

MEMBERSHIP INFORMATION

GlenOaks Country Club represents a unique alternative for clubs in this region. A friendly and attentive professional staff, first class amenities, and camaraderie you won't find anywhere else. Here at GlenOaks we work very hard to maintain a friendly, family oriented, relaxed atmosphere at all times. You will certainly get the white glove treatment when appropriate, but we take pride in not taking ourselves too seriously. First and foremost we want GlenOaks Country Club to be fun for the entire family! A simple philosophy that we know you will come to appreciate.

GlenOaks Country Club offers a unique 18-hole championship golf course that is quite challenging, yet fun for golfers of all skill levels. Manicured daily to tournament-level conditions, Bermuda grass fairways and true Bent grass tees and greens provide outstanding playing surfaces.

The Club isn't all about golf, however. We also offer a junior Olympic sized swimming pool and a separate wading pool for the youngest of youngsters. Our swim facility includes everything you need to make your hot, summer day a fun, refreshing and relaxing one - a diving board, expansive deck area, restrooms, shower facilities and delicious treats from our pool-side snack bar.

The Clubhouse at GlenOaks has a choice of dining venues for your dining enjoyment including the casual Members' Grille and the more sophisticated Members' Dining Room. We also have meeting rooms to accommodate your business or social meetings. A fully-stocked Golf Shop provides all you need to support your golfing habit. Men's and ladies' locker rooms are available for your convenience.

Please accept this invitation to come and learn about the club for yourself. We have a variety of memberships available and one that I know will fit your lifestyle.

If you have any questions or would like to arrange a tour of the Club, please call Jamie Miller, Managing Director at (502) 339-0215 ext. 101.

Thank you,
Jamie & Becky Miller
