On behalf of the Board of Directors of the Cactus and Pine Golf Course Superintendents Association of Arizona, we would like to thank you for considering your Membership Renewal for 2019. As you probably know, we continue to be a major communication force in all areas of your profession, especially government relations.

We are truly grateful for your continued participation and support!

Your membership is a valuable asset to your professional success. The opportunity to meet fellow superintendents, assistant superintendents, and other golf industry leaders provides you with networking advantages. Our Chapter works closely with our Affiliate Members and encourages the superintendent to use products offered and sold by Cactus and Pine GCSA Affiliate Members. We're here to serve you!

As many of you are aware of, Cactus & Pine has become instrumental in many of the challenges the Golf Course Industry is currently facing. We not only have attended many of the important Central Arizona Project meetings, ADWR, ADEQ events, State, County & City Task Force and Political gatherings, attended National Golf Day and had representation in Washington, DC on the WOTUS bill. We also had our fourth Informative Town Hall Meeting Regarding Water for Turfgrass in Arizona to highlight the major economic impact the Turfgrass Industry has on Arizona's economy!

A New Group was formed, The Arizona Alliance for Golf with Cactus & Pine spearheading the Water & Legislative Entity. We also completed the 2019 Best Management Practices Template Supporting the Turfgrass Industry in Arizona and raised awareness.

Please continue to monitor our website at www.cactusandpine.com for a listing of forthcoming events and meetings. The Education and Membership Committees have an exciting roster of educational sessions and fun adventures for our members and their families.
