A TRADITION OF GOLF

Huntsville Country Club offers an 18 hole Championship golf course designed by Robert Bruce Harris. Harris' par 71 design features Bent Grass Greens and has been an integral part of the Huntsville community for 87 years.

The course plays 6,586 yards from the Championship Tees with a course rating and slope of 71.7/121. Huntsville also has great practice facilities offering a driving range and putting and chipping greens.

First opened in 1925, Huntsville Country Club is founded on a tradition of championship golf.

Huntsville also offers several areas within the clubhouse where members and their guests can enjoy lunch or dinner. The Main Dining Room is open on most days and is perfect for an intimate family dinner or your next charity luncheon.
