Tough Day Results

This year's Tough Day tournament was quite a doozy. We had a record high field with 50 teams competing this year. The front nine was set up very easy and benign while the back nine was tricked out with longer tee boxes and unthinkable hole locations thanks to Purv. Our Gross Champions this year are the team of Bill Mason & Tom Harvey who fired a tournament record best ball score of 60! We split the field in to two flights, the first flight was won by Frank Remmes & Andrew Phillips with a team net score of 60.3. In the second flight, the team of Casey Joseph & Michael Fairley took home first place with a team net score of 61.65. Congratulations to all the winners and we appreciate everyone who came out to play!

Santa Claus Open

We kick December off with the annual Santa Claus Open Saturday December 5th. The format is 4 person scramble and we will get started with a 10 AM shotgun start. This is our biggest and best tournament of the year! For those that are not able to participate you can still donate an unwrapped new toy to Gwinnett County Children and Family Services for children in need this Holiday season. We look forward to seeing everyone on Saturday!

From the Golf Shop

As we have done in years past, during the Santa Claus Open we will have every item in the golf shop on sale for a one day only 20% off! We will also have sales racks and tables out in the hallway and those sale racks will stay up through the month of December. This is a great time to get that golf themed gift for Mom or Dad!

Weather Hotline

It's that time of year again with cold chilly nights. If you are wondering what the course conditions are like please call the weather hotline at 770-448-2008 ext. 3333 to check the course status. Superintendent Chris Purvis will update as the weather dictates.

Upcoming Golf Schedule

Dec. 5th Saturday 10 AM Shotgun start	Santa Claus Open
Dec. 24th Thursday 9 AM shotgun start	Christmas Eve
Dec. 25th Friday Course Closed	Christmas Day
Jan. 1st Friday 9 AM Shotgun start	News Years Day

Superintendent News December 2020

Usually every December is when we begin to monitor the weather to decide when it is time to cover greens. Over the past 16 years, we have learned a lot about when to cover. At the beginning we used to cover each day it was going to be cold, but now that they have aged, I feel they can handle the weather much better than expected. We will always let them get frosted up first. This helps in the "hardening off effect". We now look at daytime temperatures, besides only looking at nighttime temperatures. For example, if the daytime temperatures are sunny and hi of 55 or more and that night may get down to 26, we more than likely will not cover, but if the daytime temperature mid 40's or lower and that night is 28, we will cover. What I am trying to judge is the length of frozen time on the grass. Once we get our first frost, I begin to leave messages on the "Course Conditions Hotline", which is 770-448-2008 ext. 3333. On that message I will say if there is a delay and if we will be covering greens that afternoon. If the day comes for us to cover greens, we begin no later than 4:00 on #1 and #10. If the Pro shop feels that not many people will be out to play due to the weather, they will allow us to cover earlier. The longer the grass is under the sun with the covers on it, the better chance of survival thru the winter becomes. If you have any questions, please ask.

If you have any questions, please stop and ask.

BERKELEY SENIOR CORNER - December, 2020

www.bhcc-senior-mens-golf.org

Closing out a very successful year:

Congratulations to the Berkeley Board, management and staff for maintaining operations during the COVID19 Pandemic, keeping us safe and with only minor modifications, allowing us to play golf safely. It is comforting to have this outlet while so many other social activities are greatly curtailed. The worst of the pandemic is around us presently, but there is hope for the future with potential vaccines and more effective treatments becoming available. It is still not time to be complacent or careless which could shut down Berkeley in a hurry. Keep up your individual responsibility in keeping yourself and your fellow golfers safe. Hopefully, the weather will cooperate through December and into the new year.

The Berkeley Senior Men's Golf Association will be well represented at the North Atlanta Senior Men's Golf Association Board Meeting in December planning for the 2021 season. All 17 participating country clubs continue to stay open and continue to take precautions to remain open. The match play program for 2020 has worked out very nicely, so we anticipate a full schedule for next year. NASMGA will extend our individual memberships into 2021 at no additional cost. Therefore, we will reduce the annual membership for the BSMGA to \$20 for our current members. New members will be charged \$40 of which \$20 will go to the NASMGA for membership for 2021.

Match Play: Berkeley wins semifinal match against St. Ives CC - On to the Championship Finals:

Match Play Captain Barry Lakas reported "The BHCC senior match play team had another great day- winning our semi-final match at St. Ives 10-8. This was a tough win as we were playing St. Ives on their own course. Notable performances were the teams of Spofford/Lakas and Andersen/McGonagle taking all 3 of their points. The team of Beebe/Senne took 2 1/2 points out of their 3. All our other teams took 1/2 points. No one got shut out and those 1/2 points helped us win the match- so way to hang in there guys! The NASMGA finals match will be against Fairways of Canton- a team we beat earlier in the year at their place.

Match Play: Berkeley wins first round of Championship against Fairways of Canton at Berkeley:

Match Play Captain Barry Lakas reported "The BHCC senior match play team had another great day- on Thursday, November 19 winning the first round of our championship match against Fairways of Canton 11.5 to 6.5. The final round will be at Fairways of Canton on Dec. 3. The scores from both matches will be added together to decide the winner. We need at least 7 points to take the NASMGA Match Play Championship. Notable performances were the teams of Cahill/Lakas taking all 3 of their points, Andersen/McGonagle taking 2.5 points, Harvey/Black taking 2 points, and Beebe/Senne also taking 2. Again- no one got shut out.

Tod Senne scores hole-in-one at the last Play Day at Fairways of Canton CC on 11/18:

Five of Berkeley's Match Play team played in the Play Day event scheduled at Fairways of Canton CC. A wise move in preparation for the Final Championship Match now scheduled for December 3.
