# LETTER FROM THE SUPERINTENDENT

Dear Members,

Spring is a busy time of year getting the golf course ready for summer. We have been aerifying areas including greens, fairways, and other high traffic areas. We will initiate the aerification process on tees and green surrounds in the next two months. This is a necessary practice to promote strong roots, alleviate compaction, and improves the percolation of water and nutrients into the soil. We appreciate your patience during this process.

Winter annual flowers will be replaced with summer annual flowers along with some fresh new mulch. Fertilizer applications on fairways, tees, and green surrounds will begin in May when temperatures are conducive for plant uptake. Greens are typically fertilized weekly with a foliar spray at low rates to "spoon feed". This allows us to better control growth and create more consistent conditions on greens.

We are in the process of creating an additional walk bridge across the creek on #16. This bridge will be for walkers only. There are two pipes in place at the moment that will carry water under the walk way. We should have this bridge completed in time for the MeadowLark. Thank you for adhering to the 90 degree rule. The more your cart tires are on a paved surface, the better your golf course will be. Thank you for your support.

See you on the course,

A handwritten signature in black ink, appearing to read "Jason".

### 18 Holes

The WGA has had several play days with multiple winners. Our first team play was Tuesday and we had great participation. The inter-club has their first competition against Golf Club of Oklahoma on April 29th. Go MeadowBrook!

The WGA invitational Birdies at the Brook will be May 3. We want to thank the MGA men for supporting this tournament with sponsorship of holes and donations.

### 9 Holes

The recent rains can't dampen the spirits of the 9-hole ladies group. While even our first Team Play day was rained out today, we will be back next week to give it another try. We are also planning a fun Spring Guest Day on May 11 and are hoping for participation with as many of our 18 members as possible this year. We are planning a great event with lots of "challenges!" We enjoyed the opening get-together with the 18-hole group to kick off the season and are looking forward to playing with them at least once during the summer.

We will also continue our "exchange" play this season with the ladies from Indian Springs where their group comes to MeadowBrook one day to play with us and we play their course with them on another day. It was great fun last year! We are looking forward to a great season of play and invite any interested ladies who might want to join our group to contact us.
