerns. I thoroughly enjoy conversing with the membership and try to make myself available to do so! As always, I can be reached by email, [twest@grandhavengc.com](mailto:twest@grandhavengc.com).

## From the Golf Shop By: Billy VanArsdale

I want to take the time to thank all the members who run the weekly groups and the Association Committees who plan and arrange the season's events. With the fantastic weather we have experienced this winter you have all been so cooperative helping us fit other players in

with your groups and just letting the Golf Shop know if you are not going to fill all your slots. The Associations have put forth an effort to help encourage faster play among its members so many thanks from us to all of you! The course has played a lot of rounds this winter and your

cooperation, everyone can enjoy their round.

## New Members at Grand Haven

Ronald Ferrara  
Single Associate

## Membership, Parties, & More By Jeri Harper, Director of Sales

How important are new members to our club? They say that "If every member referred just one person, a club would always thrive." Our number one resource of new members has been referrals and real-estate. 123 homes were sold last year inside the gates of Grand Haven. That's a potential of 123 new members to our club. We know not all new residents are golfers but we are hoping to create golfers with our new golf school!

Knowing how crucial new residents are in creating new members, the golf club has sent out welcome letters to all new residents who purchased homes in 2017. While the welcome letter and invitation to play the course does bring us a few prospects, we're also looking to our current membership to reach out to your friends and neighbors. Maybe it's your new

tennis partner who plays golf or your new bridge partner that would enjoy our social membership. We're happy to make a lunch or dinner reservation or a tee time for any potential new member; just have them contact me to set it up.

After introducing our new residents to our golf club, we always point them in the direction of our Trial Membership. The Trial Membership is a great opportunity to experience the golf club without making a full commitment. The Trial Membership includes full golf benefits for 3 consecutive months, for only \$1200. The best part of the Trial Membership is being able to apply the \$1200 toward any initiation fee as a credit! What a great opportunity to try it before you buy it!

## The Hub of the Club By Sarah Wells

Since March is the month we celebrate St. Patrick's Day and we talk about being Lucky, this month's topic for me is our Hole-N-One Club. By joining the Hole in One Club, you are insuring that if you are lucky enough (or good enough!) to have a Hole in One—your Bar Bill is covered for all those drinks you would have to buy! And, if you are at the club on a day someone else has a Hole in One that is in the Hole in One Club—you get a Free Drink! Either way, it is \$3.00 that is well invested! Many members have come and gone over the last few years that were part of this group, so for 2017 this list was part of the sign-up process for dues. There were 3 options, 1. Sign Me Up, 2. Sign Me

and My Spouse Up, or 3. No I don't wish to participate. If you did not check these boxes then you have not been put into this group. The charge to be in the Hole-N-One Club is \$3.00 per person. The \$3 is not charged every time there is a Hole in One, only when funds in the club fall below \$500. If a Hole-N-One happens and the balance is **OVER** \$500.00 then no charge will occur. If you missed this sign-up or want to make sure you part of this list please send me an email or give me a call. You can sign-up in my office or through the Golf Shop. If you have any questions just let me know. Until next time I hope you all are LUCKY on the golf course!

## From the Kitchen By Chef JP Roberts

Hello everyone in Grand Haven, oh how time flies. I am celebrating my first anniversary this month and would like to thank all of you for all the support. Enough about me, I hope everyone has seen the new ala carte menu. We have added some favorites from the lunch menu that will really round out the menu offerings. Please be sure to ask about some of our vegetarian offerings as well. I have

been studying up on my vegetarian. We also have many events to sign up for, I am cooking four whole pigs for Endless Summer, the Nine and Dine menu is looking amazing with a carving station and baked potato bar. We are going to celebrate March Birthdays with an homage to Ireland cooking corned beef and cabbage, and authentic beef pie. For my golfers please check your dates and sign up

for all of our two day tournaments – we have some great menus planned. Come in and celebrate hump day with “Wine Down Wednesdays”, ask me how to get a free bottle of wine on Wednesdays. It has been a great year so far and I look forward to the rest. Here from a little kitchen in the heart of Grand Haven, this is Chef saying “if the water isn’t boiling just add some salt”.

## Handicap Committee

By: Roger Consola & Billy Wood

For the month of January, we started a new policy of letting golfers know when he/she was getting a Penalty score for not posting. We are hoping the notices would act as sort of a reminder.

The pro shop got some push-back from some who felt warnings or pre-penalty notices should have been sent BEFORE the "P" was issued. Sorry - enough information and notice of the process has been out there for more than a year, and it's always the responsibility of each golfer to post all score, home and away.

There was also a very surprising up-tick in no-posts. About 800 rounds were reviewed, and there were about 50 no-posts – over 6%.

So we don't know the answer; however, Club competitions are on-going, plus more are coming up quickly, so handicap accuracy is more relevant.

Please be reminded to review addition, turn in your cards (we have gone back to the drop-box by the computer), and post with 72 hours of your round.

## Grand Haven Women's Golf Association By: Sheila Tebbano

The Grand Haven Women's Golf Association began a new activity this season. On December 12, 2016 we hosted our first Interclub event with the ladies from Hammock Beach Women's Golf Association. This event brought 14 players from Grand Haven and Hammock Beach together for an afternoon of golf, followed by a cocktail hour and a delicious dinner.

On Monday, February 27<sup>th</sup>, the HBWGA will host our second event of the season. 15 GHWGA members will travel to the Conservatory Course for afternoon golf with the Hammock Beach ladies, followed by dinner.

These events provide our members with an opportunity to meet new golfers and play different courses.

## Ladies Golf League of Grand Haven By: Sally Nord

The LGLGH is a nine-hole league that is open to all women golf members or associate members of the club. We meet each Thursday morning for an 8:30 shotgun start. Twice a month we have a game which is purely for fun. We have two flights and the winner of each wins \$5.00. We encourage members to come in for lunch after play to enjoy the social aspect of the league. The LGLGH is also a member of the Coastal Niners, which is an inter-league club. There are eight different clubs in the Coastal Niners and we play five tournaments a year.

We want to welcome our newest member, Joan Chirgwin. Also, congratulations to our "game day" winners for February: Alice LaFond, Kathy Lynn, Pat Johnson, and Joan Chirgwin.

## LEARN & PLAY

### Learn the Game of Golf!

Have you been thinking about giving golf a try but just don't know how to get started? I have created a program to introduce you to the game, provide you golf instruction, and get you out on the golf course playing! Aside from making a swing that connects with the golf ball consistently, the biggest challenge a new golfer faces is having someone to play with and actually getting out on the golf course.

This program helps you conquer those hurdles. Right here in your back yard is a beautiful golf course just waiting for you to come play, add in the camaraderie of friends and neighbors learning right along with you and this is the perfect start on the game of a lifetime!

The stunning Quarry Course, the first at Black Diamond, is consistently recognized as one of America's greatest. While the list of awards and accolades is impressive, it could never compare to the experience of playing it. Beginning with the elevated tee shot on the 424-yard first hole, the front nine redefines golf in Florida. You'll experience dramatic elevation changes, classic bunkering, and fairways framed with thousands of beautiful live oaks, dogwoods, myrtles, and magnolias. While it's difficult to choose the most outstanding hole on the front nine, perhaps the two par 5's, the fifth and ninth best exemplify the beautiful but challenging experience that awaits you.

### IMPORTANT NOTES

- Quarry holes #13 through #17 require Carts Stay on Cart Paths Only. Be prepared to do a bit of walking!!
