

## 2013 Legend at Arrowhead Men's Club

The Legend at Arrowhead organizes The Men's Club. The Staff does the best they can to provide a fair and entertaining club and promises to listen and consider all input from it's club members.

\*We will hold shotgun starts every Wednesday when participation is above 16 players, unless the event format that week dictates otherwise. We will use tee-times when the player count is 16 and below.

\*The green-fee includes golf, cart, lunch, prize fund and warm up balls.

\*The prize fund portion will continue to be \$5 and will be paid weekly to winners of the weekly contests. Payout to 30% of the field with prize fund money staying within the flight's during flighted events.

\*We will continue to hold the point participation program to reward consistent play and performance.

\*We would like to continue to reward current members that recruit new members with a \$20 bonus on their credit book.

\*The Pro-Shop staff will manage the weekly events and will be responsible for monitoring of handicaps.

### Reminders from 2012

- In events that dictate an 18 hole score, players must finish every hole. Players may not take an "X" or a score indicative of their "Equitable stroke score" for handicap purposes. Players that do not post an actual score will not be counted in weekly standings.

- **All credit book must be used before January 31<sup>st</sup>, 2014.**

-Pairings **WILL** be decided by a random generator every week unless the week's event dictates otherwise. You may request to play with certain people, but it is not guaranteed that you will be paired with them. The Pro Shop will do what they can to grant requests made.

As always we look forward to a great year and will continue to strive to make The Legend at Arrowhead the best course and best value in the West Valley.

### **Club Championship**

The Club Championship will be played in a stroke play format and flight's based upon number of entry's and handicaps. Each player's handicap will remain the same for each day of the Club Championship and will be taken from the handicap report on March 15<sup>th</sup>. Day 1 pairings will be assigned within flights and by handicap index. Day 2 pairings will be assigned using players net score and gross scores for tiebreakers if needed. To compete in the Club Championship a member must have registered for the league by February 4<sup>th</sup>, 2012 and must have played in at least 6 events by the start of the Club Championships first round.

### **President's Cup**

The Presidents Cup will be seeded based on the most recent handicap issued and the PC will start the first week of November and will continue until a champion is crowned. The PC format will be a net match play bracket, the losing players each week will be placed in the following event to coincide with the PC for the remaining weeks. More information about match deadlines and scheduling will be given out during the seeding rounds. To compete in the PC a member must have registered for the league by August 1<sup>st</sup>, 2012 and must have played in at least 12 events by the start of the PC's first round.

Overseed dates are tentatively scheduled for October 7<sup>th</sup>, 2012 through October 18<sup>th</sup>, 2013. We will again host our Men's Club events at another course to be determined closer to our closure. These events will count towards year end points.

A sign-up sheet will be left in the grill after the round. If you do not sign up for the following week, you have until 12:00PM Tuesday to sign-up. If at that time you are not on the sheet and you want to play Wednesday, it is on a stand-by only basis. If there isn't space, you don't necessarily get to play.

## 2013 Points System

**The Legend staff is going to be stricter on pace of play in the 2013 season. Although we understand the Men's Club is based, at least partly on camaraderie and a level of entertainment, the staff and the members of the club need to understand and agree that an acceptable pace must be maintained for the sake of all golfers and the success of the course. Along with pace of play we will be making sure the club follows course rules and guidelines during play. This includes, but is not limited to, leaving the cart path on cart path only days or driving in restricted areas.**

**The Legend staff reserves the right to deduct points based upon both pace of play as stated above and failure to respect the rules and guidelines of the course. These decisions are at the sole discretion of The Legend staff.**

**A player must participate in at least 15 events during a year to be eligible to win year-end prizes.**

**The point total prize money is collected from your Men's Club Entry Dues and will be distributed evenly according to the point totals from all players that have participated for a minimum of 15 weeks. The Legend reserves the right to allocate money from that fund for other prizes and awards throughout the year so long as the entire prize fund is used directly for the Men's Club.**
