Tough Day Results

Congratulations to Ben Shipp and Patrick Haas as they claimed team honors during Tough Day Scramble Champions after shooting a tremendous round of 59 in the wet, soft conditions. Although the course was sloppy and wet, the conditions gave room for the Shipp / Haas team to take clear advantage of the good scoring opportunities. After shooting a -3, 33, on the tough side, there was no looking back after they turned to the easy 9 and out the Championship away. Finishing first in their respective flights were the teams of Paul Lukacs and Bubba Gwyn, and Bill Stogner and John Williams. Congratulations to the winners, and thank you to everyone who came out to participate in a very fun and challenging event. +

Berkeley Hills Member and Georgia Bulldog men's golfer. Mr. Healy earned medalist honors for the first time in his college career as he led the Bulldogs to a second-place finish in the Ka'anapali Collegiate Classic in Hawaii. Zach shot 8-under 205 to win by a shot over Oklahoma freshman Brad Dalke at Royal Ka'anapali Golf Course in Lahaina, Hawaii. The Ka'anapali collegiate Classic was the Bulldogs' fifth and final fall event.

Congratulations to Ben Shipp, who signed his National Letter of Intent and is officially a member of the North Carolina State Wolfpack Men's Golf Team. Ben is the reigning Berkeley Hills Men's Club Champion and Match Play Champion and will begin his college golf career in the fall of 2016 in Raleigh, North Carolina. Good luck and keep up the hard work Ben!

BERKELEY SENIOR MEN'S REPORT - NOVEMBER, 2015

The competitive season for senior golf is finished for 2015, and what a year it has been. We had more seniors signed up, more participants in the club tournaments, interclub tournaments and match play. This was the second year in which Berkeley seniors played in the North East Senior Match play schedule with 5 clubs participating. We rose from a tie for last place in 2014 to Match Play Champions in 2015. This program featured all of our professional staff playing in at least one match. Many kudos go to our head pro, Shawn McKinnon who played in 3 events along with the low stroke index senior player Tom Harvey and scored a perfect 3 wins. Congratulations to Bob Kaleida, Match Play Captain and thanks for all the hard work in putting the teams together.

Look Ahead to 2016:

Our plans for 2016 will feature a beefed up schedule of senior events including monthly senior tournaments (scheduled on Wednesdays) which will include a Super Senior Championship (age 70 and older) played from the white and gold tees, participation in the North East Senior Tournaments and Match Play Program. In addition, we will have a separate Senior Club Championship (age 50 and older) held on dates close to the Club Championship, and a Senior Match Play Competition played from the white tees. Look for announcements for entry information for each competition.

Forming a Senior Organization:

As interest in senior events have increased, we have put together a Senior Board to lay down a structure for a Berkeley Hills Senior Organization. The members of the Board includes Jim Andersen, Ron

Donat, Harvey Gammon, Bob Kaleida and Rawd McArthur. These volunteers will put together a framework, by-laws, mission statement and a program of future events for consideration and approval from our senior members. Once approved, we will present a slate of officers and volunteer positions to move our senior agenda forward. Those of us that have been around for a long time remember a viable Berkeley Hills Senior Organization that was active on the golfing and social scene. Those were fun times. It is our aim to recreate a program equal or better than what we had before.

Georgia Senior Golfers Association

Eligible men age 55 and older. A non-profit organization which has provided memorable golfing experiences for country club members since 1968. It has 9-10 tournaments per year in quality clubs and resorts nationally, internationally as well as within Georgia.

The Southern Seniors Golf Association.

One additional opportunity for seniors is an organization called the Southern Seniors Golf Association. Look them up at: www.southern seniorsgolf.com. It is similar to the Georgia Seniors but has been around since 1939. The remaining schedule for this year is on their web site and they are going to places like Linville, Greenbrier, Southern Pines, and Sea Island. Please contact Bob Beebe at bobbabeebe1@me.com for more information or if you want to join.

The Georgia State Golf Association.

Available to all Georgia golfers including seniors. All Berkeley members enrolled in the handicap system are members of this organization. We encourage you to go on line at www.gsga.org and click the Competition icon to review the tournaments scheduled for this year. These tournaments are well run and a delight to participate in. Again this year the GSGA is sponsoring "Play Days" at clubs all over Georgia. Check it out on their website. Senior events scheduled this year includes:

We want to hear from you:

Come out and participate in the scheduled tournaments, the week day tournaments and the Senior Interclub Tournaments and Senior Match Play Competitions. As your Senior Representative on the Golf/Grounds Committee at Berkeley, give me your ideas about making a viable senior organization. You can also send me an e-mail at ajimandersen@gmail.com.
