## April Drinks

### Strawberry Mule

Tito's Vodka, fresh lime juice and fresh strawberries shaken and mixed with Crabbie's Ginger Beer. Served in a copper mug.

### The Purple Jewel

Belvedere Vodka, Viniq Liqueur (blend of premium vodka, Moscato, natural fruit flavors) and a splash of champagne. Poured over ice and garnished with a cherry.

### Canadian Apple Martini

Crown Apple Canadian Whiskey shaken with ice, sweet and sour, and a splash of grenadine - served up.

### Featured Beer

Tulsa's own El Cucuy

*In Latin American cultures, El Cucuy is an imaginary creature of the dark, similar to the boogeyman, which haunts the minds of children and adults alike. El Cucuy India-style Black Ale features dark roasted notes that sneak up on the subdued caramel malt backbone and the irresistible bitterness creating a*

*harmonious and frighteningly delicious balance. But beware, this beer is dry-hopped providing an intensely vibrant floral and citrusy aroma and at 8.6% abv is not a monster to be carelessly dealt with. Be good or the Cucuy will get you! ABV: 8.6% IBU 80*
