MeadowBrook's New Membership Director

Reagan Renfroe, a recent Marketing graduate from Oral Roberts University, returns to MeadowBrook Country Club as Membership Director. While completing his degree at ORU, Reagan worked as an assistant in the golf shop before leaving temporarily after graduation to pursue other opportunities. Reagan has spent years in the golf business and is eager to return to MeadowBrook Country Club. It's likely you'll find Reagan teeing it up with a member or fishing off the rocks on #8.

Reagan says, "The members have always been the greatest asset of MeadowBrook Country Club. It's a home away from home for me and there is no other place I would rather be."

Membership Director

Advisory Board Election Results

A special thank you to all the Nominees on this year's ballot. Board members elected are Tim Penton, John Mansfield, and Mitch Criner.

Thank you to Joe Ragsdale, Mike Stegge, and Nick Framel for serving on the Advisory Board for the previous three years, and to Gina Butefish who represented the WGA for the past two years. Your dedication and commitment to MeadowBrook is appreciated.

Dear Members,

As I write this, the temperatures outside are in the 70's, which is pretty good weather for January in Oklahoma. It is also a good time for spraying our herbicides. We are in the process of spraying all Bermuda grass and Zoysia with a tank mix of pre emergent, Round Up, Simiazine, and an adjuvant. The pre emergent will control any weeds that try to germinate in the next six months. The Round Up will control any winter weeds that have emerged (like poa). The Simiazine is a herbicide, labeled mainly for poa, which is absorbed by the root unlike Round up which is absorbed through the leaf. You could say we are attacking poa from the top and bottom. The adjuvant in the tank helps the Round Up work better in colder weather.

Tree trimming and dead tree removal has been ongoing since the fall. The tree removed South of #8 green was 75% rotten in the middle which was not noticeable until we started cutting. There will come a time when we will start planting trees. The new trees will be staked for support as they root in and also to show where golfers may take a free drop. The local rule states you may drop within two club lengths no closer to the hole if the staked tree interferes with stance, swing, and or ball flight. Please observe this local rule so our young trees will escape damage and grow into large, beautiful trees.

We will continue to restrict cart traffic on two designated holes at a time. This reduction in cart traffic will greatly improve playability and allow for quicker green up in the spring. Please observe the 90 degree rule when driving carts and repair ball marks. Thank you for your cooperation.

See you on the course,
Jason

From the Ladies Tee...

Mark your calendar for our upcoming 'Membership Gathering' to be held on Tuesday, February 10th at 10:30am.

Please join us as we gather to kick off and make plans for our 2015 golf season at MeadowBrook. If you're a new member or have an interest in joining or if you're a past member of our association, we hope to see you there.

We are an active association comprised of accomplished and beginning golfers alike. Lucky number 4301. Your membership includes scheduled golf, social events, guest days and complimentary clinics from our Professional Staff.

Annual membership fees of \$75 for 18-Holes, or \$50 for 9-Holes, are now due. To become a 2015 WGA member please complete this form and return with your check made payable to 'MeadowBrook WGA' to the MeadowBrook Business office.

Make your plans for 2015 by enjoying the game of golf while meeting fellow members of your Club.

See you on Tuesday, February 10th!

**Donna Roberts
18 Holes Sports Chair
918-625-0560**

Please note: Your member account will be charged for the Annual Handicap Fee.
