## FROM THE GENERAL MANAGER ANDREA KNOX

When I think of the saying “March comes in like a Lion”, it seems to more accurately convey the activity level on our events calendar than the weather! We certainly enjoyed a mild February, evident in the recent flush of green everywhere, and with the peak of season upon us; there is something for every interest on the calendar this month. Grab your calendar and don’t miss out on some great events!

Every Wednesday this month I will be conducting a FUNdamentals golf clinic for ladies focused on the short game. From putting through sand shots, we’ll cover the basics for success and have some fun along the way. Blast the ball as far as you can off the tee, but if you can’t get it in the hole you’re only playing half of the game! This series of clinics will be followed by an on course short game challenge series beginning in April “#Canyoushoot36”. Each Wednesday afternoon, you can challenge yourself to shoot 36 beginning from 50 yards from the hole. Once you shoot 36 from 50 yards, the following week you move back to 75 yards, then 100 yards. Sound easy? Come give it a try and improve your scoring ability in the process!

While we are talking short game . . . Come join us for “Pints and Putters”

Congrats to  
Dianne Robichaud

#### GOLF CART GUIDELINES

1. Observe the 90 degree rule
2. Obey the green post and exit the fairway to the cart path
3. Keep carts on the cart path around all tees and greens and on all par 3's.
4. Handicap flag carts should keep the cart at least 30 feet from the green as much as possible. Avoid slopes and limit travel to the shortest route possible.
5. Scatter cart traffic when entering and exiting the fairway
6. Always buddy up in carts. No single riders unless in a threesome.

Wednesday March 6th 4:30 to 5pm on the putting green. Titleist has provided us their full line up of Scotty Cameron putters for you to test and we'll provide a keg of beer to help get your attention! No obligation, no cost, just some seriously great putters that you really should come check out!

Maybe a new putter is just what you need for motivation to sign up for the Club Championship? This club tradition is one that really doesn't matter if you think you can or think you can't - you just need to participate! We have altered the format this year for the net division—changing the format to Net Stableford rather than net stroke play. This change provides a little room for our less competitive golfers to stay in the game even with a blow up hole or two during the rounds. The Championship division is still 36 holes of Gross Stroke play to determine our best male and female players. Joan Callahan and Will Yorgey will be defending their 2018 titles - please show your support and come play!

Ability and interest level aside, sometimes it really is the equipment! In addition to the Scotty Cameron line up of putters we have on loan this month, Callaway will be here Friday March 8th for a fitting day and Titleist will be Friday March 29th! This is an opportunity you really shouldn't pass up. With custom fitters here to work with you using trackman and an expert knowledge of their equipment, it's a chance for you to truly enhance your enjoyment of the game with the right equipment. For personal attention, you will need to make an appointment in the golf shop. You are also welcome to stop by during the event and try any of the line up on the range yourself. Hope to see you there!

Do you remember how to do "The Bump" or strike the classic John Travolta Saturday Night Fever pose? Of course you do! Come join us for Disco Fever dinner and dancing Saturday March 30th and enjoy the 70's cover band "Hot Stuff and the Divas of Disco". Bell bottoms and sequins encouraged!

It's going to be a great month at Grand Haven Golf Club!

Now get out and Play!

*Andrea*

Don't forget **Daylight Savings** begins Sunday March 10th! Clocks move ahead one hour and we'll lose some early morning daylight for a while! But - it give us a little more time to play into the evening!

"Coming together is a beginning. Keeping together is progress. Working together is success." --Henry Ford

## FROM THE SUPERINTENDENT TJ WEST

February was a beautiful golfing month! We saw many days where the temperature was in the 70's and 80's with zero frost days! The course only received a little over 2 inches of rain as well! Overall the Winter so far has been a good one!

The warm weather has the turf starting to "wake up". The greens struggled a little as we made two herbicide applications for Poa control and were surprised by a disease that appeared after a wet, humid, overcast weekend. We were successful in controlling the disease and the greens have healed nicely! A needle tine aerification, Fungicide/Wetting Agent application, a granular fertilizer application, and ceasing Plant Growth Regulator applications all aided in the healing process. However, due to the healing process, the greens speed slowed down for a few weeks. We are now back to more normal practices and the greens will gain speed! Tee's and fairways have benefitted the most from the warm weather. Aggressive fertilizer practices have helped too! We have another bulk fertilizer application scheduled for the middle of March.

The staff has been able to complete a lot of clearing! Many areas that have not but touched in a few years are now clear. The staff that was added in 2019 has gone a long way in helping this process! We are still looking for one more staff member. That person should be hired soon! I am extremely happy with what has been completed and what we will be able to complete with the staff additions!

For questions or comments I can be reached by e-mail...[twest@grandhavengc.com](mailto:twest@grandhavengc.com)

## FROM THE HEAD GOLF PRO BILLY VAN ARSDALE

Winter of 2018 is in the past now and golf is in full tilt at Grand Haven. We have a great golf course to enjoy playing and we are asking our members to take an active role in driving and parking our golf carts where the Golf Course Superintendent requests. The traffic patterns around the putting surfaces, the aprons, and the greenside bunkers need to be free of wear from golf carts. Continual traffic wears down the grass blades and causes the area to be thin. Full growth will never occur if carts continue to ride and park on the grass in these green side areas. Several members within their own "play groups" have pulled together and are imploring the fellow members to park the carts around the putting surfaces where they belong - on the cart paths. The reason behind this benefits every single one of you. The purpose is not really to look better, even though it does, the reason is to allow the grass to reach its full potential and thus YOU will have a better playing surface when you are chipping or pitching around the green. A bare lie pitch or chip shot is one of the most difficult shots in golf and requires a tremendous amount of skill to strike properly. It's probably as difficult as hitting a bunker shot that wasn't raked. Help us help you, keep your cart on the path around all tees and greens.

## GREAT GOLF SHOTS

Dennis Emerick Eagled the par 5 seventh hole Friday February 22<sup>nd</sup> using a sand wedge for his third shot. Dennis's Eagle was witnessed by Dale Keller, David Whitby, and Shaun Porter.

Ed May aced the 17<sup>th</sup> hole Saturday, February 23<sup>rd</sup> using a 4 rescue club. The ace was Ed's third in 50 years of playing the game and his first at the 17<sup>th</sup> hole here. Ed's one was witnessed by Tony Guiglotto, Jack McCarthy, and Art Canino.

## FROM THE SALES OFFICE JERI HARPER

I want to start off this month with a big Thank You to our new members and alumni members who attended the New Member Mixer. We had such a wonderful turnout and a lot of mingling! With so many new members, it's important to make sure we are welcoming them into our groups, tournaments and events. To help with this process, we have a Membership Committee. The committee is a group of 10-12 members and spouses from different walks of life and different corners of the club. We had our first meeting of 2019 to discuss how our members can help with the onboarding process of a new member. Onboarding new members includes signing them up for leagues, inviting them to the social events and jumping into other groups throughout the week. I can't brag enough about the welcoming our membership already gives to new members! Another layer to the membership committee includes the search for new members! You may ask, "How do we keep a healthy club?" The answer, have every current member refer just one new member during their lifetime. The membership committee will help with the process of relaying the importance of referrals to the membership. So, in closing, my challenge to all current members is to refer just one new member during the lifetime of your membership. Just one; are you up for the challenge?

## FROM THE WGA SUZETTE SWEENEY

The season has been busy with a full calendar of events. Our membership is strong.

The WPC season has been completed. Grand Haven came in 3<sup>rd</sup> place. We have 2 more Seagals events. The next match is at Oceanside on March 12 and we end the season at LPGA on April 9. The scores are very close. Grand Haven is currently in 5<sup>th</sup> place.

The Women's Invitational (Member/Guest) is scheduled for April 11-13. "Celebrating the Masters" is the theme. The registration form and guest invitations are available in the pro shop. Members are responsible for mailing the invitation to your guest. If you are interested in playing but do not have a guest please let me know.

The Club Championship is scheduled for March 16-17. In the past, attendance has been low. However, this year the club has added a Stableford competition to encourage more participation. Sign up is available in the pro shop.

See you on the course.

## FROM THE LGL CAMILLE HINSCH

Well here we are in March already, just seems not too long ago it was January. Hope everyone is enjoying the beautiful weather we have been having. The Coastal Niner's will be at Oceanside on March 7th. Eleven of us are going representing Grand Haven and the LGLGH. Also wanted to remind you of two dates, one being our Women's Invitational on April 11 to 13. You are able to invite three guest or you can play with one guest and another member and her guest. The committee is working hard to make it a fun tournament and all ladies are welcome. The other date is April 23rd, it's a Tuesday and it is a charity event, again all are welcome to enter this tournament as a 4 some or an individual and they will place you on a team. More information on these tournaments will follow. On February 23rd our game for the day was won by Merri Tulli in flight one and Margaret Bonz and Camille Hinsch tied in flight two. Will let you know how we made out at Sugar Mill in the next news letter.
