Sorry this newsletter is coming to you a little late this month, it seems like just yesterday that we published the September newsletter. There has been so much going on since Hurricane Irma slowly crept through our lives. From chopping down trees, clearing debris, and meeting with insurance adjusters through rescheduling events, reopening facilities and trying to keep everyone updated; time has been a little warped. However, while this months newsletter may be a bit late you'll still find lots of great information and exciting upcoming events to mark your calendar to attend.

As many of you are aware, we recently formed an Advisory Committee for the purposes of helping with the flow of communication and information back and forth between management and members. Our first meeting

took place August 14th with members invited to participate for a term of one year. Advisory Board members include a representative from the Men's Golf Association - Larry Geiser, Women's Golf Association-Sheila Tebbano, Ladies Golf Association-Sally Nord and members at large: Gino DiGore, Paul Gillis, Glenn Mueller, and Jackie Poole. I would encourage everyone to log onto the Grand Haven Member website and read the minutes, I think you will find them very informative and give you a better understanding of where we are at and where we are going on a lot of fronts. Our second meeting was held October 2nd after being postponed due to "Irma", you will find those minutes have been posted on the website as well.

Our busy season is knocking at the door. Please

remember that we need all of you to keep our club going and growing! That means while it's nice to feel like you have the place to yourself during the summer, that just wouldn't be possible with out having months of peak usage as well. And on the flip side of course, our summer activity is crucial to maintaining the club year round. So please, be sure to keep the golf desk updated when you loose and gain players so that we can optimize the tee sheet for the enjoyment of all our members.

On behalf of the entire staff - we look forward to a great upcoming season of golf, dinning and events!

Now go play!  
*Andrea*

*“August was a dry month...until the 26th through the 28th. We received 9.7" of rainfall, 7" of that fell in those three days. The golf course actually had a few wet areas!”*

## Turf Talk

### By: TJ West, Superintendant

September was a pretty uneventful month for the Golf Maintenance staff...haha! As you all know, Hurricane Irma impacted the golf course on the 10th/11th and we have been working to fix issues ever since! While not as many large trees came down as during Matthew, the small debris was significantly greater! A Certified Arborist toured the course and we will receive a list of what trees will be trimmed and or removed. The course also received 7 inches more rain during Irma, giving us 16.5" for the month. The bunkers took a big hit during the storm. As I write this, we are awaiting a final insurance review that will let us know how we proceed. The biggest issue from Hurricane Irma has been with our irrigation system and pump

house. Four irrigation control boxes went under water and the remaining 30 had multiple computer board issues. All the issues are currently fixed! The irrigation pumps suffered a malfunction, as a result, the course was watering at half capacity for almost two weeks. We are currently operating at  $\frac{3}{4}$  capacity as we await the final pump installation. Our irrigation system requires roughly 1,200-1,600 gallons per minute in order to water the entire course. The two weeks after Irma we were operating at 800 gallons per minute. We were able to get extremely creative with our watering cycles. While the turf did show stress, we were able to keep things going through pure determination! October will be a “catch up” month while we still deal

with Irma issues. Our first fall pre-emergent herbicide application will go out. We will also apply two bulk fertilizer applications totaling 23 tons. 13 tons of fertilizer and the first pre-emergent application were both scheduled for the end of September, however we needed to wait on adequate irrigation water. The storm also delayed the delivery of our last few pieces of new equipment. However, it should all be on property soon! I could not be happier with the way the turf held up to the stresses created by Irma. Look for future updates on the remaining Hurricane issues! I can be reached for questions or comments by e-mail... [twest@grandhavengc.com](mailto:twest@grandhavengc.com).

## From the Golf Shop By: Billy VanArsdale

Well we made it through another hurricane, Eric's chainsaw still works fine. Our Superintendent T.J. West was the first person on property every day trying to get your golf course playable as quick as possible. He is so far behind still he is working from before daylight to exhaustion 7 days a week to keep his head above water. He is still trying to fix problems and will be for the next foreseeable future. Give

him a thumbs up next time you pass him, he deserves it! All that said we are close to our winter friends returning and the facility becoming very busy again. We need your help in a couple of ways. Number 1 - PLEASE only take 2 carts per foursome. On our busiest days we run out of carts and members are left waiting for carts to be returned. We need any extra carts back for them. Number 2 - PLEASE do not

take a cart to the range unless the outside attendants give you the ok. We may have tee times remaining and we need the carts for members that have booked times. We will get you a cart for the range as soon as possible or give you a ride there but please don't take carts that we are holding for tee time play.

### Golf Shop Hours of Operation

Monday ~ Sunday  
7:00 am ~ 5:00 pm

Tee Time reservations can be made by calling the Golf Shop 7 days a week.

*Score posting after Golf Shop hours can be done from home using My GAF Golf Life.*

### Driving Range Hours of Operation

Friday thru Wednesday  
Front of Range 7am to 6pm  
Back of Range 7am to 4pm

Thursdays  
Front of Range 7am to 4pm  
Back of Range 7am to 3pm  
*An early close is needed to accommodate a clean pick for mowing the following morning.*

## Great Shots & Great Rounds

- Bob Stansfield Eagled the par 5 eleventh hole Friday September 1<sup>st</sup> by holing a 73 yard gap wedge shot for his third. Bob's Eagle was witnessed by Steve Tosh, Hawley Rogers, and Randy Rogers.
- Will Yorgey Eagled the par 5 second hole Thursday September 21<sup>st</sup> using a Driver and 3 wood to reach the green in 2 and subsequently sank the eagle putt. Will's Eagle was witnessed by Richard Frank, Larry Geiser, and Jan Marsh.
- Dale Keller Eagled the par 4 12<sup>th</sup> hole Tuesday September 26<sup>th</sup> with a sand wedge chip shot for his second shot. Dale's deuce was witnessed by Bob Stauffer, Jerry Johnson, and John Chism.

## Handicap Committee By: Roland Robichaud

As you are all aware, hurricane Irma has forced the club to declare all bunkers as ground under repair. It will be sometime before this situation is corrected. Billy VanArsdale has contacted the USGA about this situation and they indicated that it is acceptable to post scores. Please continue to post scores as in the past. Again please turn in a scorecard as well as posting a score in the computer. Thank you for your help in this matter. The more complete the scorecard, the quicker the auditors can complete their job.

*"Trying to explain to a non-golfer about the beauty of Golf and its etiquette, a historical figure was once quoted by saying, "When you enter a Golf Club you enter the last place in our society that people still have respect and true etiquette for others" that's the real reason I love golf!"*

## New Members at Grand Haven

**Sandy Bennet**  
Social Member

**Boris Ruizgoubert**

**Kathy McEnaney**  
Social Member

**Felix Silva Jr.**  
Full Golf Member

## Membership, Parties, & More By Jeri Harper, Director of Sales

Even though we had a storm to prepare and large clean up afterwards, the sales department kept trucking along! We welcome our newest Full Golf Member, Mr. Michael Jones to the club. Mr. Jones joined as a trial member back in July. He's joined the MGA and plays a few afternoons a week. Be sure to officially welcome him aboard next time you see him.

The majority of our new members are new residents to Grand Haven community. Some of our best practices in gaining new members include our partnership with the Grand Living Realty agents as well as other maintaining a presence in other Real Estate Offices. I make it a personal goal to visit a couple offices a week just as a reminder that we're here and ready to help close the deal or sell that home! The next resident could result in our next golf member!

I encourage all of you to introduce yourselves to your new neighbors, new friends, new gym partner. Whoever that may be. We have a great referral program and we're looking to use it! We have vouchers for golf and dinner to entice new faces into the club. Please let me know the next time you're looking to bring a new guest!

October beings a busy season of events! We have 2 weddings schedule this month, lots of charity dinners including the Friends of Flagler Library, Flagler County Association of Realtors, Flagler County Chamber of Commerce, Palm Coast Arts Foundation Jazz Night, Serving our Seniors Luncheons and our very own Grand Haven Women's Club.

If you're looking to host a Charity Event, swing by the club to discuss how we can exceed your expectations! With Chef Jason's incredible experience, we're able to offer eclectic menu options and a flare of fine dine! It only takes a few minutes to brainstorm your vision while we enhance the details with our amazing staff!

Our holiday season is quickly approaching. We have a few dates remaining for December Holiday parties. Be sure to stop by the office to reserve yours today! Keep in mind, we will be offering catering items during the holidays to accommodate your get-togethers at home! More information to come!

As always, we look forward to working with you soon!

## The Hub of the Club By Sarah Wells

Well the month of September flew by. I have been at my new full time job for almost a month and although I love the new challenge I still miss Grand Haven greatly. I have appreciated all the kind emails and phone calls with members over the last several weeks. At my new job I am doing basically the same things I do at Grand Haven only it's for strictly landscaping. My office is only minutes from my house and I have been able to use my book keeping skills in a more prominent way since taking this position. This company works primarily in the commercial industry so some days I work on just one AR account entering and sorting

invoices.

I want to remind everyone that although I am not at the club full time, I am still working in the evenings and some weekends until a replacement is found. I am available via email and cell phone M-F after 4 pm. I can still answer any questions you might have about your member accounts, food minimums, or account logins.

You know the saying goes that absence makes the heart grow fonder and I want each of you know how much Grand Haven has meant to me over the years. It will always hold a dear place in my heart.

## Welcome our New Executive Chef Jason Stasa

Hello Grand Haven Members! I am excited to be back and look forward to the future! Thank you all for stopping by and saying hello! I have missed Grand Haven and it is nice to be here again! We have launched a new all day menu with a lot

of positivity! If you haven't made it down to the club yet for lunch or dinner please come down and join us! We are also planning quite a few events for the upcoming months so please be on the lookout for them. We have also heard that members are

requesting us to start up the famous Sunday Brunches again so we are working on planning our first one in November! My door is always open so please contact me anytime if there is anything that we can do to make your experience more memorable!

# LEAGUE NEWS

## Grand Haven Men's Golf Association

By: Mike Tebbano

Many people ask MGA members about the "Shootout." It is a good question, and while we assume everyone knows about it, we forget about the basic idea of how this format got started. The "shootout" is a competitive form of play that includes the top ten scoring league members who have accrued the most points from weekly games. Each week during a period of the golf season our MGA members play in a different game. Points are awarded to the golfers based on the leaderboard of winners for that round. For instance, the first-place winner for the week earns 10 points for the Shootout Leaderboard. The second-place winner receives 9 points, the third-place winner 8 points, and so on right down to the last place finisher who earns one point. These weekly points accumulate so that by the end of the period there is a leaderboard of the top ten scoring golfers.

At the end of the period, there is a "Shootout" round that occurs on an arranged date where these top ten golfers meet on the back nine of the course and play all-together in an elimination round. The last man standing is the winner and

earns a hefty financial prize from the league as well as the "Shootout" trophy, the "fickle-finger of fate" award.

It is important to remember that all league members are eligible to participate and even win the shootout. It is not reserved for the low-handicap players. In fact, quite a few high-handicap golfers have walked away with the prize in exciting competitive golf.

The shootout occurs at the end of a period of the season. Our season is divided into three periods: winter, summer, fall. The competitions are open to the public to view and enjoy with the MGA providing a beverage cart with free drinks. Our next shootout is scheduled for Thursday, January 11, 2018, at 2:00 pm.

If this format of competition peaks your interest, why not consider joining the MGA and being a part of a fun group of people. See the Pro Shop for a membership application.

## Holiday Joy Fund

The Men's Golf Association and the Women's Golf Association has volunteered to spear head this year's Holiday Joy Fund. Your donations help reward hourly club employees for their diligent efforts during the past year. Richard Kawa and Sheila Tebbano will lead in the solicitation effort. Please watch for a communication in the next couple of weeks.

## Grand Haven Women's Golf Association By: Sheila Tebbano

On September 26<sup>th</sup>, the Women's Golf Association had our opening Scramble Tournament, luncheon and business meeting luncheon. We start the new season with 89 members.

On September 26<sup>th</sup>, the Women's Golf Association had our opening Scramble Tournament, luncheon and business meeting luncheon. We start the new season with 89 members.

WGA officers for 2017-2018.  
Left to Right  
Sheila Tebbano, President;  
Suzette Sweeny, Vice-President;  
Pat Smith, Secretary;

Barbara Mott, Treasurer.

Our ladies enjoyed a wonderful lunch after golf. Thank you to Chef Jason and the staff for making our opening special.

We continue to welcome new members. All women with a handicap of 39 or less are eligible. Check us out online at: [www.ghwga.org](http://www.ghwga.org)  
Thank you.

## Ladies Golf League of Grand Haven By: Sally Nord

Fall is here which means that league play is back. Our opening day was on September 21<sup>st</sup> and we had a great kick-off to the season. Co-Chairs, Maureen Pellegrini and Melanie Mathis, along with the rest of their committee planned a very fun day. The theme was "golf is a beach" and after the stress of Irma I think a day at the beach was just what we all needed. The Grace Community Food Pantry of Bunnell was chosen by the committee to be the recipient of our 50/50 raffle. Judy Riley graciously donated her winnings, which made

our donation \$174.00. Our next league tournament will be "Ghost & Goblins" on October 26<sup>th</sup>.

We are starting this season with 55 members. We welcome new members throughout the year, so please feel free to contact me if you have any questions regarding the league. Application forms can be found at the desk in the Pro-Shop.

Sally Nord  
LGLGH President

We need your help! In order to keep our course looking great with the best turf conditions possible, please comply with our standard cart usage guidelines. Green 4x4 posts have been installed indicating where you should exit the fairway to the cart path along with traffic control ropes, stakes and scatter signs where needed.

- Observe the 90 degree rule
- Obey the Green Post and exit the fairway to the cart path
- Keep carts on the cart path around all tees and greens
- Handicap flag carts should keep the cart at least 30 feet from the green, avoid slopes and limit the travel to the shortest route possible
- Scatter cart traffic when entering and exiting the fairway
- Always buddy up in carts when possible

Thank you for your cooperation!

You should be receiving regular email communications from the club. If you not:

- Have you changed your email address lately?
- Have you unsubscribed?
- Are the emails going to your spouse and your address should be added?
- Are our emails going to your spam folder?

Please add the following addresses to your address book:
