## FROM THE GENERAL MANAGER AND DIRECTOR OF GOLF ANDREA KNOX

Can you believe it's September already! Somehow just flipping the page on the calendar from August to September brings a sigh of relief from the summer heat. We can't expect to see any big change in the daily temperatures, but a few degrees and slightly shorter daylight hours will sure seem to help. Fall is just around the corner and while we look for the temperatures to cool down, the club calendar is certainly heating up! From great golf events to fun social gatherings; grab your friends and neighbors and come join the fun!

Speaking of fun, have you signed up for the Labor Day Golf Scramble yet? This scramble has a fun twist to it—you get to pick up the ball and throw it for free (no stroke) once on every hole! Sounds easy right? You'll have to try it to find out! Sign up as a foursome or we can help you get paired up. A good old fashion cook out will follow the scramble to help us celebrate Labor Day and the team that does the best job of figuring out how to use that free throw.

Next up for golf fun is a Nine and Dine benefit event for Apex Christian Academy on Saturday September 10th and the annual skirmish for the Gridiron Classic Saturday September 24th. Whether you are a raving fan or casual enthusiast, get your college colors on, decorate your golf cart and come have some fun. Both of these golf events are designed for friendly competition and all skill levels are encouraged to participate. Details and sign up sheets are in the golf shop.

Of course we couldn't talk about golf this September and October without touching on The Ryder Cup Matches. The Ryder Cup is a biennial match play contest between 24 of the best golfers from Europe and the United States. This year's meeting will take place at Hazeltine National Golf Club in Minnesota September 27th through October 2nd. The US will be trying to regain the Cup from Europe after losing the past three encounters of 2014, 2012, and 2010. Check out [www.rydercup.com](http://www.rydercup.com) for all kinds of interesting details and facts. Then tune in and root on the home team!

On to club business. Through the month of August we have been accomplishing things on our to do list like repairing the concrete cart path by the practice green, adding new plants at the clubhouse entrance, trimming back the effusion of summer growth, and even adding new golf maintenance equipment. We are also looking forward to re-launching daily Turn House Operations after Labor Day. Your patience through the slow summer months has truly been appreciated.

Thank you to everyone that has helped us with new member referrals! Operation Newbie, our Trial Membership program and Guest Days have all helped add new member prospects to our pipeline and welcome two new full golf members this month. Mondays during the month of September, we are offering a "Say Good-Bye to Summer" accompanied guest golf rate of \$35 plus tax. We hope this great rate will help encourage your guests to come experience Grand Haven. We look forward to arranging a tee time for you.

*Andrea*

*New mowers  
rolled into  
Grand Haven  
this month!*

*"The maintenance team is working extremely hard through the heat. Hearing words of encouragement from the membership has gone a long way in helping the staff push forward and is enjoyed by all!"*

Did you know that with the exception of tournaments, events or necessary course maintenance; we are now open for golf all day on Mondays! Special rates for Monday guests of members will be available, so grab your friends and neighbors and come out and play!

## TURF TALK BY: TJ WEST

August was another hot/dry month! We recorded 3" of rainfall, however 2.5" of that fell in one day at the beginning of the month. (As I write this newsletter, we are expecting a tropical system). The last greens aerification went extremely well! Due to forecasted rain on our aerification dates, instead of "running a marathon", it was a sprint to the finish. The staff was able to aerify 14 greens on Sunday afternoon/evening (10 had been our previous record). This made the following day a little easier for us. With all the work completed on Sunday, we were also able to clear the line of sight issues on holes 5, 6, and 7, as well as repair the cart path on number 1. It was a very productive day!

The maintenance staff has continued to work diligently on the details of the course. After being shorthanded for most of the summer, I feel that we are finally catching up! While turf conditions have stayed strong, the lack of detail work had been hurting us! I have even received a few compliments on the bunkers...I am almost passed out! In all seriousness, much time and effort is being put in to the bunkers! We have implemented a new raking style and program that has helped the playability, but not the look. Sand has been added to a few, with more in need of it! Adding sand is a short term fix to a long term problem. We will continue to work on solving the long term problem!

This summer has been a struggle to keep our older equipment running and cutting well! Even without much rain, the grass is growing fast! We just received shipment of two fairway mowers, two greens/tee mowers, and a tow behind blower. Escalante sent us these from their course in Sonoma, CA. They are in great shape and we are more than excited to have them! We are work-

ing on replacing some other key pieces.

In September you will start to see the tee's playing different yardages. The goal is to begin protecting the heavily used tee's early! It is my belief that doing so will help them throughout the Winter. It will be Winter before we know it and I want to be prepared so that there is very little variance in course conditions! We are learning from the past and planning for the future!

New flowers have been planted by the front entrance! I apologize for waiting so long to do this! With the heat of the summer and repeated irrigation issues, I did not feel comfortable investing in new plantings. We were able to hammer out the irrigation issues (old wiring)! Even after two years at Grand Haven, much of my time is still spent trying to "undo" the wrongs of the past.

I would like to thank John Douglas and the MGA for purchasing RTIC cups for the maintenance staff! The cups have helped the staff combat the hot summer with cold beverages! I have said in the past, the membership at Grand Haven cannot be beat!

I can be reached for questions or comments by e-mail...[twest@grandhavengc.com](mailto:twest@grandhavengc.com).

## HANDICAP COMMITTEE BY: ROGER CONSOLLA & BILLY WOOD

The hot, dry and humid summer days will thankfully be gone soon, so more of us will be playing, even before the snow-birds return. Our Handicap Committee has seen the fall-off in participants from the spring to the summer as expected, due to the weather and so many of our friends travelling this time of the year.

From the beginning of June through late August, your committee has reviewed almost 1,900 golf rounds and we appreciate the increase (tho slight), of scores posted and, particularly, cards turned in. As you know, turning in your score cards cannot be mandated, but it sure makes it easier and more effective if we have cards to look at. Please help us help the program. We're asking that the commissioners of the various "Groups" remind their folks to turn their cards in before heading to the parking lot.

Once again, the purpose of the required Handicap committee is to validate our members' Indexes, to be sure all competitions, formal & informal, are valid.

Thanks again for your cooperation and participation.

Billy & Roger

## FROM THE GOLF SHOP BY: BILLY VANARSDALE

Please stop in the Golf Shop and meet the newest member of our golf staff, Eric Gonzales. Eric is a P.G.A. Member that we were fortunate enough to hire when Cypress Knoll closed recently. Many of you know Eric but if you don't please stop in and introduce yourself so he can get to know you!

We don't have long until the heat we have all played in and endured over the last couple of months will thankfully be gone. If you played consistently through the heat please stop in and let one of the staff check your grips. The sweat a

golfer produces combined with the sandy base we play in makes the grips get slick and dirty really easy. If you leave your clubs in your trunk the grips can break down and need to be replaced more often than if they are stored in a controlled temperature. If your hands are slipping during the swing the club head doesn't like it to much! Our gloves also wear more than normal during this period, check your glove inventory by the end of the summer season!

*“You only have one birthday a year so why not make it a Grand one and celebrate with all your friends and family right here at the club”*

## THE HUB OF THE CLUB BY: SARAH WELLS

We love to celebrate milestones here at Grand Haven. One of those many events includes birthdays. Growing up my grandmother made sure that each of our birthdays was a special event and I remember those to this day. Grand Haven would love to be apart of your special day as well. Each month in the dining room we have what we call the “Birthday Bash”. This is a special themed menu put together by our Chef JP Roberts. It is a buffet style meal with birthday cake for dessert. We recognize anyone that is celebrating a birthday during the month by allowing the person celebrating the birthday to have his or her meal on the house. This is our special way of making your day a exceptional one. We would love for you to share your birthday with us by inviting your friends and family. The meal is \$18.95 per person plus sales tax and gratuity. This is just

another way that Grand Haven can help simplify your party needs. We have decorations that we put on each table but if you would like to go all out and bring in your own balloons, etc. we can help facilitate that. This month’s birthday bash is featuring several different pasta dishes. Beef Stroganoff, Chicken Carbonara, Vegetable Lasagna, along with sautéed spinach with garlic. You can come early and enjoy a birthday drink at the bar before dinner and then party the night away while our service staff takes care of you. You only have one birthday a year so why not make it a Grand one and celebrate with all your friends and family right here at the club.. You can click on the announcement below to make your reservation for September 21st between 5:30 - 7:00 pm. Please remember that this event is a popular one and sometimes does sell out. You want to make your reservations as soon as possible so you don’t miss out.

*We post events, daily specials, and pictures on a regular basis. Follow our page to receive these updates.*

**GHMGA**  
**(GRAND HAVEN MEN'S GOLF ASSOCIATION)**

The Grand Haven Men's Golf Association had a busy summer with members participating in the 3<sup>rd</sup> Annual "Boys of Summer Tournament" on August 10 and 17. The tournament was based on a Ryder Cup format where two teams were organized from the membership competing against each other earning points for exciting competition. The teams were the "Sunshine Boys" under the leadership of MGA members Al Fatone and John Quackenbush and the "Golden Gloves" led by Pete Bianchi and Bob Stansfield. On August 10<sup>th</sup>, the tournament format was a 2-Man Ream Scramble on the front nine, and an alternate shot Chapman for the back nine. Week 1 of the tournament the Sunshine Boys won leading the Golden Gloves 14 to 10. On August 17<sup>th</sup> the tournament format was a 2-man team, four ball net Nassau for the entire round. During this week of competition the Golden Gloves came from behind and defeated the Sunshine Boys 19 to 14. The final score of the two-week tournament was Golden Boys 29 and the Sunshine Boys 28. The overall winner of the tournament was Team Golden Gloves under the direction of Pete Bianchi and Bob Stansfield.

Following the tournament, the MGA had a wonderfully prepared summer barbecue in the clubhouse and celebrated the successful competition among all participating members. A 50-50 raffle was held and congratulation to MGA member Frank Ligon who won the prize. It was a great two weeks of golf, and everyone had a great time. Many thanks to Larry Geiser and Dave Jaworski for the organization of the tournament details.

On September 6<sup>th</sup>, the MGA will be holding a Shootout for the summer period (April to September). The top ten scoring golfers will compete in a competitive round of golf this day in a standard elimination round until one golfer is left at the end. The shootout is open for all to view, with refreshments provided by the MGA.

This summer we also had two new members join the league, Bill Boyer and Mike Rowlands. The MGA is always welcoming men who would like to participate with a great group of guys. We play every Wednesday a different game-of-the-week format, followed by lunch and fellowship. Please consider joining us. Application forms are available in the Pro Shop or contact Jan Marsh or Art Canino Membership Chairpersons, or Larry Geiser, Vice President, or any Board/league member for assistance.

# GHWGA (GRAND HAVEN WOMEN'S GOLF ASSOCIATION)

It's been a long month and the Grand Haven Women's Golf Association members continued to come out for Tuesday golf. We averaged 28 golfers playing our 18-hole game each week. In addition, another group of 2 - 7 ladies took advantage of our summer 9-hole option. The 9-hole option will end after August 30<sup>th</sup>. Beginning in September, we are back to 18-hole play and hoping the weather cools a bit in September.

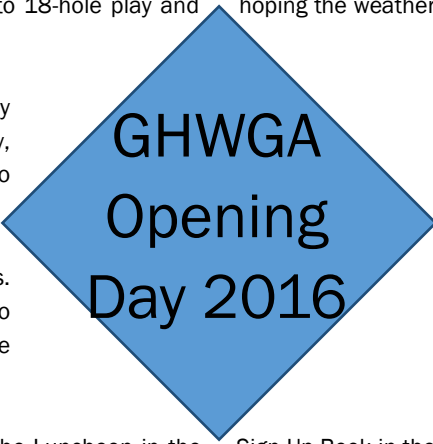

The "official" golf season will begin with our Opening Day Scramble, Luncheon, and Business Meeting on Tuesday, September 20<sup>th</sup>. We look forward to members returning to Grand Haven after traveling and visiting for the summer. Our tournament chairs, Jackie Poole and Patty Baldini have been working to put together another exciting year of games. We have 86 members, including several new members to our association. We welcome new members at any time during the year.

Members need to sign up for the Opening Scramble and the Luncheon in the Sign-Up Book in the Pro Shop.

If you are interested in more information about the GHWGA, please contact me.

All the Best,

The sign-up sheet is on the bulletin board in the ladies locker room. This year's theme is "School of Golf", and I'm sure it will be a fun event. If you would like to join the 9-hole league and are a full or associate golf member, you will find our application form at the pro-shop desk. I look forward to another wonderful season of golf with a great group of gals.
