## **FROM THE GENERAL MANAGER ANDREA KNOX**

Welcome Fall! We may not be seeing any significant temperature changes yet, but you can definitely tell the days are getting shorter. Before the days get really short, be sure to consider getting a few late afternoon rounds scheduled. The course is dry, there's always a nice breeze and the whole atmosphere seems to relax just a little. Maybe invite your new neighbors for nine holes and dinner at the club or just get some friends together for a casual round. Daylight savings ends November 4th, you've got a whole month before the street lights are coming on by 5:30pm!

Lot's of great events coming up for both golf and dining! It is my pleasure to introduce Kenny McManus as our new Chef and Kitchen Manager. Kenny has been hard at work in our kitchen behind the scenes for more than a year so you already know you

Please help our Golf Towels find their way back home! If you have noticed some of our golf towels hanging around your vehicle trunk, garage or hiding in your golf bag; please heard them up and send them back to us. We'll give them a wash and a good talking too so they will be ready to serve you on your next visit to the course!

### **GOLF CART GUIDELINES**

1. Observe the 90 degree rule
2. Obey the green post and exit the fairway to the cart path
3. Keep carts on the cart path around all tees and greens and on all par 3's.
4. Handicap flag carts should keep the cart at least 30 feet from the green as much as possible. avoid slopes and limit travel to the shortest route possible.
5. Scatter cart traffic when entering and exiting the fairway
6. Always buddy up in carts. No single riders unless in a threesome.

## **FROM THE GENERAL MANAGER** **ANDREA KNOX**

are in good hands. We are also thrilled to introduce Jasmine Trotta, who has just joined us as Front of House and Banquet Manager. Jasmine brings a wealth of experience and enthusiasm to her position, please introduce yourselves and say hello.

This fall has also brought changes to our membership offerings. Going forward, we will only be offering one golf membership category, Grand Golf. "Grand Golf" will afford a single or couple, full golf membership privileges. Although we will not be selling any new Single Golf, Associate, or Afternoon memberships, current members can remain in their present category. The same goes for our new Social Membership, "Grand Social". The Grand Social Membership has a \$1000 Initiation fee, small monthly dues and participation in the food minimum. As with current golf members, current Social Members will continue in their current category; the changes only apply to new members.

There are a couple of upcoming events I want to make sure everyone is aware of and encourage you to attend. October 10th, we welcome Callaway Golf here for a Wedge Clinic and Fitting Day. Learn how the right combination of bounce and loft can help make some of those short game shots a lot easier, PLUS receive a new Callaway MD4 wedge! Clinic and wedge is \$149.99 plus tax. Sign up in the golf shop today. After the Wedge Clinic, Callaway will also be offering Club Fitting for their entire line up of equipment. Check out their Rogue line if you are looking for some extra distance!

Fall also signals a new supply of golf fashions arriving in the shop daily. From the latest offerings in golf shoes through awesome technical fabrics for easy wearing fashion on and off the course, stop in and see what's new! Ladies, don't forget to attend the Tail Trunk Show on Tuesday October 9th from 11am-2pm. You'll be able to preview Spring 2019 plus pick up some great values on prior season pieces that our Rep, Missy Long, will be bringing with her. This trip Missy will be brining tennis as well as golf! Everyone welcome!

The Women's Member-Member tees it up this month and the Men's Invitational next month. Wishing everyone the best as they face off their opponents with courage and the excitement that friendly competition brings.

Now get out there and play!

*Andrea*

TJ WEST**

I cannot believe that I am sitting here writing October's Newsletter! 2018 is flying by! September was the exact opposite of the previous months. We recorded a little over 1" of rain during the month. All of that fell in the first few days! However, the course is holding up well to the dry weather with only a few "hot" spots...mainly in the rough!

During September we started preparations for the fall/winter. We slightly raised the height of cut on tees, fairways, and rough. This will allow the plant to produce more leaf tissue to aid in both environmental (weather) and golf (traffic) related stresses as the growing season winds down. 13 tons of fertilizer was applied on September 27<sup>th</sup> and 28<sup>th</sup> with another 11 tons of scheduled to go out on October 15<sup>th</sup>. All 24 tons are slow release fertilizers that will feed the turf throughout the fall as well as aid in the stresses that I previously spoke about. We will also be applying our fall pre-emergent herbicide application in the middle of October. We are switching products/chemistries this year as our Poa Annua control has progressively gotten worse the past few years!

Our last greens aerification was completed on September 16<sup>th</sup> and 17<sup>th</sup>. It was by far the best aerification of 2018 and possibly the smoothest that I have done at Grand Haven! The greens are healing nicely and starting to get back to a good playable condition! This summer was a struggle with the weather in order to complete our three aerifications! We are glad that they are over!

I have received a few questions about our course accessories...mainly flag sticks and cups. I would like to play a game of "did you know"...did you know that we replace flags twice a year? One time in the spring before Women's Invitational and one time in the fall before Men's Invitational. Did you know that we replace flagsticks and cups one time per year? We replace flagsticks in the fall and cups in the spring. However, the style of our cups allow us to remove a white plastic sleeve, which we do three times a year, in order to keep the cups white. This schedule was put together based on how long these accessories should last. I can definitely tell when the time is near to change them out!

I can be reached for questions or comments by e-mail...[twest@grandhavengc.com](mailto:twest@grandhavengc.com)

**FROM THE OFFICE ADMINISTRATOR  
AMANDA HOLDEN**

Welcome to October and welcome back to those who have been traveling over the summer months! While folks have been away there have been some behind-the-scene improvements everyone needs to be aware of – our new internet is up and running! What better way to celebrate the 20<sup>th</sup> anniversary of the club by upgrading the 20 year old internet system!

As of mid-September, Spectrum is our all inclusive and new provider of internet, television/music cable service, and WI-FI. We will no longer have the televisions losing signal every time a cloud passes over and the crackling and sputtering of the telephones are now a thing of the past. The WI-FI system is available to all within the club and no longer requires a password. When you are given the 'WI-FI is available' prompt, look at your options and choose **"GRAND HAVEN GUEST"**. Using this WI-FI access will not require a password and you will be able to jump right on board. How exciting is that?!

For those golf members who use the computer in the Pro Shop to post scores, you may notice the web site responds faster than before; lag time has been virtually eliminated. For other individuals, you may not see a noticeable difference in the day-to-day operations of the club but believe me, they are there.

Our new internet is just the beginning of several improvements Escalante is planning for us here at Grand Haven. We have a beautiful club and just want to show our appreciation towards it in hopes of having 20 more years of the club serving us to serve you.

## **FROM THE MGA MICHAEL TEBBANO**

Many people ask MGA members about the "Shootout." It is a good question, and while we assume everyone knows about it, we forget about the basic idea of how this format got started. The "shootout" is a competitive form of play that includes the top ten scoring league members who have accrued the most points from weekly games. Each week during a period of the golf season our MGA members play in a different game. Points are awarded to the golfers based on the leaderboard of winners for that round. For instance, the first-place winner for the week earns 10 points for the Shootout Leaderboard. The second-place winner receives 9 points, the third-place winner 8 points, and so on right down to the last place finisher who earns one point. These weekly points accumulate so that by the end of the period there is a leaderboard of the top ten scoring golfers.

At the end of the period, there is a "Shootout" round that occurs on an arranged date where these top ten golfers meet on the back nine of the course and play all-together in an elimination round. The last man standing is the winner and earns a hefty financial prize from the league as well as the "Shootout" trophy, the "fickle-finger of fate" award.

It is important to remember that all league members are eligible to participate and even win the shootout. It is not reserved for the low-handicap players. In fact, quite a few high-handicap golfers have walked away with the prize in exciting competitive golf.

The shootout occurs at the end of a period of the season. Our season is divided into three periods: winter, summer, fall. The competitions are open to the public to view and enjoy with the MGA providing a beverage cart with free drinks. Our next shootout is scheduled for Thursday, January 10, 2019, at 2:00 pm.

If this format of competition peaks your interest, why not consider joining the MGA and being a part of a fun group of people. See the Pro Shop for a membership application.

**FROM THE SALES OFFICE  
JERI HARPER**

I had the pleasure of talking with a couple sitting at the bar recently. As Social Members, they come to the club every Friday night, sit at the bar, and enjoy cocktails, appetizers, dinner and the company. They were concerned about hearing the social membership went up." My response "Yes, it did!", was met with wide eyes they asked "To a \$1000!?" Again, my response, yes, it did and we have already signed people up under this new program! Our conversation carried on with questions of "why?" and "how can you charge that much" and so on. I began asking them questions about their membership such as "How many new friends have you made sitting at this bar?" "How many new residents have you encouraged to join you on Friday nights at the club?"

Our members come out to the club for good food, great service and camaraderie incomparable to any other place. Being a social member is more than just dining. It's being part of a lifestyle, making lifelong friendships with neighbors you would never have met otherwise. It's being known by name and having your favorite wine waiting for you before you sit down. It's sharing pictures of your new grandbaby with the either bar because they're all celebrating with you! Being a social member is so much more than just dining!

So I asked the couple, "How do you put a price on this?" They laughed in response and said "you can't!" And they're absolutely right!

Our new Grand Social Membership is a \$1000 initiation fee. It's a onetime, non-refundable, non-transferable fee during the lifetime of the membership. The membership requires participation in the food minimum program and a small amount of dues each month. This may seem like quite an increase, but only when compared to the previous program. New residents looking to join this lifestyle and camaraderie see the value in this membership. I hope you will pass along this information with the same mindset; that a Grand Social membership is much more than a "dining privilege"... it's a very special lifestyle.

As always, we encourage you to bring guests and potential new members to the club. It's our pleasure to give them a tour and explain the value of being part of our club!

**A Special Thanks to the Figliuolo Family for hosting a Surprise  
75th Birthday Party for Lee. Cheers to many more !**
